INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Kreber Graphics, Inc. 401(k) Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Kreber Graphics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statement or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and correct and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2022 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103 (a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures for the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KREBER GRAPHICS, INC. 401(k) PLAN

Notes to the Financial Statements
December 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN

General

The following description of the Kreber Graphics, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan covers all full-time employees of Kreber Graphics, Inc. ("the Sponsor") who have completed one month of service and are age 20 or older and part-time employees who have attained 1,000 hours of service in a calendar year. Employees may enter the Plan the first day of the quarter following satisfaction of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each participant may contribute to the Plan a percentage of his or her base compensation. Federal law determines the maximum employee contribution each year. The standard maximum employee contribution was \$20,500 in 2022 and \$19,500 in 2021. Individuals who were at least 50 years of age by the end the year were permitted to make additional contributions of up to \$6,500 in 2022 and 2021.

The Plan provides for a discretionary matching contribution by the Sponsor. The Sponsor made matching contributions of \$465,272 in 2022 and \$297,993 in 2021. Contributions are subject to certain IRS limitations.

Forfeited participant balances totaling \$31,548 in 2022 and \$46,761 in 2021 were offset against employer contributions that were to be made to the Plan. As of December 31, 2022 and 2021 the balances in the forfeiture holding account were \$0 and \$1.

Administrative Expenses

Plan costs are paid by the Plan and the Sponsor, of which the Plan reimbursed the Sponsor \$16,409 in 2022 and \$16,109 in 2021.

Notes to the Financial Statements (Continued)
December 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Employees are immediately vested in their contributions plus actual earnings thereon. Sponsor matching contributions and the earnings thereon vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

All amounts are 100% vested for participants who reach the age of 65.

Although there is no intention to terminate the Plan, in the event the Plan is terminated, all participants would be 100% vested in all account balances.

Participant Accounts

Each participant's account is credited with the participant's and the Sponsor's contributions and allocations of Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant account balances as defined in the Plan.

Investment Options

Plan trustees have delegated their investment responsibility to the participants by giving participants the ability to direct the investments in their own accounts. A trust/custodial account has been established by the Sponsor. The Plan offers participants a variety of investment options to which they may direct their contributions as well as any discretionary matching contributions. Participants may change their investment selections at any time.

Payment of Benefits

Upon termination of service, the participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan permits hardship distributions, in-service distributions, and distribution upon death.

Notes to the Financial Statements (Continued)

Note 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures of unvested employer matching contributions resulting from termination of employment are first used to restore the forfeited portion of any re-employed participant's account, then to reduce employer matching contributions, with any excess used to reduce plan expenses.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan has elected to value stable value funds at their NAV as permitted under ASU 820, which permits plans to use NAV as a practical expedient in measuring fair value. Stable value funds have been excluded in the fair value table as permitted by ASU 820 (see note 7).

Notes Receivable from Participants

Participants may borrow between \$1,000 and an amount equal to the lesser of \$50,000 or 50% of their vested account balance from their accounts. These notes receivable are secured by the balances in the participants' accounts and are valued at cost. The Plan expects full repayment of all notes receivable from participants.

Payment of Benefits

Benefits are recorded when paid.

KREBER GRAPHICS, INC. 401(k) PLAN

Notes to the Financial Statements (Continued) December 31, 2022 and 2021

Note 3 - TAX STATUS

The Sponsor adopted the Schwab Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan on March 1, 2022. The prototype document has obtained a determination letter from the Internal Revenue Service (the "IRS") dated September 21, 2020. The IRS determined that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosures to the financial statements.

Note 4 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds. These types of funds are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with these types of funds, it is possible that changes in the values of these funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, a qualified institution as defined by 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA has certified to the completeness and accuracy of all investments, notes receivable, and accrued interest reflected in the statements of net assets available for benefits as of December 31, 2022 and 2021, the supplemental schedule as of December 31, 2022, the related investment and interest activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and investment related information in the accompanying notes to the financial statements. The information is unaudited by independent accountants.

Note 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. For the years ended December 31, 2022 and 2021 the Plan directly paid fees to parties in interest as follows:

<u>Party</u>	<u>Position</u>	<u>2022</u>	<u>2021</u>
Empower	Trustee	\$20,159	48,033
Schwab	Trustee	16,232	---
PensionMark	Investment Advisor	10,000	10,000
Morningstar	Investment Advisor	6,074	---

Hylant	Insurance Provider	<u>1,009</u>	<u>1,009</u>
	Total Administrative Expenses	<u>\$58,874</u>	<u>\$64,142</u>

Note 7 – FAIR VALUE OF ASSETS

The fair value information for this disclosure was derived from the investment statements covered by a 29 CFR 2520.103-8 certificate. The Plan has adopted Accounting Standards Codification (ASC) 820, "Fair Value Measurements". ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are as follows:

Level 1 Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2 Inputs other than quoted prices that are observable for the assets or liabilities either directly or indirectly, including inputs in markets that are not considered to be active;

Level 3 Inputs that are unobservable.

KREBER GRAPHICS, INC. 401(k) PLAN

Notes to the Financial Statements (Continued)
December 31, 2022 and 2021

Note 7 – FAIR VALUE OF ASSETS (CONTINUED)

Inputs are used in applying the various techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility, statistics, specific and broad credit data and other factors. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by management.

Management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. The categorization of a financial instrument within the hierarchy is based upon the pricing transparency of the instrument and does not necessarily correspond to the manager's perceived risk of that instrument.

In making the aforementioned valuations, management consults with its brokers and investment managers in analyzing data which determine fair market values. There have been no changes in the Plan's fair value methodologies used at December 31, 2022 and 2021.

Note 9 – PLAN TERMINATION
