INDEPENDENT AUDITORS' REPORT

To the Board of Directors
403(b) Thrift Plan of Jewish Federation of
Greater Long Beach & West Orange County

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of 403(b) Thrift Plan of Jewish Federation of Greater Long Beach & West Orange County ("the Plan") is provided for general information purposes only. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

Jewish Federation of Greater Long Beach & West Orange County ("the Employer") established the defined contribution plan effective September 1, 2005. The Plan is a 403(b)-salary deferral plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, ("ERISA") as amended. The Employer is the Plan's sponsor and serves as the Plan administrator. Effective January 1, 2022, the Plan merged with the 403(b) Thrift Plan of the Jewish Community Center of Long Beach. The employee elective deferral portion of the Plan covers all employees, with no service or age requirement. For employer based contributions, participants must be at least 21 years of age and have completed one year of service in which at least 1,000 hours are worked to participate in the allocation of employer base contributions. Participation in the Plan is voluntary.

Mutual of America Life Insurance Company ("Mutual of America") is the custodian of the Plan assets, which consist of pooled separate accounts and a guaranteed investment contract. The Board of Directors has appointed the Executive Director of the Employer as the Administrator of the Plan.

On January 1, 2022, Jewish of Long Beach and the Jewish Community Center of Long Beach effectively merged. All current employees of Jewish Community Center of Long Beach enrolled into Jewish Long Beach 403(b) plan in Spring of 2022. Their plan balances were migrated from Jewish Community Center of Long Beach to the plan. As a result, Jewish Community Center of Long Beach transfer \$2,917,036 assets to the plan.

Contributions

Participant contributions are based upon an elected percentage or flat amount. The Plan allows participants to contribute, on a pre-tax basis or after tax-basis (403b Roth), an amount up to the lesser of the maximum prescribed amount under the Internal Revenue Code or 100% of their eligible compensation and allows for "catch-up" contributions if a participant is age 50 or older. Participants with 15 years of service may also make a special catch-up contribution per year, subject to Plan provisions. Participants may also make rollover contributions of amounts received from other tax qualified retirement plans.

**403(B) THRIFT PLAN OF
JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Employer matching contributions are not permitted under the Plan. The Plan allows eligible employees to receive non-match employer contributions. Employer contributions (defined as “Employer Base Contributions” in the Plan’s agreement) are equal to a discretionary amount to be determined by the employer, which was determined to be 3% of eligible compensation for the year ending December 31, 2022. Contributions are subject to regulatory limitations. To be eligible for employer contributions, the participant will be credited with a year of service for eligibility at the end of the year of their first twelve months of employment provided the participant completes at least 1,000 hours within that twelve-month period. If the participant completes fewer than 1,000 hours during their first twelve months with the Employer, the participant will be credited with a year of service for eligibility at the end of the first twelve-month period, beginning on the anniversary day of the participant’s date of hire, in which the participant completes 1,000 hours of service.

For the years ended December 31, 2022, the employer contributions totaled \$129,757.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, rollovers, an allocation of the Employer’s base contributions and Employer’s non-elective contributions, if any, and an allocation of the respective investment income or losses net of certain investment management fees. Allocations of Plan earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are 100% vested in the Employer’s base contributions plus earnings thereon after three years of service. Participants are 100% vested upon death, total or permanent disability, or the attainment of normal retirement age.

Forfeitures

A participant’s non-vested balance is forfeited at the time of termination of employment. Forfeitures are held in suspense accounts and are used to offset future employer contributions. Forfeited non-vested accounts are included in the general account, and there was no forfeitures at December 31, 2022.

**403(B) THRIFT PLAN OF
JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Plan Loans

The Plan allows for loans to participants. Participants may borrow from Mutual of America using a portion of their plan account as collateral for the loan. Plan loans are not treated as a distribution from the Plan and are not considered plan assets. Therefore, plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of 50% of the participant's vested account balance or \$50,000 and must be for at least \$1,000. All loans are to be paid back over a period not to exceed five years, excluding loans to acquire the participant's principal residence, which may be paid back over a reasonable period not to exceed 10 years.

The loans bear interest at variable rates ranging from 0.38% to 5.87% for the year ending December 31, 2022. The interest rate is an adjustable rate declared by Mutual of America on a quarterly basis. Principal and interest are paid by the participant through payroll deductions.

The plan administrator has concluded that these loans are not plan assets, and that such arrangements are party-in-interest transactions for which a statutory exemption exists. The balances of outstanding loans as of December 31, 2022 was \$26,048.

In the event of default, such loans are reportable to the plan participant as taxable income, but remain outstanding and continue to accrue interest until repaid by the plan participant, or the participant becomes eligible to receive a distribution under the terms of the Plan.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may receive distributions of their vested interest in his or her account in the form of a single lump sum payment in the form of a direct rollover to another qualified plan or to the participant directly, or the participant may elect payment under specified annuity payment options. If the vested account balance is less than \$1,000 the participant's account balance will be cashed out upon a distribution event. For termination of service for other reasons, a participant may receive lump sum payments. Participants over age 70½ are subject to minimum distribution requirements, and participants over age 59½ are eligible for in-service withdrawals, as further described in the Plan agreement.

Hardship Withdrawals

Participants may receive hardship withdrawals against their account balance for immediate and heavy financial needs such as unreimbursed medical expenses, the purchase of a principal residence, to prevent eviction or foreclosure on their personal residence, or to pay for post-secondary education expenses. The participant's contributions to the Plan are suspended for six months after the receipt of the hardship withdrawal.

**403(B) THRIFT PLAN OF
JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

**403(B) THRIFT PLAN OF
JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Administrative Expenses

Part of the administrative expenses of the Plan are paid by the employer, while other expenses, including loan related fees are paid out of Plan assets. Other management and transaction fees associated with the investment options are included by the custodian in net (depreciation) appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Subsequent Events

Management has evaluated subsequent events through October 9, 2023, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Information Prepared and Certified by the Custodian

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified by Mutual of America, the custodian of the Plan, as of December 31, 2022:

	<u>2022</u>
Mutual funds	<u>\$3,055,099</u>
General account	<u>835,299</u>
	3,890,398
Notes receivable from participants	<u>26,048</u>
	<u>\$3,916,446</u>

During the years ended December 31, 2022, the Plan's investments (including investments bought, sold, and held during the year) depreciated in value by \$(637,789), attributed to securities issued by registered investment companies.

JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2022</u>				
Mutual funds				
in the fair value hierarchy	\$3,055,099	\$ -	\$ -	\$3,055,099
Investments measured at				
net asset value*				835,299
	<u>\$3,055,099</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$3,890,398</u>

The fair value of mutual funds in the fair value hierarchy has been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

5. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022:

<u>Investments</u>	<u>Fair Value as of December 31, 2022</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
General account	<u>\$835,299</u>	n/a	Daily	12 months

6. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of the Employer. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

403(B) THRIFT PLAN OF JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY

NOTES TO FINANCIAL STATEMENTS

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

8. Tax Status

403(b) plans currently are not required to submit plans to the Internal Revenue Service ("IRS") for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

9. Impact of COVID-19 Virus

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted on March 27, 2020. Under Section 2202 of the CARES Act, Plan sponsors are permitted to make qualified coronavirus-related distributions available from 401(a), 401(k), 403(b), and governmental 457(b) plans, which are called "CARES Act Distributions".

Enactments to the pension plan due to the Covid-19 virus are as follows:

All vested account balances in all contribution sources were made available for CARES Act Distributions, except for sources that may contain assets transferred from money purchase pension plans or as otherwise directed.

Any restrictions based on the participant's age or length of participation in the plan, or how long the contributions were in the plan will not apply to CARES Act Distributions. Plan sponsors are responsible for reviewing the source exclusions implemented by Mutual of America for accuracy.

**403(B) THRIFT PLAN OF
JEWISH FEDERATION OF GREATER LONG BEACH & WEST ORANGE COUNTY**

NOTES TO FINANCIAL STATEMENTS

9. Impact of COVID-19 Virus, continued

These distributions are available as pre-approved transactions with participant self-certification of eligibility for the CARES Act Distribution (unless spousal consent is required for certain plans, in which case paperwork is required). The maximum dollar amount that can be requested per participant is \$100,000. Mutual of America will track the overall limit of \$100,000 within and across plans of the same controlled group, as established on Mutual of America Participant Recordkeeping System.

Plan amendments for CARES Act Distributions are required and must be executed by December 31, 2025. Per IRS Notice 2022-33 and Notice 2022-45.
