INDEPENDENT AUDITOR'S REPORT

To the Trustees of The Ohio National Life Insurance Company Agents' Medical Benefits Plan

**Opinion**

We have audited the accompanying financial statements of The Ohio National Life Insurance Company Agents' Medical Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of The Ohio National Life Insurance Company Agents' Medical Benefits Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits and plan obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Ohio National Life Insurance Company Agents' Medical Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ohio National Life Insurance Company Agents' Medical Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Ohio National Life Insurance Company Agents' Medical Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ohio National Life Insurance Company Agents' Medical Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**THE OHIO NATIONAL LIFE INSURANCE COMPANY  
AGENTS' MEDICAL BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 : DESCRIPTION OF PLAN**

The following description of The Ohio National Life Insurance Company Agents' Medical Benefits Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

*General.* The Plan provides health benefits covering agents, agency employees, and retirees of The Ohio National Life Insurance Company (the Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

*Benefits.* The Plan provides health benefits (medical and prescriptions drugs) covering active agents and their dependents, and agent employees and their dependents. Retirees and their dependents who meet eligibility requirements are covered for benefits they had before retirement. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

*Stop Loss Coverage.* The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

*Self-insured Benefits.* The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

*Contributions.* Participants contribute specific amounts based on applicable monthly premiums for their respective benefit elections. Participants enrolled in Cobra pay for the full amount of their premiums. The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

**NOTE 2 : SUMMARY OF ACCOUNTING POLICIES**

*Basis of Accounting and Use of Estimates.* The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Payment of Benefits.* Premiums paid by either the Sponsor or the trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

**THE OHIO NATIONAL LIFE INSURANCE COMPANY  
AGENTS' MEDICAL BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 2 : SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

*Stop Loss Coverage.* Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling \$2,552,978 for 2022 and \$71,694 for 2021 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

*Income Taxes.* The Plan is a taxable trust for federal income tax purposes. The federal income tax liability for years ended December 31, 2022 and 2021 were \$0 and \$0 respectively. The Plan's federal income tax returns for 2019, 2020, 2021 and 2022 are subject to examination by IRS, generally, for 3 years after they are filed.

*Health Claims Payable.* Plan liabilities for health claims payable is based upon the amount of actual claims reported but not paid at December 31, 2022 and 2021.

*Estimated Health Claims Incurred But Not Reported (IBNR).* Plan liabilities for health claims IBNR is based on the estimate of Aetna, the plan's third party administrator. Aetna develops the estimates from the relevant payment history contained within the claims lag report from the Aetna Claims System. These amounts are paid by the Plan only if claims are submitted and approved for payment.

*Subsequent Events.* Management has evaluated subsequent events for the Plan through October 6, 2023 the date the financial statements were available to be issued.

**NOTE 3: POSTRETIREMENT BENEFIT OBLIGATIONS**

A postretirement benefit obligation has been recognized for retiree medical benefits for eligible participants and their dependents upon retirement. These benefit obligations represent the actuarial present value of the cost of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current retirees of the Plan. The obligations represent the amounts that are expected to be funded by contributions from the Sponsor and from existing assets of the Plan. Postretirement benefits include future benefits expected to be paid to or for (a) currently retired or terminated employees and their beneficiaries and dependents and (b) active employees and their beneficiaries and dependents after retirement from service with the Sponsor. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The postretirement benefit obligation at December 31, 2022 and 2021, principally health benefits, relates to the following categories of participants (including their beneficiaries and dependents):

	<u>2022</u>	<u>2021</u>
Current retirees	\$ 0	\$ 596,366
Other participants fully eligible for benefits	<u>0</u>	<u>0</u>
	\$ <u>596,366</u>	\$ <u>596,366</u>

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

**THE OHIO NATIONAL LIFE INSURANCE COMPANY  
AGENTS' MEDICAL BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 3: POSTRETIREMENT BENEFIT OBLIGATIONS (CONTINUED)**

For measurement purposes at December 31, 2022, a 6% annual rate of increase in the per capita cost of covered health care benefits was assumed for 2022; the rate was assumed to decrease gradually to 5% for 2026 and to remain at that level thereafter. These assumptions are consistent with those used to measure the benefit obligation at December 31, 2022.

The health care cost trend rate assumption has a significant effect on the amounts reported as postretirement benefit obligations. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of December 31, 2022 and 2021, by \$0 and \$48,867, respectively.

The following were other significant assumptions used to determine the postretirement benefit obligations as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Weighted-average discount rate	5.60%	2.90%
Average retirement age	67	67
Mortality	Annuity 2000 Basic Table	Annuity 2000 Basic Table

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

**NOTE 4: ADMINISTRATIVE EXPENSES**

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrators (Aetna and Mercer Marketplace). These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits as administrative expenses. The expenses are paid by the Sponsor general account and the Plan reimburses the Sponsor. All other administrative expenses, such as professional fees, are paid by the Sponsor on behalf of the Plan.

**NOTE 5 : RELATED PARTIES**

Several employees of the Sponsor provide administrative services to the Plan. These services include plan oversight and day-to-day plan administration. The Plan is not charged by the company plan sponsor for the services of the employees to the Plan.

**NOTE 6: TERMINATION OF THE PLAN**

The Ohio National Life Insurance Company Agents' Medical Benefits Plan terminated effective December 31, 2022. Agents will no longer be eligible for benefits under the plan. Cobra coverage will not be available. The trust will continue to pay benefit obligations at December 31, 2022 during 2023.

**THE OHIO NATIONAL LIFE INSURANCE COMPANY  
AGENTS' MEDICAL BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 673,268	\$ 823,756
Benefit obligations currently payable (health claims, death and disability benefits)	<u>771,503</u>	<u>509,833</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ (98,235)</u>	<u>\$ 313,923</u>

The following is a reconciliation of benefits paid to participants per the financial statement to Schedule H of Form 5500:

	<u>Years Ended December 31,</u>	
	<u>2022</u>	<u>2021</u>
Benefits paid to participants per the financial statements	\$ 4,797,149	\$ 6,257,055
Add: Amounts currently payable	771,503	509,833
Less: Amounts payable previous year	<u>(509,833)</u>	<u>(966,303)</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 5,058,819</u>	<u>\$ 5,800,585</u>

**NOTE 8: RISKS AND UNCERTAINTIES**

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
