INDEPENDENT AUDITOR'S REPORT

To the Trustees of Compass Holding 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Compass Holding 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Compass Holding 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

Opinion (continued)

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compass Holding 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Holding 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Compass Holding 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Compass Holding 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule as indicated in the contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respect, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**COMPASS HOLDING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1: Description of the Plan:

General:

The following description of the Compass Holding 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan maintained for the benefit of eligible employees (as defined) of Compass Holding, LLC and related adopting employers (the "Company").

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is designed as a qualified cash deferred arrangement pursuant to Section 401(k) of the Internal Revenue Code and provides for the following contributions which are to be maintained in separate accounts.

Employee-directed contributions:

Eligible employees of the Company may elect to defer up to 90% of their annual compensation (as defined) to the Plan, not to exceed Internal Revenue Code limitations.

Employee rollover contributions:

To be made by the employee from amounts received from any other qualified plan, subject to the provisions of applicable tax law.

Employer contributions:

The Plan provides for the Company to make matching contributions. 100% of the first 1% of salary deferrals plus 50% of the salary deferrals between 1% and 6% are matched by the employer. The total employer contributions for the year ended December 31, 2022 and 2021 were \$336,055 and \$307,863, respectively.

Participant accounts:

Employees have the ability to direct their employee and employer contributions into a variety of investment options allowed by the Plan.

Investment income and the fair value appreciation or depreciation are allocated to participants and terminated participants (who have undistributed account balances) based on account balances, as defined.

NOTE 1: Description of the Plan (continued):

Participant accounts (continued):

Each participant's account is credited with participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions, plus earnings thereon. Vesting in employer contributions, and earnings thereon, is based on years of continuous service. A participant is 100% vested after two years of vesting service, as defined.

Forfeitures occur when employees terminate employment with less than 100% of employer contribution vested. The Sponsor uses forfeitures to reduce administrative expenses or contributions. For the year ended December 31, 2022 and 2021, there were \$61,651 and \$75,664, respectively, available for allocation. \$0 and \$15,000 of forfeitures were utilized in 2022 or 2021, respectively, to reduce administrative expenses or contributions.

Hardship withdrawals:

The Plan allows for hardship withdrawals of elective deferrals. Participants that have received hardship withdrawals are allowed to continue making elective deferrals to the Plan.

Payment of benefits:

Payments of benefits are made to participants or their beneficiaries upon death, retirement, when they reach retirement age, disability or termination of employment. Benefits are payable in a lump sum or by other methods as described in the Plan.

NOTE 2: Significant accounting policies:

Basis of presentation:

The financial statements of the Compass Holding 401(k) Plan have been prepared on the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portions of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**COMPASS HOLDING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2: Significant accounting policies (continued):

Recognition of income:

The basis of investments held by the Plan is adjusted annually to the closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized and unrealized gains and losses on investments are computed using adjusted basis (beginning of year market value) on the first-in, first-out method. Security transaction expenses are considered in computing realized gains and losses on investments.

Investments:

Investments are stated at fair value (except for fully-benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants the the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Payment of benefits are recorded when paid.

Expenses:

Expenses associated with Plan administration are paid either by the Plan or the Company. Investment related expenses are included in the net appreciation of fair value of investments.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3: Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts

Pooled separate accounts invest primarily in domestic and international stocks or single mutual funds. The domestic and international stocks are valued at the closing price reported on the active market on which the individual securities are traded. The mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan within the pooled separate accounts are deemed to be actively traded.

**COMPASS HOLDING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 3: Fair value measurements (continued):

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund

Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Fair Value Measurement Using			
	Level 1	Level 2	Level 3	Total
<u>December 31, 2022</u>				
Pooled separate accounts	<u>\$ 3,549,713</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,549,713</u>
<u>December 31, 2021</u>				
Mutual funds	\$ 1,126,909	\$ -	\$ -	\$ 1,126,909
Investments measured at net asset value*	<u>-</u>	<u>-</u>	<u>-</u>	<u>2,192,395</u>
Investments at fair value	<u>\$ 1,126,909</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,319,304</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3: Fair value measurements (continued):

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If currently eligible)</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ -	n/a	Daily	none
<u>December 31, 2021</u>	<u>Fair value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If currently eligible)</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 2,192,395	n/a	Daily	none

NOTE 4: Guaranteed interest contracts:

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The values of the traditional investment contract at December 31, 2022 and 2021 were \$-0- and \$213,158, respectively.

With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers. The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest as a specified rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 4%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

**COMPASS HOLDING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 4: Guaranteed interest contracts (continued):

The Plan's ability to receive amounts due in accordance with a fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
4. A material misrepresentation
5. A material amendment to the agreements without the consent of the issuer.

NOTE 5: Information prepared and certified by trustee:

The following information in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, John Hancock Life Insurance Company (U.S.A.) and Empower Retirement.

	December 31, 2022	December 31, 2021
Investments, at fair value:		
Pooled separate accounts	\$ 3,549,713	\$ -
Noninterest-bearing cash	61,651	
Mutual funds	-	1,126,909
Collective trust funds	-	2,192,395
Investments, at contract value:		
Key Guaranteed Portfolio Fund	-	213,158
Investment income (loss)	(538,876)	420,134

NOTE 6: Related party and parties-in-interest transactions:

The Plan includes certain investments managed by the Trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan amounted to \$52,683 and \$36,951 for the years ended December 31, 2022 and 2021, respectively. In addition, administrative fees paid by the Plan amounted to \$0- and \$15,000 for the years ended December 31, 2022 and 2021, respectively.

Certain administrative services, principally the maintenance of the Plan's accounting records, are performed by Compass Holding at no charge to the Plan.

NOTE 7: Plan termination:

The Company intends to continue the Plan indefinitely; however, it does have the right to terminate it, discontinue it, or amend it from time to time. If the Plan terminates, or there is a permanent discontinuance of contributions, all participants' accounts will become fully vested.

NOTE 8: Income tax status:

The Plan is a standardized prototype plan sponsored by Nova 401k Associates, Inc that has been adopted by the Company. The prototype plan obtained its latest opinion on June 30, 2020, which the Internal Revenue Service ("IRS") stated the prototype plan, as then designed was in compliance with the application requirements of the Internal Revenue Code ("IRC"). The Plan has not requested its own determination letter from the IRS. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

NOTE 9: Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: Subsequent events:

Subsequent events have been evaluated through October 10, 2023, which is the date the financial statements were issued.
