Independent Auditors' Report

To the Plan Administrator of
United Audit Systems, Inc. Savings & Investment Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United Audit Systems, Inc. Savings & Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of United Audit Systems, Inc. Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Audit Systems, Inc. Savings & Investment Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Audit Systems, Inc. Savings & Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Audit Systems, Inc. Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Audit Systems, Inc. Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Independent Auditors' Report
(Continued)**

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of United Audit Systems, Inc. Savings & Investment Plan (the "Plan") have been prepared on the accrual basis using accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are valued daily. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade date basis. The cost of investments sold is computed on an average cost basis for all realized gains and losses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments to Participants

Benefit payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Related Party Transactions

Certain plan investments are shares of investments managed by Principal Life Insurance Company, the trustee and recordkeeper as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

Certain employees of United Audit Systems, Inc. (the "Company") provide administrative and executive oversight services to the Plan. The Plan is not charged by the Company for the services.

A shareholder of the Company is an owner of a service provider that performs third party administrative services for the Plan and therefore, these transactions qualify as party-in-interest transactions.

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing its financial statements, Plan management has evaluated events subsequent to the balance sheet date through August 24, 2023, which is the date the financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, established on February 1, 1994, is a defined contribution plan covering substantially all employees of the Company. Employees become eligible on the first day of the month which coincides with the employee reaching age 21 and completing 6 months of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). It has been amended for compliance with the applicable provisions of the Economic Growth and Tax Relief Reconciliation Act ("EGTRRA"), effective January 1, 2002. Effective March 1, 2017 the Plan was amended and restated. Effective January 1, 2022 the Plan was restated.

Contributions

Each year, participants may contribute before tax and Roth after-tax contributions to the Plan up to 75% of their eligible annual compensation, as defined by the Plan document. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$20,500 for 2022). Section 414(v) of the Internal Revenue Code of 1986 as amended allows a maximum catch-up contribution of \$6,500 for 2022. If participants do not elect otherwise, their compensation will be automatically reduced by 3% and this amount will be contributed to the Plan as elective contributions due to the Plan's auto enrollment feature. The auto enrollment will increase 1% each year up to 10%. Participants may also contribute amounts representing distributions from other qualified plans. The Company may contribute to the Plan an amount of net profits at the discretion of the Company's Board of Directors. They may also make a discretionary match contribution. During 2022, a \$143,895 discretionary matching contribution was made.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements (Continued)

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's voluntary contributions and charged with withdrawals, if applicable, and allocations of (1) the Company's discretionary contribution, if any, and (2) Plan earnings, losses and administrative expenses. Allocations of the Company's discretionary profit-sharing contributions are based upon compensation. Allocations of Plan earnings, losses and administrative expenses are based upon account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions and Plan earnings thereon is based on years of continuous service using the elapsed time method. A participant is 100% vested after 5 years of credited service.

Hardship Withdrawals

Participants qualify to take a hardship withdrawal if a participant has an immediate financial hardship resulting from certain events as identified in the Plan document. Hardship withdrawals may only be taken from the employee deferral account.

Payment of Benefits

On termination of service due to retirement, death, disability, other termination of employment with United Audit Systems, Inc., or termination of the Plan, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a partial withdrawal. Participants with a vested account balance of \$5,000 or less may be automatically distributed as a lump-sum.

In-service distributions are permissible for participants that have attained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits.

Forfeitures

The non-vested portion of terminated participant account balances first must be used by the Company to pay administrative expenses under the Plan, and then to reduce future employer contributions. During 2022, \$63 was used to pay plan expenses, and \$2,482 was used to offset employer contributions. For the years ended December 31, 2022 and 2021, the balance of unallocated forfeitures was \$24,974 and \$18,008, respectively.

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements (Continued)

NOTE 3 TAX STATUS

The Company has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated Jun 30, 2020, which states that the provider's prototype, as designed, is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants will become fully vested in their account balances.

NOTE 5 ADMINISTRATIVE EXPENSES

Certain Plan expenses are paid by the Company and accordingly, are not reflected in the Plan's financial statements. Investment related expenses are included in the net depreciation of fair value of investments.

NOTE 6 INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The following information provided by Principal Life Insurance Company, for the years ended December 31, 2022 and 2021, was certified by them to be accurate and complete with respect to the following:

1. The assets held by Principal Life Insurance Company at December 31, 2022 and 2021, as well as the transactions involving these assets for the year ended December 31, 2022.
2. The amount of investment income and net depreciation in fair value of investments for the year ended December 31, 2022.
3. The Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2022.

NOTE 7 FAIR VALUE MEASUREMENTS

Applicable GAAP for Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the applicable GAAP for Fair Value Measurements and Disclosures are described below:

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements (Continued)

NOTE 7 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. (Mutual funds, common stocks, corporate bonds, US government securities, etc.)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation approaches used for assets measured at fair value.

Mutual funds: Value at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: The NAV of the pooled separate accounts are based on the market value of the underlying investments. The NAV of the pooled separate accounts are not publicly-quoted prices in an active market. The pooled separate accounts invest in various mutual funds, equity and debt securities and commercial real estate to generate their investment return.

Collective investment trusts: Valued based on the NAV of units of a collective trust as published by the trustee. The existence of certain conditions can limit the trust's ability of the Plan to transact with participants at fair value of the collective trust. Specifically, any event outside the normal operation of the trust which causes a withdrawal from the investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, layoffs, bankruptcy, plant closings, plan termination, mergers, early retirement incentives, communications designed to induce participants to transfer from the fund, competing fund transfer or violation of equity wash or equivalent rules in the plan, and changes in qualification status of employer or plan. As of December 31, 2022, the occurrence of an event outside the normal operation of the trust which would cause a withdrawal from the investment contract is not considered probable.

UNITED AUDIT SYSTEMS, INC. SAVINGS & INVESTMENT PLAN

Notes to Financial Statements (Continued)

NOTE 7 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

Description	12/31/2022	Level 1	Level 2	Level 3
Assets

NOTE 7 FAIR VALUE MEASUREMENTS (CONTINUED)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The Plan's interest in collective investment trusts may be redeemed as of any valuation date. There are no participant redemption restrictions for these investments. There are no unfunded commitments related to these investments. The investment strategy for each collective investment trust is to seek total return consisting of long-term growth of capital and current income consistent with the investment strategy of an investor who expects to retire based on the year of the fund.
