INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
TRAC Intermodal Retirement Savings Plan
Princeton, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the accompanying financial statements of TRAC Intermodal Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, were presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TRAC INTERMODAL RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following brief description of the TRAC Intermodal Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all eligible employees of Interpool, Inc. d/b/a TRAC Intermodal, TRAC Lease, Inc., TRAC Logistics LLC, and TRAC Services LLC and effective March 1, 2016, TRAC Drayage LLC and TRAC Interstar (the "Company"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). T. Rowe Price Trust Company (the "Trustee") is the Plan's trustee. The inception date of the Plan was November 1, 2008. The Plan was restated effective January 1, 2022. Effective September 2, 2022, the Plan was amended to change the age requirement for participation from 21 years of age to 18 years of age.

Effective June 1, 2022, TRAC Interstar was removed as a participating employer and, as a result, total assets, including loans, of \$2,367,120 were transferred to a separate plan.

Contributions

Each year, participants are able to contribute up to 90% of eligible compensation, as defined in the Plan. Contributions can be made as pre-tax contributions or as Roth contributions. Catch-up contributions and rollover contributions are also permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2016, the Plan was amended to allow for automatic enrollment. Unless an employee is excluded from participating, or elects to not participate, the Company will withhold 6% of the employee's compensation each payroll period. Effective January 1, 2021, the Plan was amended to allow for after-tax contributions.

Beginning January 1, 2019, the Company provided a QACA Safe Harbor matching contribution. Through December 31, 2020, the QACA Safe Harbor contribution was 100% of the first 6% of a participant's compensation. Effective January 1, 2021, the QACA Safe Harbor matching contribution is equal to 100% of the first 5% of a participant's compensation. The Company may also make an additional discretionary matching contribution to eligible employees. The Company did not make any such contribution for the year ended December 31, 2022. All contributions to the Plan are subject to certain Internal Revenue Service ("IRS") limitations.

Participants' Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and additional matching contributions, and Plan earnings (losses) and is charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions, all rollovers and transfers from qualified plans, and actual earnings or losses therein. Matching contributions made prior to January 1, 2019, are vested at a rate of 20% per year beginning with the first year of service. Beginning January 1, 2019, participants are 0% vested in the QACA Safe Harbor matching contributions until they have completed two years of service, at which time they become 100% vested.

TRAC INTERMODAL RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants are allowed to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (i) 50% of their vested account balance, or (ii) \$50,000 less the highest outstanding balance during the previous 12-month period. Participants are permitted to have a maximum of two outstanding loans from the Plan. The notes receivable are secured by the balance in the participant's account. The interest rate is the prime rate plus 1% at the time of borrowing. Terms range from 1-5 years for personal borrowings or up to 10 years for the purchase of a primary residence. The interest rate on the notes receivable from participants ranged from 3.25% to 6.25% at December 31, 2022, and 3.25% to 5.50% at December 31, 2021.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant is to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, subject to IRS regulations, a participant is to receive the value of the vested interest in his or her account as a lump-sum distribution or have the balance deposited directly into another qualified retirement account. Effective January 1, 2020, the Plan was amended to conform hardship withdrawals to the provisions mandated in the Bipartisan Budget Act of 2018 and the 2017 Tax Cuts and Jobs Act.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$42,897 and \$384,106, respectively. Forfeited non-vested accounts are available to reduce future employer contributions or pay Plan expenses. For the year ended December 31, 2022, \$32,500 was used to pay Plan expenses and \$649,036 was used to fund employer contributions to the Plan.

Administrative Expenses

The Plan's administrative expenses are paid primarily by the Company through forfeitures, as provided by the Plan document. Certain expenses, such as loan origination fees and investment expenses, are borne by the participants. Beginning with the third quarter of the year ended December 31, 2021, a plan-level account was established to receive fee credits pursuant to a fee-leveling agreement between the Plan and the Trustee. Fee credits are reallocated to eligible participants. During the year ended December 31, 2022, the Plan received \$119,522 in fee credits, of which \$119,453 were reallocated to participants. As of December 31, 2022 and 2021, there was \$113 and \$0 in the fee credit account. The Plan has a separate account established to pay Plan expenses. As of December 31, 2022 and 2021, the balance in this account totaled \$189,796 and \$122,236, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

TRAC INTERMODAL RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the Plan years ended December 31, 2022 and 2021.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure that occurred through October 2, 2023, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, Form 5500, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that are in accordance with 29 CFR 2520.103-5 and as such, are sufficient for reliance as permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under these standards, no further auditing procedures are required with respect to this information which appears throughout the financial statements and supplemental schedule related to the following assets:

	December 31,	
	2022	2021
Investments, at fair value		
Common collective trust funds	\$ 49,417,949	\$ 4,256,897
Mutual funds	\$ 20,216,453	\$ 85,029,496
Notes receivable from participants	\$ 1,322,397	\$ 1,672,947

The Trustee also certified to the completeness and accuracy of \$16,480,520 of net depreciation in fair value of investments, \$725,066 of interest and dividends related to the aforementioned investments for the year ended December 31, 2022. The Trustee also certified to the completeness and accuracy of \$56,830 of interest income from notes receivable from participants for the year ended December 31, 2022.

TRAC INTERMODAL RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") ASC 820, *Fair Value Measurements and Disclosures to Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in less active markets;• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common collective trust: valued at net asset value ("NAV") as reported to the Plan by the Trustee based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV, therefore the NAV is a practical expedient in determining the fair value of the funds.

Mutual funds: valued at the NAV of shares held by the Plan at year end. The NAV is calculated as of the close of the New York Stock Exchange ("NYSE") each day the NYSE is open.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,216,453	\$ -	\$ -	\$ 20,216,453
Investments at fair value	\$ 20,216,453	\$ -	\$ -	20,216,453
Investments at NAV				49,417,949
Total investments at fair value				\$ 69,634,402

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 85,029,496	\$ -	\$ -	\$ 85,029,496
Investments at fair value	\$ 85,029,496	\$ -	\$ -	85,029,496
Investments at NAV				4,256,897
Total investments at fair value				\$ 89,286,393

Fair Value Estimated Using Net Asset Value per Share

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2022 and 2021:

Fair Value Using Net Asset Value per Share					
	Fair Value at December 31, 2022	Fair Value at December 31, 2021	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common Collective Trust Funds	\$ 49,417,949	\$ 4,256,897	\$ -	Immediate	None

Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no transfers in or out of Level 3.

E. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities in general are exposed to various risks such as those involving interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

TRAC INTERMODAL RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

F. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trust funds managed by the Trustee. Since T. Rowe Price Trust Company is the trustee of the Plan, these transactions qualify as party-in-interest transactions. T. Rowe Price Retirement Plan Services, Inc. is the record keeper for the Plan. During the year ended December 31, 2022, the Plan paid T. Rowe Price Retirement Plan Services, Inc. \$125,409 for services provided during the year. During the year ended December 31, 2021, the Plan paid OneDigital Health and Benefits, Inc., the Plan's investment advisor, \$97,500.

G. TAX STATUS

The IRS has determined and informed the Plan by a letter dated August 19, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

H. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan, in whole or in part, at any time, subject to the provisions of ERISA. In the event that such termination occurs, all amounts credited to participant accounts will become 100% vested and the Trustee, in accordance with the Plan document, will distribute the net assets of the Plan in a uniform and non-discretionary manner.

I. UNTIMELY REMITTANCES

During the plan year ended December 31, 2021, the Plan Sponsor inadvertently failed to deposit \$11,707, of participant deferrals timely. The DOL considers the late deposits to be prohibited transactions. Corrective interest on the late remittances for the year ended December 31, 2021, was calculated and the Plan Sponsor reimbursed the Plan for lost interest.
