Independent Auditor's Report

To the Motivated Security Services, Inc. 401(K) Plan  
Somerville, NJ 08876

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Motivated Security Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Motivated Security Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Motivated Security Services, Inc. 401(K) Plan

Independent Auditor's Report

December 31st, 2022

• the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Motivated Security Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Motivated Security Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including, all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Motivated Security Services, Inc. 401(K) Plan

Independent Auditor's Report

December 31st, 2022

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Motivated Security Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Motivated Security Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation

and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter — Supplemental Schedules Required by ERISA**

The supplementary schedule of statement of assets from January 01, 2022, through December 31, 2022, held at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### **In our opinion:**

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

December 31st, 2022

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of Motivated Security Services Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan's summary description for a more complete description of the Plan’s provisions.

#### **General**

Motivated Security Services Inc. (the “Sponsor”) established the Plan effective June 1, 2014. The Plan is a single employer defined contribution plan covering substantially all employees of the Sponsor who are 21 years of age or older and have completed 1,000 Hours of Service during twelve months of employment. If 1,000 Hours of Service is not completed in the first twelve months of employment, the employee will be credited with a year of eligibility of service, provided he or she completes 1000 hours of service in any following calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Each year, participants may contribute up to 90% of their eligible compensation up to the federal maximum contribution amount as defined by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

Discretionary matching contributions are declared at the discretion of the Companies' Board of Directors. Motivated Securities did not make discretionary matching contributions to the Plan for the year ended December 31, 2022.

Discretionary non-elective contributions may be declared at the discretion of the Companies' Board of Directors. The discretionary non-elective contribution amount is determined by the Board of Directors and is allocated to participants' accounts in proportion to their compensation. Participants must be employed at the end of the Plan year to be eligible to participate in discretionary non-elective contributions. Motivated Securities Inc. did not make any discretionary non-elective contributions to the Plan for the year ended December 31, 2022.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions, rollover contributions, and allocations of the Companies' contributions, Plan earnings, and expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### **Investment Options and Investment Trustees**

The Plan is called "an individual account plan". The Plan is intended to satisfy the requirements of Section 404(c) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and Department of Labor Regulation Section 2550.404c-1 (29 C.F.R. 2550.404c-1).

An ERISA Section 404(c) plan is an individual account plan which is designed to provide with the opportunity to exercise control over the assets in individual participant account, and also provides with the opportunity to choose, from among a range of investment funds, the manner in which the assets in the account are invested. Thus, the participants have the responsibility for the investment decisions they make, and the Plan's fiduciaries may be relieved of any liability under ERISA for any investment losses that are the direct and necessary result of the participants' investment instructions.

The participants ability to direct the investment of their Plan account is subject to any restriction or limitation imposed by the underlying investment funds and/or their Plan, in particular, policies with respect to excessive trading (also known as market timing). The Plan's recordkeeper has put into place systematic solutions reasonably designed to assist investment fund companies with enforcing policies on and prohibitions relating to excessive trading. Any and all restrictions that the Plan's recordkeeper is enforcing will be identified to participants on the Plan's participant Web site, as well as through its Voice Response System, and may also be disclosed in materials provided to participants describing the Plan's investment procedures and designated investment alternatives. In addition, at any time an investment fund or manager may limit or refuse to honor an investment election if it determines that it would result in excessive trading and/or would otherwise be adverse to the interests of the other shareholders and/or the investment fund, and/or would otherwise violate a policy of the underlying investment fund, and may require the Plan's recordkeeper to impose restrictions upon their ability to engage in transactions in an investment (or multiple investments).

Motivated Securities Inc., will provide its participants you with the following information at their request:

- Copies of prospectuses (or, alternatively, short-form or summary prospectuses) or similar documents relating to designated investment alternatives under the Plan.
- Copies of any financial statements or reports, such as statements of additional information, and any other similar materials relating to designated investments under the Plan to the extent provided to the Plan,
- A list of the assets comprising the portfolio of each designated investment alternative that are "plan assets" and the value of each such asset, and
- Information concerning the share value of each investment and the date of the valuation.

The Plan's investment options were managed by Reliance Trust Company, the trustee of the Plan. Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the available funds managed by the trustee.

### **Administrative Expenses**

The Companies may absorb some of the expenses related to the operation of the Plan.

Plan administrative services, such as legal, consulting, audit, accounting, trustee, and recordkeeping services, may be required to administer our Plan. The cost for these services may be paid by Motivated Security Inc., or from the Plan, or both. The actual fees deducted from

individual participant Account, if any, will be reflected on their quarterly account statement and on the Plan's Participant Website.

## **Vesting**

Vesting is participants right to the contributions in their total Account Balance. Vested refers to that portion of participants Account Balance that is theirs and which cannot be forfeited. Upon termination of Employment, they are entitled to the entire vested portion of their Account Balance.

Participants are always 100% fully vested in their Elective Deferral, Rollover (if any) Contribution Accounts plus actual earnings thereon. Motivated Securities Inc. may need to make special contributions on participants' behalf called Qualified Matching Contributions or Qualified Non-Elective Contributions. If made, they are always 100% vested in these contribution accounts.

If they terminate Employment due to death, Disability, or attainment of age 65, participants will also be 100% fully vested in their total Account Balance.

Participants are immediately fully vested in the Companies' matching contributions plus actual earnings thereon. Participants are fully vested in the Companies' discretionary matching and discretionary non-elective contributions plus actual earnings thereon upon reaching age 65, the Plan's Normal Retirement Age, upon death, or upon permanent disability. Termination of employment before any of the above occurs activates the following vesting schedule for the Companies' discretionary non-elective contributions and earnings thereon:

<b>Completed Years of Service</b>	<b>Vesting Percentage</b>
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 Years or more	100%

## **Payment of Benefits**

Upon termination of service, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or as a rollover to a qualified account or may elect to receive installment payments or partial withdrawals.

All fully vested balances are available for distribution after the participant reaches the age of 59½. Hardship withdrawals and in-service withdrawals are allowed.

## **Forfeited Accounts**

Forfeitures are used to pay Plan expenses or to reduce employer contributions. There were no unallocated forfeitures at December 31, 2022, and 2021 and there were no forfeitures used to reduce employer contributions for the year ended December 31, 2022.

## **Participant Loans**

Participant loans are permitted by the Plan, a participant can request either a general purpose or principal residence loan. General purpose loans can be taken for any reason and are limited to a 5-

year loan term. Principal residence loans can be taken for a period of longer than 5 years (not to exceed 30) but can only be taken for the purchase of a primary residence.

Loan repayments will be made as a payroll deduction from the Employee's paycheck each pay period and the amount of the repayments are subject to the amount of the loan divided by the number of payments the Participant chooses in order to fully repay the loan.

The IRS has maximum dollar limits for loans taken from a 401k plan.

IRS limitations on 401k Loans: The maximum loan amount allowed by the IRS on a 401k loan is the lesser of:

- 1) 50% of the vested 401k account balance less any outstanding loan amount; or
- 2) \$50,000 less the highest outstanding loan balance in the past 12 months

Loan Guidelines:

The minimum loan is \$500.

A participant can borrow up to the lesser of 50% of his/her vested account balance or \$50,000; however, the \$50,000 maximum must be reduced by the difference between the highest balance of all loans a participant had outstanding during the 12-month period prior to the date the new loan is made and the participant's outstanding loan balance on the date the loan is made. Loans outstanding from other plans maintained by any member must be considered. Most loans must be repaid within five years (60 months), with the exception of loans used for the purchase of a principal residence, which can be repaid over a period of up to 30 years (360 months).

The interest rate applied to participant loans is based upon the Prime Rate plus two percentage points as published in The Wall Street Journal on the 14th day of each month. Once the loan rate is established and the loan is approved, this rate will not be changed during the term of the loan, except as may be required by law for participants called to active military duty.

## **Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting based on accounting principles generally accepted in the United States of America, which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **Payment of Benefits**

Benefits are recorded when paid.

## Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

### NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan's investment options were managed by Reliance Trust Company, the trustee of the Plan. The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee at December 31, 2022.

	<b>2022</b>		
Investments, at fair value	\$ 681,751.00		
Dividends	47,352.00		
Net appreciation in fair value of investments	(201,834.00)		
		2021	2019
		<b><u>2022</u></b>	<b><u>2021</u></b>
Investment Income			
Net Investment Gain (Loss)	(201,834.00)	58,183.00	
Dividends	47,352.00	56,708.00	
Interest	174.00	0.00	
Participant Contribution	177,045.00	147,774.00	
Other Income	34.00	32.00	
Total Additions	\$ 22,771.00	262,697.00	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 740,438	\$ --	\$ --	\$630,873.00
Common/collective trusts measured at NAV*				50,879.00
Pooled separate accounts measured at NAV*				<u>0.0</u>
Total Assets				\$681,752.00

#### **NOTE 4 – FAIR VALUE MEASUREMENTS**

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

#### **NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the investment trustee. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the investment trustee are netted against investment expense.

#### **NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS**

On June 1, 2014, the Plan adopted a volume submitter form of a prototype plan sponsored by Motivated Security Services Inc. The volume submitter plan received an opinion letter from the Internal Revenue Service dated July 08, 2014, as to the volume submitter plan's qualified tax status stating that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The volume submitter plan opinion letter has been relied upon by this Plan.

The Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. The plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, Income Taxes. Based on its evaluation, the Plan has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements.

#### **NOTE 7 – SUBSEQUENT EVENTS**

The plan administrator has evaluated events and transactions subsequent to the statements of net assets available for benefits date through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
