Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of
Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan
October 5, 2023

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANALYTIC STRESS RELIEVING, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

(1) DESCRIPTION OF PLAN

Analytic Stress Relieving, Inc. (the Company) maintains a defined contribution pension plan for the benefit of the employees of the Company. The following description of the Analytic Stress Relieving, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who are not represented by a bargaining unit, not a nonresident alien, have six months of entry service, and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, subject to certain annual limitations. The maximum employee contribution was \$20,500 for 2022. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution for 2022 is \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Matching and profit-sharing contributions are made at the discretion of the Company. The Company matches participants' elective contributions at the rate of 50% of the first 6% of compensation deferred by the participant. Matching contributions are limited to the maximum amount deductible under applicable provisions of the Code.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, investment earnings, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the vested portions of a participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion and discretionary profit-sharing contributions of their accounts is based on years of continuous service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(1) DESCRIPTION OF PLAN (CONTINUED)

Vesting in the Company's matching portion of their account plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. Loan terms range from 1 - 5 years, are secured by the vested balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon attainment of age 59 1/2 or upon disability, death, retirement, or termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments in substantially equal amounts over a period of time, as defined by the Plan agreement. Hardship distributions will be distributed as a lump sum.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The unallocated forfeiture balance as of December 31, 2022 and 2021 was approximately \$988 and \$978, respectively, and forfeitures used to reduce employer matching contributions for 2022 and 2021 were approximately \$9,438 and \$20,056, respectively.

Hardship Withdrawals

Participants may withdraw their employee contributions in the event of hardship as defined in the Plan agreement. Employer matching contributions are not allowed to be withdrawn in the event of hardship.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method in accordance with accounting principles generally accepted in the United States (U.S. GAAP). All assets of the Plan are held by Reliance Trust Company and are participant driven.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee and insurance company. See Note 3 for discussion of fair value measurements.

The Invesco Stable Asset Fund (the "SA Fund") includes security-backed investment contracts including synthetic investment contracts, guaranteed investment contracts and cash equivalents. The SA Fund is designed to preserve principal, provide a stable interest rate and provide daily liquidity at Net Asset Value (NAV) for participant withdrawals and transfers. The fair value of the SA Fund presented in the Plan's financial statements is measured at NAV per share provided by the Trustee as a practical expedient. There are no unfunded commitments to the SA Fund.

Stable value funds invest in investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee ("wrapper") provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and a return of fully accrued contract value at maturity. The issuer of the wrapper contract provides for withdrawals at the fund's NAV for any normal benefit responsive requirements. In certain circumstances, the amount withdrawn from the wrapper contract would be payable at an amount less than NAV.

ANALYTIC STRESS RELIEVING, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

These events include termination of the Plan, a material adverse change to the provisions of the Plan, or the employer elects to withdraw from a wrapper contract. The Plan Administrator is not aware of the occurrence or likely occurrence of any such events, which would limit the Plan's ability to transact at NAV with participants.

Participant transactions (purchases and sales) with the SA Fund may occur daily at NAV, subject to limitations on transfer to a competing investment vehicle. The Plan's continuing ability to transact with the SA Fund at NAV may be restricted or limited upon occurrence of certain Fund-level or Plan-level conditions or events, or with respect to transactions not initiated by the Plan participants. For example, the Company may decide to terminate the Plan's offering of the SA Fund as a Plan investment option and fully withdraw all invested balances from the Funds. The Plan is restricted from withdrawing all assets from the SA Fund for a period of 12 months upon notification by the Company of its intent to do so under the terms of the participation agreement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal value plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Payment of Benefits

Benefits are recorded when paid.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses include fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and certain record-keeping fees paid by the Plan. Investment-related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

Management has evaluated subsequent events through October 5, 2023, the date which the financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in the active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of the fair value.

Level 1 Fair Value Measurements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(3) FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: The Company determined that valuation measurement inputs of these equity securities required no adjustment from quoted prices in the market. As such, the Plan's investment in mutual funds reflects unadjusted quoted prices from active markets. Accordingly, the Company classified the Plan investments as Level 1 of the ASC Topic 820 hierarchy framework.

Stable value fund: Valued using the NAV of the fund provided by the Fund trustees, as a practical expedient to measure fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	2022			Total
	(Level 1)	(Level 2)	(Level 3)	
Mutual funds	\$ 11,979,078	\$ -	\$ -	\$ 11,979,078
Investments at fair value	<u>\$ 11,979,078</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,979,078</u>
Common collective trust fund*				<u>1,606,980</u>
Total investments				<u>\$ 13,586,058</u>

	2021			Total
	(Level 1)	(Level 2)	(Level 3)	
Mutual funds	\$ 15,655,367	\$ -	\$ -	\$ 15,655,367
Investments at fair value	<u>\$ 15,655,367</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,655,367</u>
Common collective trust fund*				<u>1,276,242</u>
Total investments				<u>\$ 16,931,609</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(4) EXCESS CONTRIBUTIONS PAYABLE

Contributions received from participants for 2022 are net of payments of \$8,015 made in 2022 to certain active participants to return to them excess deferral and match contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount is also included in the plan's statement of net assets available for benefits as excess contributions payable at December 31, 2022.

(5) RELATED PARTY/PARTIES-IN-INTEREST TRANSACTIONS

ADP provides recordkeeping and administrative services related to plan administration, monitoring of plan and participant transactions, and the maintenance of covered plan and participant accounts, records, and statements. These services qualify the provider as a party-in-interest. Regions Bank provides investment and financial advisory services related to Plan assets. These transactions also qualify as party-in-interest.

(6) PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

(7) TAX STATUS

The Plan uses a prototype plan document and trust sponsored by Reliance Trust Company. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has analyzed the Plan's tax positions taken on Federal income tax returns for all open tax years (current and prior three years) and has concluded that as of December 31, 2022, no provision for income tax is required in the Plan's financial statements. The Plan's Federal tax return for tax years for which the applicable statutes of limitations have not expired are subject to examination by the Internal Revenue Service.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was enacted, encompassing a suite of retirement provisions colloquially termed "SECURE 2.0." This legislative package builds upon the foundational reforms introduced by the 2019 SECURE Act, with a central aim of expanding participation in the retirement ecosystem and enhancing avenues for asset accumulation. The provisions set forth by SECURE 2.0 will be progressively effective from 2023 onwards.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(7) TAX STATUS (CONTINUED)

The Act presents a blend of mandatory and elective provisions. Plan and Organization management will evaluate and decide upon the elective components in alignment with the Plan's objectives and the best interests of participants and the Organization. As of the report date, the Plan has not been formally amended to incorporate the provisions of SECURE 2.0. However, the Plan is operating in compliance with all mandatory elements as prescribed by the Act.

(8) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

As pursuant to CFR 2520.103-8 the Plan qualified for an ERISA Section 103(a)(3)(C) audit in 2022 and 2021. Information relating to investment assets, investment transactions, investment earnings and Schedule of Assets (Held at Year End) was certified as complete and accurate by the trustee, Reliance Trust Company, as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

(9) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
