INDEPENDENT AUDITOR'S REPORT

TO THE ADMINISTRATIVE COMMITTEE OF
BEAVER TOYOTA 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beaver Toyota 401(k) Plan employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

American Institute of Certified Public Accountants

Florida Institute of Certified Public Accountants

CPACONNECT

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beaver Toyota 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Toyota 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beaver Toyota 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Toyota 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Statement of Assets Held for Investment Purposes for 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit

of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2022 supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of Beaver Toyota 401(k) Plan were audited by predecessor auditors. As permitted, the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Their report dated January 23, 2023, indicated that (1) the amounts and disclosures in the financial statements other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and (2) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Beaver Toyota 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Beaver Motors, Inc. (the "Company" or "Employe"). The Plan was formed and adopted on January 1, 2003, and has since been amended and restated as of January 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan provides for participant contributions through salary reduction in accordance with Section 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is administered by the Company. The Plan's assets for the year were maintained and administered by Massachusetts Mutual Life Insurance Company and Voya Retirement Insurance and Annuity Company (the "Custodians"). The Plan changed Custodians in February 2021 from Massachusetts Mutual Life Insurance Company to Voya Retirement Insurance and Annuity Company.

Eligibility

Employees become eligible to participate in the Plan the first day of the first month and seventh month of the Plan year coinciding with or next following the date the employee attains age 18 and completes 6 months of service and all other eligibility requirements have been satisfied. Employees that are not eligible to participate in the Plan are non-resident aliens who do not receive any compensation from U.S. sources, union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining and leased employees.

Contributions

Participants may contribute up to 100% of their compensation subject to the maximum allowed by law imposed by the Internal Revenue Code ("IRC") limitations. The maximum participant deferral for December 31, 2021 and 2020 was $19,500. A participant who has attained the age of 50 may also make catch up contributions, subject to Internal Revenue Service ("IRS") limitations of $6,500 for December 31, 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified plans. Contributions received from

1. **DESCRIPTION OF PLAN** – (Continued)

Contributions – (Continued)

participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan. Participants also have the option to make Roth contributions.

The Plan has automatic enrollment for all eligible employees. Employees are automatically enrolled at 4%, participants may change the percentage or opt out of the Plan entirely.

Under the terms of the Plan, the Company has the option to make profit sharing or matching contributions. For the Plan years ended December 31, 2022 and 2021, the Company made a matching Employer contribution of 1% of the first 4% of the participant's compensation. A discretionary profit-sharing contribution was not made for the years ended December 31, 2022 and 2021. All Company contributions are invested into the various investment options of the Plan in accordance with the participants' contribution allocation elections.

Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor contribution, and allocation of the Plan earnings. Allocations are based on participants' earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is limited to the vested balance of the participant's account.

The Plan is designed to allow participants to exercise control over the investment of assets held in their account. Accordingly, contributions are invested as directed by the participant in one or more of a variety of investment funds. The selection of funds offered by the Plan is intended to comply with the requirements of ERISA §404(c).

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after four years of credit service as follows:

Years of Services	Vesting Percentage
1	25%
2	50%
3	75%
4	100%

1. **DESCRIPTION OF PLAN** – (Continued)

Payment of Benefits

On termination of service, a participant can elect to receive a cash lump sum amount equal to the value of the vested portion of the account or keep the account with the Plan.

Hardship Distributions

A participant who has incurred certain hardship conditions as specified by provisions of the Internal Revenue Code may elect to receive a distribution from his/her elective contribution amount.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the first day of the second calendar quarter following the calendar quarter in which the participant failed to make a required installment payment.

Forfeitures

Participants who withdraw from the Plan forfeit the non-vested portion of their accounts. Forfeitures may be applied to reduce the amount of sponsor contributions and pay plan expenses. For the years ended December 31, 2022 and 2021, total forfeitures were $6,324 and $29,000, respectively. For the years ended December 31, 2022 and 2021, no forfeitures were used to reduce sponsor contributions or pay plan expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses and Fees

Expenses and fees associated with the Plan are paid with Plan assets. Such expenses and fees include the compensation of investment managers, brokers' fees, and costs related to Plan Administration. During the years ended December 31, 2022 and 2021, expenses and fees were $18,370 and $3,070, respectively. Fees associated with the audit for the Plan were paid by the Plan Sponsor and are not included in expense in these financial statements.

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Employer. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets and liabilities and additions to and deductions from net assets. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value held by the Plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

3. PLAN TERMINATION

Although the Sponsor has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become fully vested in sponsor matching contributions and related earnings.

4. TAX STATUS

The IRS has determined and informed the Plan's volume submitter practitioner by a letter dated June 30, 2020 that the volume submitter Plan document was designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. The Plan is subject to examination by the Internal Revenue Service. As of December 31, 2022, the Plan's tax years for 2019, 2020, 2021, and 2022 are subject to examination.

5. FAIR VALUE MEASUREMENTS

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritize the inputs used in measuring fair value.

These tiers include:

Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.

Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

NOTES TO FINANCIAL STATEMENTS

5. FAIR VALUE MEASUREMENTS – (Continued)

Following is a description of the valuation methodologies used for assets measured at fair values.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

		Fair Value Measurement at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 6,014,478	$ 6,014,478	$ -	$ -
Pooled Separate Accounts	-	-	-	-
Collective Investment Trusts	-	-	-	-
Total investments in fair value hierarchy	$ 6,014,478	$ 6,014,478	$ -	$ -
Investments measured at net asset value	-			
	$ 6,014,478			

5. FAIR VALUE MEASUREMENTS – (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

		Fair Value Measurement at the End of the Reporting Period Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 6,036,553	$ 6,036,553	$ -	$ -
Pooled Separate Accounts	-	-	-	-
Common Investment Trusts	-	-	-	-
Total investments in fair value hierarchy	$ 6,036,553	$ 6,036,553	$ -	$ -
Value at net asset value	-			
	$ 6,036,553			

ASC 820 requires certain investments that were measured at net value per share (or its equivalent) to not be classified in the fair value hierarchy. The fair value amounts presented are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3 and no changes in Fair Value of Level 3 Assets and Related Gains and Losses.

6. BENEFIT RESPONSIVE INVESTMENT CONTRACT

Fully benefit-responsive investment contracts, at contract value, on the statement of net assets consist of the following investment(s):

Investment Type	Investment Name	December 31, 2021	December 31, 2020
Guaranteed Investment Contract	Fixed Account	$ 16,201	$ 181,716

6. BENEFIT RESPONSIVE INVESTMENT CONTRACT – (Continued)

As of December 31, 2022 and 2021, the Plan was invested in a guaranteed interest account (Fixed Account, "the Fund") provided through a group annuity contract. Under the Fund, a crediting rate is established and is credited with contributions and charged for participant withdrawals and administrative expenses charged by the Custodians of the Fund. The guaranteed interest account issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Specific coverage provided by each contract may be different from each issuer and can be found in the contract of the Fund. Examples of such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investments options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of mutual funds managed by Voya Retirement Insurance and AnnuityCompany ("Voya"). Voya transactions qualify as party-in-interest transactions and have been identified as such within the supplemental information.

During the years ended December 31, 2022 and 2021, Voya, Mass Mutual Life Insurance Company, Inc., Cetera Advisor Networks, LLC, Retirement Solutions Specialists, and Morningstar Investment Management received advisory fees and/or administrative fees. Fees paid for these services are included in plan expense. These transactions also qualify as party-in-interest transactions for which there is a statutory exemption.

8. CERTIFIED INVESTMENTS

The Plan Administrator has elected the methods of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2022 and 2021 including investment information related to the 401(k) account, that is disclosed in the accompanying financial statements and supplemental schedules, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the custodian of the Plan.
