INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
I.D. Booth, Inc. Profit Sharing 401(k) Plan

Opinion

We have audited the accompanying financial statements of I.D. Booth, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of I.D. Booth, Inc. Profit Sharing 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of I.D. Booth, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about I.D. Booth, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of I.D. Booth, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about I.D. Booth, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the supplemental Schedule H, Line j – Schedule of Reportable Transactions for the year ended December 31, 2022, together referred to as "supplemental information", are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan:

The following description of the I.D. Booth, Inc. Profit Sharing 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) General:

The Plan is a defined contribution profit sharing 401(K) Plan covering all full-time employees of the Company who have completed one year of continuous service and are age twenty-one or older. Participation in the 401(K) component is allowed after three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

(B) Contributions:

Each year, participants may contribute up to the maximum percentage of compensation and dollar amount permissible under Code Sections 402(g) and 414(v) not to exceed the limits of Code Sections 401(k), 404 and 415. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan does not accept rollover contributions. The Company contributes a defined percentage of eligible compensation at the option of the Company's Board of Directors to the profit sharing plan. The Company contribution was 3% of eligible compensation for 2022 and 10% of eligible compensation for 2021.

(C) Participant Accounts:

Participants direct the investment of their contributions into various mutual funds offered by the Plan. Amounts contributed by the Company are invested in a portfolio managed by Morgan Stanley through November of 2022. Beginning in December 2022, all assets are participant directed in mutual funds, managed by Chemung Canal Trust Company (CCTC). Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, plan earnings (losses) and forfeitures of terminated participant's non-vested accounts. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(D) Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. On termination of service due to death, disability or retirement, a participant becomes 100% vested in employer contributions and earnings.

(E) Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows for hardship withdrawals.

(F) Forfeited Accounts:

At December 31, 2022 and 2021 forfeited nonvested accounts totaled $10,328 and $10,534 respectively. These accounts are reallocated to participants in the same manner as employer contributions.

Note 2 - Summary of Significant Accounting Policies:

(A) Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

(B) Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(C) Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation polices. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(D) Payment of Benefits:

Benefits are recorded when paid except when a benefit claim has been approved prior to year-end, but paid after year-end.

(E) Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(F) Tax Status:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No uncertain positions requiring accrual have been taken in 2022 or 2021. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

(G) Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies (continued):

(H) Administrative Expenses:

All administrative expenses are paid by the Plan sponsor, I.D. Booth, Inc., therefore there are no administrative expenses recognized by the Plan.

(I) Date of Management's Review:

Subsequent events were evaluated through September 22, 2023, which is the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements:

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Cash - The carrying amounts of cash (both interest-bearing and non-interest-bearing) and cash equivalents approximate fair value due to short-term maturity. Interest-bearing cash is classified as a Level 1 investment.

Mutual Funds - Valued at the net asset value NAV of shares held by the Plan at year-end. The NAV is the closing price reported on the active market on which the securities are traded. Registered Investment Companies are classified as Level 1 investments.

U.S. Treasuries - The fair values of U.S. treasuries are based on quoted market prices in active markets and are included in the Level 1 fair value hierarchy.

Common Stocks - The fair value of common stock is stated at the quoted market price on the last business day of the year.

Note 6 - Related Party Transactions

Morgan Stanley was a custodian of the Plan through November of 2022. The Plan has Morgan Stanley mutual fund investments at year-end making them party-in-interest investment transactions. Fees for services provided by Morgan Stanley were paid on behalf of the Plan by I.D. Booth, Inc., the Plan sponsor. Subsequent to November of 2022, all plan assets that were previously managed by Morgan Stanley are now under the Management of Chemung Canal Trust Company (CCTC).

Chemung Canal Trust Company (CCTC) is the custodian for the participant directed investments through November of 2022, and all investments after November 2022. Fees paid for services provided by CCTC are paid on behalf of the Plan by I.D. Booth, Inc., its Plan Sponsor.

Note 7 – Other Matters

Effective January 1, 2023, the Plan will include automatic deferral provisions. All new hires will be automatically enrolled in the Plan at a contribution rate of 3% and all existing employees as of the effective date, who have not made an election of at least 3% will automatically be enrolled at 3%. On the first date of each plan year, participants will have an automatic increase of 1% up to a maximum of 8% of compensation. The escalation provision will apply as of the second change date period after the Participant first has contributions made pursuant to a default election.
