## INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of  
Solupay Consulting, LLC 401k Profit Sharing Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Solupay Consulting, LLC 401k Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Solupay Consulting, LLC 401k Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Solupay Consulting, LLC 401k Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Solupay Consulting, LLC 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Solupay Consulting, LLC 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Solupay Consulting, LLC 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. **Solupay Consulting, LLC 401k Profit Sharing Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

**1. DESCRIPTION OF THE PLAN**

The following brief description of the Solupay Consulting, LLC 401k Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan, established January 1, 2008, and amended from time to time, is a defined contribution 401(k) and Profit-Sharing Plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of Solupay Consulting, LLC, (the "Company", or the "Employer") funds for retirement.

**Eligibility**

Employees are eligible to contribute their own money to the Plan and receive Employer matching contributions immediately upon completing 1 month of service and attaining 18 years of age. The Plan excludes employees who are collective bargaining (union) employees, non-resident aliens, and part time, temporary, or seasonal employees whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period.

**Contributions**

*Employee*

Participants in the Plan may contribute through payroll deductions an amount limited to annual amounts as determined by the Internal Revenue Service. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Service. Participants direct the investment of their contributions into various investment options offered by the Plan.

*Employer*

The Company makes a matching contribution of 3% of 100% of a participant's elective deferral. An Employer matching contribution of \$732,601 was made for the year ended December 31, 2022.

**Participant Accounts**

Individual accounts are established for each participant. Each participant's account is credited with the participant's pre-tax and roth contributions, the Company's contributions, and the proportionate share of dividends, interest and investment gains since the preceding valuation date.

The participant's account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

A participant's interest is at all times fully vested and non-forfeitable in his/her contribution and the Employer safe harbor non-elective contribution, which was frozen effective January 1, 2021.

Participants are vested in Employer matching contributions as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 1                       | 25%                      |
| 2                       | 50%                      |
| 3                       | 75%                      |
| 4                       | 100%                     |

The Employer previously profit sharing contributions as part of the Plan, which was frozen effective May 1, 2020. Participants are vested in Employer profit sharing contributions as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 1                       | 0%                       |
| 2                       | 20%                      |
| 3                       | 40%                      |
| 4                       | 60%                      |
| 5                       | 80%                      |
| 6 or more               | 100%                     |

**Distributions and Withdrawals**

Prior to age 59-1/2, distributions and withdrawals are not permitted from the Plan except in instances of hardship, death, disability, or termination of employment. Hardship distributions limited to the participant's elective deferrals are permitted by the Plan. After attaining age 59-1/2, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant with an account balance under \$1,000 shall receive, as a lump-sum distribution, their participant contributions and earnings thereon and vested Company contributions and earnings thereon.

**Notes Receivable - Participants**

Participants may borrow from their fund accounts a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at the prevailing rate at the time the loan is taken, which is currently 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions.

**Forfeitures**

Forfeited non-vested accounts are used to reduce Employer contributions and to pay Plan expenses. During the year ended December 31, 2022, no forfeitures were used to fund Employer contributions or pay Plan expenses. Forfeited non-vested accounts available at each of the years ended December 31, 2022 and 2021 were \$51,936 and \$15,341, respectively.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accounting records of the Plan are maintained on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Valuation of Investments and Income Recognition**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4.

---

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Risk and Uncertainties**

The Plan's assets are invested in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Administrative Expenses**

The expenses necessary to administer the Plan are either paid by the Company or allocated to each participant at the Company's option. They include but are not limited to, retaining necessary professional assistance from an attorney, an accountant, or an investment advisor. All expenses except for account maintenance fees, transaction fees and investment fund management fees, have been paid by the Company. Certain fees, which are classified as a direct reduction of investment income, are not readily determinable. For the year ended December 31, 2022, the Plan paid Administrator fees of \$35,368.

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, the Plan had \$76,806 and \$57,873, respectively of outstanding loans.

**Payment of Benefits**

Benefits are recorded when paid.

**3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)**

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Empower Trust Company, LLC, the Trustee, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the Trustees, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022.

#### **4. FAIR VALUE MEASUREMENTS**

The accounting pronouncement on fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value:

*Mutual Funds:* Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

*Collective Trust Funds:* Shares held in collective trust funds are valued at the net asset value ("NAV") as determined by the issuer of the funds based on the fair value of the underlying investments.

**Solupay Consulting, LLC 401k Profit Sharing Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                       | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## **5. INCOME TAX STATUS**

The Plan adopted a prototype volume submitter profit sharing 401(k) plan. By letter dated June 30, 2020, the Internal Revenue Service ("IRS") has determined that the prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving this opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**Solupay Consulting, LLC 401k Profit Sharing Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

---

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there are no tax related interest or penalties for the periods presented in these financial statements.

**6. PLAN TERMINATION**

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

**7. RELATED-PARTY TRANSACTIONS**

Most Plan investments are managed by the Trustees of the Plan. These transactions qualify as party-in-interest transactions. In addition, the Plan has certain investment related expenses, which have been offset by investment income. Loans to participants represent exempt party-in-interest transactions. For the year ended December 31, 2022, the Plan paid administrator fees of \$35,368.

**8. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through October 5, 2023, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or disclosure in the financial statements.
