INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Spokeo, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Spokeo, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

SPOKEO, INC. 401(k) PLAN
Notes to Financial Statements and Schedule
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Spokeo, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a defined contribution plan which was established on January 1, 2013 and most recently restated on January 1, 2022. The Plan is intended to qualify under Section 401(k) of the Internal Revenue Code of 1954. The Plan is sponsored by Spokeo, Inc. (the Company). Generally, employees of the Company who have reached the age of 21 and have completed one month of service are eligible to participate in the Plan. Employees may enter the Plan on the first day of the month coinciding with or following completion of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by both the Company and FuturePlan. Among other duties, it is the responsibility of the administrators to interpret the Plan, decide on questions of eligibility, determine the amount and manner of benefit payments and maintain administrative records of the Plan. All Plan assets as of December 31, 2022 and 2021 and for the year ended December 31, 2022, were held by American Funds, a subsidiary of Capital Bank and Trust Company (CBTC).

Trustee

The trustee of the Plan is CBTC. The primary duties of the trustee are to authorize investments and monitor payment of contributions and benefits as directed by the Plan administrators.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, when applicable, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The outstanding notes receivable as of December 31, 2022 and 2021 are secured by the balance in the borrowing participants' account and bear interest at rates ranging from 4.25 to 6.5 percent, based on the prime rate plus one percent at time of borrowing. Principal and interest is paid ratably through bi-weekly payroll deductions.

Contributions

Participants – The Plan permits each participant, at the participant's option, to elect to contribute up to 100 percent of annual pretax compensation as a basic contribution to the Plan or after-tax compensation as a Roth contribution, not to exceed the Internal Revenue Service (IRS) limitations. For the year ended December 31, 2022, the maximum salary deferral permissible under IRS limitations was \$20,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Participants direct the investment of their contributions into various mutual fund options currently offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at four percent of pretax compensation and their contributions invested in a designated balanced fund until redirected by the participant. Participants are vested immediately in their contributions plus actual earnings thereon.

Employer – The Company makes safe harbor matching contributions and may make discretionary matching and profit-sharing contributions. In order for a participant to share in discretionary matching and profit-sharing contributions, the participant must be credited with at least 1,000 hours of service during the year. Safe harbor matching contributions for the year ended December 31, 2022 were equal to 100 percent of the participant's annual contribution up to four percent of the participant's annual compensation. No discretionary matching or profit-sharing contributions were made during the year ended December 31, 2022. All employer contributions are fully vested immediately.

Payment of Benefits

Participants may receive distributions from their accounts upon attainment of age 59½, retirement as a result of disability, incurrence of a financial hardship (as defined), termination of their employment with the Company, death, or termination of the Plan. The participant may elect to receive either a lump-sum amount equal to the vested value of the participant's account balance, or installments over a period not to exceed the participant's assumed life expectancy. For eligible participants receiving a required minimum distribution, the vested balance will be paid out in installments over a period not to exceed the participant's assumed life expectancy.

Plan Termination

Although the Company has not expressed any intent to discontinue the Plan, the Company may do so at any time subject to the provisions of ERISA. In the event of termination, participants would become fully vested in their Company contributions and assets of the Plan would be allocated to all participants and distributed in lump sum payments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the cash basis of accounting. Contributions by the participants and the employer are recognized when received by the trustee and withdrawals from the Plan are recognized when paid to the participants. Therefore, these financial statements are not intended to be a presentation in conformity with generally accepted accounting principles.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, as determined by American Funds. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net decrease in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

The Plan's notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on a cash basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrators deem the participant's loan to be in default, the participant loan balance would be reduced and a benefit payment recorded by the Plan.

Administrative Expenses

Plan investments are subject to certain investment fees based on a percentage of invested assets. Such fees are included within net decrease in fair value of mutual funds in the accompanying statement of changes in net assets available for benefits. Participant loan accounts are assessed a separate fee for the administration of loans. Certain other expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees incurred for the administration of the Plan and participant requested services are reflected as administrative expenses on the accompanying statement of changes in net assets available for benefits.

Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Plan management has evaluated subsequent events through the date of the auditors' report, October 3, 2023, which is the date the accompanying financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under the Financial Accounting Standards Board's *Accounting Standards Codification (ASC) 820*, are described as follows:

- a) Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- b) Level 2 Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- c) Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for Plan investments measured at fair value at December 31, 2022 and 2021. There was no change in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methodology is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair value of Plan financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	<i>Investments at Fair Value as of December 31, 2022</i>			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,065,831	\$ -	\$ -	\$ 9,065,831
Total investments at fair value	\$ 9,065,831	\$ -	\$ -	\$ 9,065,831

	<i>Investments at Fair Value as of December 31, 2021</i>			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,913,989	\$ -	\$ -	\$ 9,913,989
Total investments at fair value	\$ 9,913,989	\$ -	\$ -	\$ 9,913,989

NOTE 4 – TRUST CERTIFICATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivables from participants held at December 31, 2022 and 2021, net decrease in fair value of investments, dividend and interest income from investments, and interest income on notes receivables from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the CBTC.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are managed by American Funds, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net decrease in fair value of the investments on the accompanying statement of changes in net assets available for benefits..

The Plan also paid fees totaling \$6,580 to American Funds for Plan administration during the year ended December 31, 2022, which have been reflected as administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE 6 – TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan has been designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrators believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust account is tax-exempt.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
