To the Trustees
Hart Hotels, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements

We have performed audits of the financial statements of Hart Hotels, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and December 31, 2021, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the Hart Hotels, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and December 31, 2021 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America as described in Note 2.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Hart Hotels, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the accrual basis of accounting, which is a basis of accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with principles generally accepted in the United States of America, described in Note 2, and for determining that the accrual basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hart Hotels, Inc. 401(k) Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hart Hotels, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hart Hotels, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of Hart Hotels, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete descriptions of the Plan's provisions.

General

The Plan is a defined contribution plan covering the employees of Hart Hotels, Inc. and related companies (the Companies). The Plan is subject to the provisions of ERISA.

The Plan Administrator is Hart Hotels, Inc. (Plan Administrator). The 401(k) Plan Advisory Committee is responsible for the oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility

Employees who are age 21 are eligible to participate upon completing 1,000 hours of service within a year, as defined, excluding employees covered by a collective bargaining agreement which does not expressly provide for participation in the Plan.

Contributions

Each year, participants may contribute up to 25 percent of pretax annual compensation, as defined in the Plan, and elect to defer up to 90 percent of bonus compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation. Participants' automatic deferral rates are automatically increased by 1 percent each year, up to a maximum of 6 percent, unless they opt to contribute a different percentage.

At its discretion, the Companies may contribute an amount to each participant's account based on a percentage of the participant's contributions into the Plan. For the years ended December 31, 2022 and December 31, 2021, the Companies matched 50 percent of the first 1 percent of compensation contributed by the participant and 20 percent of the remaining compensation contributed by the participant, up to 3 percent of a participant's eligible compensation, as defined.

Contributions are subject to certain limitations of the Internal Revenue Code. Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Plan Administrator contributions, and earnings as allocated. The account is reduced by the payment of benefits and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. The Companies' contributions become 20 percent vested after two years of credited service, as defined, with vesting increasing at 20 percent increments each year thereafter to 100 percent after six years of credited service.

1. Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent on the date the loan is taken out (at December 31, 2022, the prime rate was 7.50 percent). A participant may not have more than two loans outstanding at any given time. Loan terms may not exceed five years unless the purpose of the loan is to acquire the participant's principal residence, in which case a longer loan term may be granted. Principal and interest are generally paid bi-weekly through payroll deductions.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a distribution of the participant's vested interest in the participant's account in the form of a lump-sum payment, partial payments, installment payments, or purchase of an annuity contract. For termination of service for other reasons, a participant with a vested account balance up to \$1,000 may receive the value of the vested interest in his or her account as a lump-sum distribution or roll over distribution into another qualified plan. For a participant with a vested account balance that exceeds \$1,000 but does not exceed \$5,000, the Plan Administrator may instruct that the participant's balance be distributed as a lump-sum payment to an individual retirement account through Merrill Lynch if the participant does not make an affirmative election to either receive or roll over the distribution. Benefits are provided for normal retirement at an attained age of 65 or may be deferred if the participant continues in active service with the Plan Administrator. The Plan also permits in-service withdrawals for participants who have attained age 59 ½ and hardship withdrawals.

Forfeitures

Forfeited non-vested accounts are used to reduce the Companies' future contributions and administrative expenses. At December 31, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$15,183 and \$20,118, respectively. Forfeitures reduced the Companies' contributions by \$11,960 and \$17,904 for the years ended December 31, 2022 and December 31, 2021, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and December 31, 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the Plan may be paid directly by the Companies and are excluded from these financial statements. Expenses may also be charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation/depreciation in fair value of the investments.

Subsequent Events

The Plan has evaluated subsequent events through September 28, 2023, which is the date the financial statements were made available to be issued.

3. Fair Value Measurement

Fair value is the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. Fair value measurements are categorized into one of three levels based on the lowest level of significant input used: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable market inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Mutual Funds

Valued at the daily closing price as reported by the fund. Money Market mutual funds held by the Plan are open-end mutual funds that are registered with the SEC that generally transact at a stable \$1.00 value representing its estimated fair value. On a daily basis, the fund's value is determined by the fund based on the amortized cost of the fund's underlying investments.

There have been no changes in the methodologies used at December 31, 2022 and December 31, 2021.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurement (Continued)

The following table presents information about the investments measured at fair value on a recurring basis as of December 31, 2022 and December 31, 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	December 31, 2022			Total

4. Financial Certification (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certification of certain financial information by Reliance Trust Company, in compliance with the audit requirements of the Act.

The following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedule that was prepared and furnished to the Plan by Reliance Trust Company. The Plan has obtained a certification from Reliance Trust Company that the information is complete and accurate as of and for the years ended December 31, 2022 and December 31, 2021.

	December 31,	
	2022	2021
Assets as of		
Mutual funds	\$ 7,284,409	\$ 8,354,935
Notes receivable from participants	74,643	93,473
Transactions for the year ended		
Dividend income	\$ 306,579	\$ 520,240
Other interest income	2,106	1,088
Net appreciation (depreciation) in fair value of investments	(1,710,552)	451,278
Notes receivable interest	3,786	3,970

5. Party-in-Interest Transactions

Certain Plan activities are managed by ADP Retirement Services, Merrill Lynch and Reliance Trust Company. As defined by the Plan, Hart Hotels, Inc. administers the Plan, ADP Retirement Services is the Plan record keeper, Merrill Lynch is the investment advisor and Reliance Trust Company is the custodian of all assets and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services included in administrative expenses amounted to \$23,083 and \$17,466 for the years ended December 31, 2022 and December 31, 2021, respectively. Fees paid by the Plan for investment management services to Merrill Lynch are included in net appreciation (depreciation) in fair value of investments as they are paid through revenue share, rather than a direct payment. The Companies pay directly any other expenses related to the Plan's operations.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Administrator reserves the right to terminate or revoke the Plan at any time, subject to provisions of ERISA. In the event of Plan termination or partial termination, participants would become 100 percent vested in their accounts.

7. Tax Status

The Plan uses a prototype plan document sponsored by Automatic Data Processing Inc. (ADP). ADP received an opinion letter from the IRS dated July 16, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received an opinion letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

9. Corrective Distributions

For the year ended December 31, 2022, the Plan's actual deferral percentage and actual contribution percentage discrimination test was completed in 2023. Based on the results of this test, it was determined that the Plan had excess contributions of \$25,050. These excess contributions were recorded as a liability as of December 31, 2022, with a corresponding reduction to contributions.

For the year ended December 31, 2021, the Plan's actual deferral percentage and actual contribution percentage discrimination test was completed in 2022. Based on the results of this test, it was determined that the Plan had excess contributions of \$15,430. These excess contributions were recorded as a liability as of December 31, 2021, with a corresponding reduction to contributions.

The Plan distributed \$15,430 and \$7,289 for excess contributions in 2022 and 2021 related to contributions for the years ended December 31, 2021 and December 31, 2020, respectively.

10. Qualified Nonelective Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation. The Plan also includes an automatic contribution escalation provision whereby participants can elect to automatically increase their deferral percentages on an annual basis. For the year ended December 31, 2021, certain employees who became eligible under the automatic enrollment option and who did not affirmatively decline participation were not enrolled in the Plan and certain employees who elected to have an automatic increase in deferral percentage were not calculated correctly using the increased deferral percentage.

10. Qualified Nonelective Contributions (Continued)

As a result of the missed enrollments and lack of increase in deferral percentages, the Plan Administrator calculated the amount of missed participant contributions by recalculating the amounts that should have been contributed based on participants' elections. Based on the results of this assessment, the Plan Administrator calculated a qualified nonelective contribution (QNEC), which is equal to fifty percent of the employees' missed deferral during the year ended December 31, 2021 by multiplying the actual deferral percentage for the employees by the employees' compensation. The amount of the QNEC for the year ended December 31, 2021 amounted to \$11,577. As of December 31, 2022 and December 31, 2021, the QNEC receivable was \$0- and \$27,163, respectively, which also included the QNEC from 2020. The QNEC is not reported as a delinquent contribution as this relates to employer funds and not participants' funds.

11. Reconciliation of Form 5500 to the Financial Statements

The following is a reconciliation of net assets available for plan benefits per Form 5500 to the financial statements:
