INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of Supermercados Máximo Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Supermercados Máximo Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Supermercados Máximo Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of **Supermercados Máximo Retirement Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Supermercados Máximo Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Supermercados Máximo Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Supermercados Máximo Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) - Schedule of Delinquent Participants' Contributions and Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter- Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUPERMERCADOS MAXIMO RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Supermercados Máximo Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan entered into effect on January 1, 2006. The Plan is a defined contribution plan covering substantially all employees of Supermercados Máximo, Inc. who have one year of service and are age 21 or older. Effective on October 1, 2018, the Plan was amended to include Max De Diego, LLC and Max San Francisco, LLC as participating employers. The Plan was established for the purpose of providing retirement benefits to employees and to encourage and assist employees in adopting a regular savings program by means of payroll deductions through a plan that qualifies under the applicable laws of the Commonwealth of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants of the Plan may authorize the Company to make contributions to the Plan from payroll deductions ranging from 1% to 10% of their monthly compensation before amounts paid for insurance or other welfare benefits, if any. At no time may participant pre-tax contributions exceed the lesser of 10% of the participant's annual compensation, as defined, or \$15,000 limit, imposed as per Puerto Rico Internal Revenue Code, as amended. Participants who have attained age 50 before the end of the Plan year may contribute an additional contribution of \$1,500 annually to make catch-up. Participants may also contribute, with the approval of the Plan's Administrator, amounts representing rollovers from other qualified defined benefit or contribution plans.

The Company matches participants' contributions based on predetermined matching contribution percentages, as follows:

<u>Participant's Payroll Deduction Percentage</u>	<u>Matching Percentage Contribution</u>
Up to 4%	50%

Additionally, the Company may make discretionary contributions to the Plan in such amount as it is determined by the Board of Directors such as the profit-sharing contribution, as defined.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Accounts

Individual accounts are maintained for each Plan's participant. Each participant's account is credited with the participant's applicable pre-tax, and/or rollover contributions, and allocations of (a) the Company's matching and discretionary contributions, and (b) Plan earnings. Allocations are based on participant's share of the Plan's income (losses) and any related expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The change in the value of the Plan's invested assets is posted to the participant's account on a daily basis.

Investment Alternatives

Upon enrollment in the Plan, a participant may direct its contributions, along with the Company's matching contribution, to any investment option offered by the Plan on a daily basis. The Plan currently offers thirty-one funds consisting mainly of registered investment company funds.

Vesting

Participant's contributions are vested at all times plus actual earnings thereon and shall not be subject to forfeiture for any reason. The participant's right to the Company's matching on their accounts plus earnings thereon is determined based on years of continued service as follows:

<u>Years of Service After Inception of the Plan</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or the designated beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly installments over a period not exceeding the lifetime of the participant or the lifetimes of the participant and his or her beneficiary, as chosen. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. However, if at the time of distribution, the value of a participant's vested benefit is \$5,000 or less, the Plan administrator will immediately distribute such benefit without the participant's consent. However, a participant's vested benefit may not be paid without written consent if the value exceeds \$5,000.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

In-Service Withdrawals

In-Service Withdrawals are only allowed in case of financial hardship that may include among other the following events: (a) the purchase (excluding mortgage payments) of principal residence; (b) major medical expenses of the participant, spouse, children or dependents; (c) payment of tuition for post-secondary education for the participant, spouse, children, or dependents; (d) payment of amounts necessary to prevent the eviction of the participant from his principal residence or foreclosure on the mortgage on that residence; (e) payment for burial or funeral expenses for participant's deceased parent, spouse, children or dependents; (f) expenses for the repair of damage to the participant principal residence that would qualify for the casualty deduction under PR-Code; and (g) other expenses as provided by the Secretary of Treasury through publication of administrative determinations, notifications and other documents of general application.

Forfeited Accounts

Upon a participant's termination from the Company or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants that are not vested are forfeited and used to reduce future employer contributions and administrative costs. As of December 31, 2022, and 2021, available forfeitures of terminated nonvested account balances amounted to \$50,104 and \$37,534, respectively. No forfeitures were used to reduce employer contributions or to paid administrative expenses during the years ended December 31, 2022 and 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

SUPERMERCADOS MAXIMO RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Revenue Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investments advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investment units are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

In order to be in compliance with the non-discrimination rules under the Puerto Rico Internal Revenue Code (PRIRC), the Plan was required to return excess contributions to certain highly compensated employees. As of December 31, 2022 and 2021, the Plan recorded a liability with a corresponding reduction to contributions in the amount of \$9,410 and \$25,219, respectively.

Contributions

Participant and employer matching contributions are recorded in the period in which the Company makes the payroll deductions from the participant's compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investments related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan administrator has evaluated subsequent events through September 6, 2023, the date the financial statements were available to be issued.

SUPERMERCADOS MAXIMO RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

3. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investment held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest, and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by BPAS Trust Company of Puerto Rico (Benefit Plan Administrative Service, Inc. company), as Trustee and/or Custodian of the Plan.

4. FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASB 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- **Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SUPERMERCADOS MAXIMO RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

- Collective trust fund:** Valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<i>Assets at Fair Value as of December 31, 2022</i>

The fair value amounts presented in this table are intended to permit reconciliation of fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemptions for these investments; the redemption notice period is applicable only to the Plan.

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by BPAS Trust Company of Puerto Rico, trustee of the Plan (Benefit Plan Administrative Service, Inc. company), and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services to these companies amounted to \$50,760 and \$36,929, for the years ended December 31, 2022 and 2021, respectively.

6. TAX STATUS

The Secretary of the Treasury of Commonwealth of Puerto Rico has determined and informed the Employer by a letter dated March 20, 2006, that the Plan and related trust are designed in accordance with applicable sections of the PRIRC of 1994, as amended. Accordingly, the Plan is exempt from income taxes under PRIRC of 1994, as amended. However, in January 1, 2011, the new Puerto Rico Internal Revenue Code was enacted. The Puerto Rico Treasury Department released Circular Letter 11-10, which states that pension plans that had obtained an administrative determination letter qualifying the plan under the prior Internal Revenue Code, will be considered as qualified under the Section 10801.01 of the new Code. Notwithstanding the above, to maintain the qualified status, the Plan is required to ascertain new provisions of the current code are being met; otherwise, a recertification will need to be filed. On April 15, 2014, the Plan filed a request for a favorable Determination Letter regarding the qualified status of the Plan under PRIRC of 2011. On April 1, 2015, the Plan adopted the BPAS Master Prototype Defined Contribution Plan (BPAS Master Plan) and the BPAS Master Plan has already obtained a favorable determination letter from the Puerto Rico Treasury Department as to its qualified status under the PRIRC of 2011, as amended. On February 24, 2017, the Plan received a letter from the Puerto Rico Treasury Department which indicates that the Department has no objection to the participation of the Plan in the BPAS Master Plan. Effective on October 1, 2018 the Plan was amended to add two new participating employers and filed a request for a favorable Determination Letter on April 12, 2019. On August 2, 2019, the Plan received a letter from the Puerto Rico Treasury Department which indicates that the Department has no objection to the amendments made to the Plan and that such amendment will not affect in any way the ruling issued on February 24, 2017.

In addition, to maintain the tax-exempt status, the Plan must comply with certain Minimum Coverage and Nondiscrimination Test. The Plan complied with said test requirement, after using the available correction method, as of December 31, 2022 and 2021.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and prior approval of the Puerto Rico Department of Treasury. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
