INDEPENDENT AUDITOR'S REPORT

To the Administrator of
O'Melveny & Myers LLP Retirement Savings Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of O'Melveny & Myers LLP Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Allocation of Net Assets by Fund as of December 31, 2022 and 2021 and the Allocation of Changes in Net Assets by Fund for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements. The information has not been subjected to the auditing procedures applied in the audits of the financial statements and accordingly, we do not express an opinion or provide any assurance on them.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrator of
O'Melveny & Myers LLP Retirement Savings Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of O'Melveny & Myers LLP Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Allocation of Net Assets by Fund as of December 31, 2022 and 2021 and the Allocation of Changes in Net Assets by Fund for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements. The information has not been subjected to the auditing procedures applied in the audits of the financial statements and accordingly, we do not express an opinion or provide any assurance on them.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

O'MELVENY & MYERS LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the O'Melveny & Myers LLP Retirement Savings Plan (the "Plan") is intended to give a general summary of its principal provisions. Participants should refer to their Summary Plan Description for more complete information. Financial information in the financial statements and footnotes has been rounded to the nearest hundreds for presentation purposes.

General Information: The Plan, adopted January 1, 1982, is a defined contribution profit sharing plan covering eligible employees including associates and certain Counsel. The Plan is administered by the O'Melveny & Myers LLP Retirement and Employee Benefits Committee (the "Committee") as appointed by O'Melveny & Myers LLP (the "Firm"). The Firm anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan subject to the provisions of the Employee Retirement Income Security Act. The amounts in all accounts are always 100% vested and nonforfeitable. Matrix Trust Company is the trustee and Millman, Inc. is the recordkeeper of the Self-Directed Fund E option under the Plan and Fidelity Management Trust Company ("FMTTC") is trustee and Fidelity Workplace Services LLC ("FWS") is recordkeeper of the "Core Funds" options.

Eligibility/Enrollment: Each employee, partners and counsel become eligible to make 401(k) contributions immediately upon employment with the Firm.

Voluntary 401(k) Deferral Contributions: Participation in the 401(k) Deferral Contribution portion of the Plan is discretionary from year to year. Participants could make 401(k) tax deductible contributions up to \$20,500 for 2022. Participants who are expected to reach age 50, during the current calendar year, are eligible to make an additional "Catch-up" annual contribution up to \$6,500 for 2022. Participants may elect to make their 401(k) contributions as a Roth after-tax contribution.

Employer Contributions: In addition to 401(k) contributions, eligible participants employed on the last day of the year receive nonelective employer contribution, which is based on an allocation based on a percentage of eligible compensation (the allocation is set annually by the Firm's Policy Committee). Staff is required to have one year of service prior to be eligible for nonelective employer contributions. The amount contributed for the 2022 Plan year was 7.5% of compensation or 6.0% of all compensation plus 5.7% of compensation above the Social Security wage base of \$147,000. A minimum contribution of \$8,850 per eligible participant was given in the 2022 Plan year.

Compensation used to determine this contribution shall not exceed the maximum permitted by Internal Revenue Code ("IRC") Section 401(a)(17), as adjusted (\$305,000 for 2022). Each employee who does not work as an attorney becomes eligible for an Employer Contribution following the completion of one year of Eligibility Service. Attorney participants are not eligible for the employer contribution.

Participant Elections/Payment of Benefits: Through FWS, participants can elect to increase, decrease or stop their 401(k) contribution deduction percentage. In addition, participants may elect to exchange funds on a daily basis as well as elect the investment of future contributions.

O'MELVENY & MYERS LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participants cannot elect to receive the balance in their accounts under the Plan until they retire, become disabled, terminate employment with the Firm or die. The Plan allows an in-service withdrawal for participants reaching age 62. The distribution options include (1) a cash lump sum payment, (2) series of installment payments over a period of years, and (3) at normal retirement age of 62, the automatic form of benefit payment (unless the spouse approves another form of payment) consisting of a life annuity for single participants or, if married, a 50% Joint & Survivor Annuity (single participants may also choose the 50% Joint & Survivor Annuity option).

Participant Accounts: Separate accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, an allocation of the Firm's contributions, plan earnings and charged with his or her withdrawals and any relevant administrative expenses. These amounts are invested in any of the available investment funds, as directed by the participant. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants: Participants may borrow up to 50% of their account balance with FMTC. The minimum loan amount is \$1,000 and maximum is \$50,000. Loans may be amortized up to five years. Only one loan may be outstanding at any one time. The interest rate is based upon the Wall Street Journal prime rate plus 1.25%. Principal and interest is paid through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are paid by participants and recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(Continued)

O'MELVENY & MYERS LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Contributions: Participant contributions are recorded by the Plan in the year withheld from participant earnings. Contributions to the Plan by the Firm are recorded by the Plan in the year in which they become obligations of the Firm.

Benefits: Benefits are recorded when paid.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Firm and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan allows for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 4 - FUND E - PARTICIPANT SELF-DIRECTED INVESTMENTS

Participants may elect to invest contributions and earnings into self-directed investments (Fund E). The participants work directly with an individual broker of their choice from one of the following broker firms approved by the Committee. The current custodians for Fund E are:

- 1) Bel Air Investment Advisors, LLC;
- 2) Bernstein Investments;
- 3) Charles Schwab & Company;
- 4) Citibank N.A.;
- 5) City National Bank;
- 6) First Republic Private Wealth Management;
- 7) JP Morgan Securities;
- 8) Lincoln Financial Advisors;
- 9) Merrill Lynch;
- 10) Morgan Stanley;
- 11) Neuberger (J.P. Morgan Clearing Corp);
- 12) Northwestern Mutual Investment Services;
- 13) Oppenheimer & Co.;
- 14) RBC Wealth Management;
- 15) UBS Financial Services, Inc.; and
- 16) Wells Fargo Advisors.

The broker executes investment transactions, collects interest and dividend income, and retains custody of the investment securities within the guidelines of ERISA. Matrix Trust Company acts as trustee for the Fund E self-directed investments.

(Continued)

NOTE 5 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company and Matrix Trust Company (the trustees of the Plan).

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan accounts for assets and liabilities at fair value. Fair value is the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining fair value, the Plan uses prices and other relevant information generated by market transactions involving identical or comparable assets ("market approach").

The Plan uses a three-level hierarchy for fair value measurements which prioritizes the inputs to valuation techniques used to measure fair value, distinguishing between market participant assumptions developed based on market data obtained from sources independent of the reporting entity ("observable inputs"), and the reporting entity's own assumptions about market participant assumptions developed based on the best information available in the circumstances ("unobservable inputs"). The hierarchy level assigned to each investment is based on an assessment of the transparency and reliability of the inputs used in the valuation of each instrument at the measurement date. The highest priority is given to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques need to recognize the use of observable inputs and minimize the use of unobservable inputs. Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The three hierarchy levels are defined as follows:

- Level 1 - Valuations are based on unadjusted quoted market prices in active markets for identical securities that the Plan has the ability to access.
- Level 2 - Valuations based on observable inputs, such as quoted prices for similar assets in active markets at the measurement date; quoted prices in markets that are not active; or other inputs that are observable, either directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement, and involve management judgment.

The following is a description of the valuation methodologies used for assets measured at fair value:

Self-directed Brokerage Accounts: Accounts primarily consist of mutual funds, common stocks, preferred stock, and exchange traded funds that are determined by obtaining quoted prices on nationally recognized securities exchange (Level 1). Accounts also include money market funds, and the fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer (Level 2 inputs). The Plan's investments in the money market deposit account occasionally exceed the federally insured balance.

O'MELVENY & MYERS LLP RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Investments in Registered Investment Companies (i.e. Mutual Funds): The fair value of investments in registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (Level 1). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: The fair value of collective trust is valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchased and sales) occur daily at contract value. There are no unfunded commitments, participants can redeem their units daily and there is no redemption notice period.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Investments at Fair Value as of</u>		<u>Total</u>
		<u>Level 2</u>	<u>Level 3</u>	
<u>December 31, 2022</u>				
Mutual funds	\$ 470,009,400	\$ -	\$ -	\$ 470,009,400
Self-directed brokerage accounts	146,281,100	867,700	-	147,148,800
Collective trust*	-	-	-	39,712,600

Mutual funds	\$ 584,351,200	\$ -	\$ -	\$ 584,351,200
Self-directed brokerage accounts	183,016,800	1,666,400	-	184,683,200

Total	<u>\$ 767,368,000</u>	<u>\$ 1,666,400</u>	<u>\$ -</u>	<u>\$ 808,157,400</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Firm. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Firm. Certain plan investments in mutual funds and collective trust fund are issued by FMTC or an affiliate of FMTC. FMTC is a trustee of the Core Funds, therefore, these transactions and the Plan's payment of fees to FMTC qualify as party-in-interest transactions. Further, certain plan investments in common stocks, preferred stocks, and mutual funds are managed by various custodians of participant self-directed Fund E investments, therefore, these transactions and the Plan's payment of fees to these custodians qualify as party-in-interest transactions. Notes receivables from Plan participants and the related interest income are also considered party-in-interest transactions.

Fidelity Investments provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Firm and Fidelity Investments. Fidelity Investments receives revenue from mutual fund and collective trust fund service providers for services Fidelity Investments provides the funds. This revenue is used to offset certain amounts owed to Fidelity Investments for its administrative services to the Plan.

If the revenue received by Fidelity Investments from such mutual fund or collective trust fund service providers exceeds the amount owed under the MSA, Fidelity Investments remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan Sponsor may make a payment to Fidelity Investments for administrative expenses not covered by revenue sharing.

NOTE 8 - TAX STATUS OF THE PLAN

The administrator has received a favorable determination letter from the Internal Revenue Service dated June 30, 2020 stating that the Plan qualifies under Section 401(a) of the Internal Revenue Code (the "Code") and is therefore exempt from Federal income tax under Section 501(a) of the Code. The Plan has been subsequently amended; however, the Plan administration believes that the Plan continues to be in compliance with the applicable requirements of the Code. The Plan is also exempt from California tax under California Revenue and Taxation Code Section 17501. As a result, no provision for federal or state taxes is required.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or assets) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

NOTE 9 - SUBSEQUENT EVENTS

The Plan management has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued and determined that no subsequent events required disclosure.
