| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **Independent Auditor's Report**

---

To the Trustees  
Peerless Technologies Corporation 401(k) Plan  
Dayton, Ohio

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Peerless Technologies Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Peerless Technologies Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Peerless Technologies Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peerless Technologies Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibility**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peerless Technologies Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peerless Technologies Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Peerless Technologies Corporation 401(k) Plan

## *Notes to the Financial Statements*

*For the Years Ended December 31, 2022 and 2021*

---

### **Note 1. Description of the Plan**

#### General

The Plan is a defined contribution plan that covers substantially all employees of Peerless Technologies Corporation (the Company and Plan sponsor) who have attained 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Participants may voluntarily contribute amounts up to certain limitations as stipulated by applicable IRS Code Sections. Pre-tax elective deferrals and after-tax Roth contributions are available. Participants who have attained age 50 by the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or accounts. The Plan allows automatic enrollment (with a 3% salary deferral) for newly hired employees until they elect otherwise and beginning after the second year, automatic 1% annual increases in the deferral percentages until the 6% level is attained. If a participant does not wish to participate in this automatic incremental increase or wishes to change the amount of future annual increases in his or her contribution percentages, he or she can do so by contacting the Plan's third-party administrator. The Company makes safe harbor contributions equal to 3% of compensation to eligible participants' accounts. The Company may also provide discretionary nonelective contribution amounts.

#### Participant accounts

Each participant's account is credited with the participant's contributions, Company contributions, and actual earnings thereon. Each participant's account is charged with his or her withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions and additional matching contributions, plus earnings thereon. Vesting in the Employer's safe harbor and nonelective contributions is provided over 2 years, 50% per year, or at the attainment of the normal retirement age of 65. Earlier vesting may occur upon death or disability.

Participants who were terminated prior to January 1, 2010 vested using the 5-year cliff for Company discretionary match. Safe harbor contributions made prior to January 1, 2017 are 100% vested. Participants whose employment commencement date is prior to January 1, 2017 will be 100% vested at all times in nonelective and safe harbor contributions.

#### Forfeitures

Forfeited, non-vested accounts totaled \$35,698 and \$28,510 at December 31, 2022 and 2021, respectively. Forfeited amounts can be used to pay administrative expenses or to offset future employer contributions. During 2022 forfeited, non-vested accounts were used to reduce employer contributions by \$582. None were used to pay administrative expenses.

#### Payment of benefits

The Plan provides for payment of normal retirement benefits of accumulated vested amounts upon reaching age 65 and has provisions for early withdrawals of vested benefits in instances of early retirement, disability, death, termination of employment, and financial hardship. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or regular installment payments.

## *Notes to the Financial Statements*

*For the Years Ended December 31, 2022 and 2021*

---

### **Note 1. Description of the Plan (Continued)**

#### Notes receivable from participants

Participants may borrow from their fund accounts. Loans must be a minimum of \$1,000 and may not exceed the lesser of \$50,000 or 50% of a participant's vested account balance. The repayment period is generally not exceed five years unless the loan is used for the purchase of a primary residence. Each loan is collateralized by the remaining balance in the participant's account and bear interest at prevailing market rates as set by the Plan. Interest rates on participant loans ranged from 4.25% to 8% as of December 31, 2022. Principal and interest are paid ratably through payroll deductions.

#### Investment options

Participants may direct the investment of their accounts into various investment options offered under the Plan. Participants may change their investment choices on a daily basis.

### **Note 2. Significant Accounting Policies**

#### Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Accounting Standards Codification (ASC) as produced by the Financial Accounting Standards Board (FASB) is the sole source of authoritative U.S. GAAP.

#### Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### Investment valuation and income recognition

Investments held by the Plan are reported at fair value, with the exception of certain investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value reflects the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and is the relevant measure for the portion of assets attributable to fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

#### Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

#### Payment of benefits

Benefits are recorded when paid.

*For the Years Ended December 31, 2022 and 2021*

### **Note 2. Significant Accounting Policies (Continued)**

#### Administrative expenses

Administrative expenses of the Plan are paid by the Company or Plan participants, as defined in the Plan agreement.

#### Investment management fees and operating expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair values of investments.

#### Date of management's review

Subsequent events have been evaluated by management through October 10, 2023, the date the statements were available to be issued.

### **Note 3. Information Certified by the Plan's Trustee**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company, the trustee of the Plan, has certified to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, the Schedule of Assets (Held at End of Year) at December 31, 2022, and the related interest and dividends and net (depreciation) appreciation in fair value of investments information reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

### **Note 4. Investment Contract**

The Plan has a fully benefit responsive group annuity contract with Great-West Life & Annuity Insurance Company ("Great-West"), which is called the Key Guaranteed Portfolio Fund. Great-West maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021 was \$1,463,752 and \$1,044,846, respectively.

Certain events limit the Plan's ability to transact at contract value with Great-West. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, (6) and early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Great-West may not terminate the contract at any amount less than the contract value.

# Peerless Technologies Corporation 401(k) Plan

## Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

### Note 4. Investment Contract (Continued)

Great-West is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Great-West. Such interest rates are reviewed quarterly for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year.

### Note 5. Fair Value Measurement

FASB ASC 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                 |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Quoted prices in active markets for identical assets or liabilities.                                                                                                                                                                                                                                                            |
| Level 2 | Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data. |
| Level 3 | Unobservable inputs, where there is little or no market activity for the asset or liability. These inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability, based on the best information available.                                   |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2022:

|              | Level 1      | Level 2 | Level 3 | Total        |
|--------------|--------------|---------|---------|--------------|
| Mutual funds | \$24,873,857 | \$ -    | \$ -    | \$24,873,857 |

# Peerless Technologies Corporation 401(k) Plan

## Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

### Note 5. Fair Value Measurement (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2021:

|              | Level 1      | Level 2 | Level 3 | Total        |
|--------------|--------------|---------|---------|--------------|
| Mutual funds | \$28,789,155 | \$ -    | \$ -    | \$28,789,155 |

### Note 6. Income taxes

The Company has adopted the Great-West Trust Company, LLC Volume Submitter Profit Sharing Plan Document, which has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, that states the provider's prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Company's management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. No provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 7. Party-in-Interest transactions

Certain administrative services are provided by the Company at no cost to the Plan and certain administrative costs incurred by the Plan are paid by the Company.

The Plan's administrative fees result from services rendered by parties-in-interest.

Plan investments include a fully benefit-responsive contract issued by Great-West Life & Annuity Insurance Company, The Plan's trustee, and therefore, this investment qualifies as a party-in-interest transaction.

### Note 8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in their accounts.

### Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
