REPORT OF INDEPENDENT AUDITORS

To the Trustees
Stone City Products, Inc. 401(k) Savings Plan
Bedford, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Stone City Products, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statement's section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation of 2021 Financial Statements

Plan management is responsible for the accompanying financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021 and the related notes to the financial statements in accordance with the modified cash basis of accounting. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2021 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on these financial statements.

STONE CITY PRODUCTS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (UNAUDITED)

1. DESCRIPTION OF THE PLAN

The following description of the Stone City Products, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established January 1, 1994, sponsored by Stone City Products, Inc. (the "Company" or "Employer"). The Plan includes salary deferral features of Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees, except for union employees and certain other employees, are eligible to participate in the Plan once they have attained age 18 and completed thirty days of service. Participants may enter the Plan on the first day of the month following the date they satisfy the eligibility requirements.

Contributions

Participants are permitted to make pre-tax deferral contributions up to the current Internal Revenue Service ("IRS") limit through a salary reduction deferral election. Participants may also contribute rollover amounts representing distributions from other qualified plans.

Participants are eligible for Employer matching contributions, which are discretionary, after thirty days of service. In addition, the Plan allows for Employer nonelective discretionary contributions, which are based upon a uniform percentage of participant compensation, compared to the total plan eligible compensation. During the 2022 plan year, there were no discretionary nonelective contributions.

The Plan also has automatic enrollment provisions at an initial deferral of 1%, with annual increases of 1% thereafter up to a maximum 6% deferral. During the 2022 plan year, there were no discretionary profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of: (a) the Employer's contribution, (b) plan earnings, and (c) administrative expenses. Allocations are based on participants' earnings, account balances, or transaction fees, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants can direct investments in their account into several investment options and are allowed to change investment selections on a daily basis.

STONE CITY PRODUCTS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (UNAUDITED)

Notes Receivable from Participants

Each participant can obtain a note between \$1,000 and the lesser of 50% of the participant's vested account balance or \$50,000. The loan term may not exceed five years unless such loan is for the purpose of the participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of one percent above prime. Principal and interest are paid during each pay period through payroll deductions.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. There is a graded five-year vesting schedule for Employer matching contributions and nonelective contributions.

Payment of Benefits

Upon termination of employment due to death, disability, or retirement, a participant may elect to receive installment payments or a lump sum amount equal to the value of the participant's vested account balance. The Plan permits hardship withdrawals from participant contributions and actual earnings thereon. Participants who are at least 59 ½ may also withdraw their vested Employer contribution account balance, participant contributions and any earnings.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,869 and \$7,236, respectively. Forfeited nonvested accounts are used to reduce future Employer contributions. In 2022, no amounts were used from forfeited nonvested accounts to reduce Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the modified cash basis of accounting. That basis differs from accounting principles generally accepted in the United States of America in that contributions and investment income are recorded when

STONE CITY PRODUCTS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (UNAUDITED)

received by the Plan and expenses are recorded when paid. The modified cash basis differs from the cash basis in that investments are recorded at fair value, and notes receivable from participants are recognized.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by its trustees (see Note 3), based on the quoted market prices of the underlying mutual funds. The unit value of the separate account is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares.

The investment strategies for the pooled separate accounts investing in mutual funds or equity securities vary based on the degree of investment risk chosen by the fund manager and the criteria of the fund or security's investment goals.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when received. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably

STONE CITY PRODUCTS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (UNAUDITED)

possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. The Employer pays a significant amount of the Plan's administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

Plan Tax Status

The current plan document is based on a preapproved plan sponsored by TAG Resources, LLC ("TAG"). TAG has received a favorable opinion letter from the IRS dated August 17, 2021, stating that the Plan, as then designed, was in compliance with the applicable requirements of the IRC and therefore exempt from federal income taxes. The Plan has not separately applied for an opinion letter from the IRS. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is October 9, 2023.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, (formerly named Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, respectively), the trustees of the Plan during 2022, have certified to the completeness and accuracy of all investments reflected on the accompanying statement of net

STONE CITY PRODUCTS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (AUDITED) AND 2021 (UNAUDITED)

assets available for benefits and schedule of assets (held at end of year) as of December 31, 2022, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year then ended.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). However, in accordance with Subtopic 820-10, the pooled separate account investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

The description of the valuation methodologies used for assets measured at fair value are included in Note 2. There have been no changes in the methodologies used at December 31, 2022 and 2021.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>

Pooled separate accounts \$	1,542,502	Not applicable	Daily	None

5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Party-in-interest transactions, as defined under Department of Labor regulations, include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons. The Plan provides for participant loans, which qualify as party-in-interest transactions. The Plan also pays certain administrative expenses to its service providers, which also qualify as party-in-interest transactions.
