Profit Sharing/401(k) Plan for
Employees of Continental Web Press, Inc.
Itasca, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following brief description of the Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc. (Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description and the Plan agreement for a complete description of the Plan's provisions.

GENERAL

Continental Web Press, Inc. (the Company) sponsors the Plan, which became effective on December 31, 1977. The Plan is a defined contribution plan, which covers all eligible plan employees of the Company. Employees over age 18 are immediately eligible for entrance into the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participating employees may deposit annually up to 100% of their pretax annual compensation to the Plan up to the maximum allowable under the Internal Revenue Code. Participants may also contribute amounts from other qualified retirement plans.

The Plan does not require the Company to match employee contributions, but the Company may elect to make a discretionary contribution as determined annually by the Company's board of directors. The Company elected not to make matching contributions during 2022 and 2021. The Company may also make an additional discretionary profit sharing contribution, which is allocated among participants with over 1,000 hours of service and employed on the last day of the year based on compensation. There were no profit sharing contributions for both 2022 and 2021.

PARTICIPANT ACCOUNTS

A separate account is maintained for each individual participant. Each account is credited with the participant and the vested portion of employer contributions, allocations of plan earnings and expenses based on the participant's account balances and investments.

VESTING

Participants are immediately vested in their contributions and earnings. Eligible participants become vested in twenty percent of the Company's contribution after two years of service. For each additional year of service, participants vest in an additional twenty percent and reach full vesting after six years of service.

1. DESCRIPTION OF PLAN (continued)

NOTES RECEIVABLE – PARTICIPANT LOANS

Participants may borrow from their accounts up to a maximum of 50% of their account balance or \$50,000, whichever is less. The loans are secured by the balance in the participants account and bear interest at rates commensurate with rates charged by other lenders on similar loans. Current interest rates range from 3.25% to 8.25%. Loans are repaid through payroll deductions over a period which generally may not exceed five years. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. The balance of participant loans at December 31, 2022 and 2021 were \$101,185 and \$75,840, respectively.

ADMINISTRATIVE EXPENSES

It is the Company's policy to have all Plan expenses paid for by the Plan by having them deducted from earnings.

FORFEITURES

Forfeited accounts are used to pay administrative expenses of the Plan. There were no forfeitures for the years ended December 31, 2022, and 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Profit Sharing/401(k) Plan for Employees of Continental Web Press, Inc. is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, which is responsible for their integrity and objectivity.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting. Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments in mutual funds are stated at fair value based on quoted market prices. The fair value of the common collective trusts is calculated by discounting the related cash flows based upon current yields of similar instruments with comparable durations.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

3. INVESTMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. INVESTMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market funds: Valued at cost which approximates fair value.

Mutual funds: Valued at quoted market prices which are at the net asset value (NAV) of shares held by the Plan at year end.

Common collective trusts: Valued using a pricing service, Interactive Data Corporation, Thomson Reuters, or Standard & Poor's. The underlying securities trade at quoted market prices.

Exchange traded funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Fair Value at December 31, 2022, as follows:

<u>Description</u>	<u>12/31/2022</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>

3. INVESTMENTS (continued)

During the years ended December 31, 2022 and 2021, the Plan's investments (including investments purchased, sold, as well as held during the year) appreciated (depreciated) in value by \$(2,162,386) and \$1,645,195, respectively.

4. RELATED PARTIES

The plan sponsor is Continental Web Press, Inc., which is a related party.

5. PAYMENT OF BENEFITS

Upon termination of service, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

7. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The trustee of the Plan is Charles Schwab.

	<u>2022</u>	<u>2021</u>
Money Market Funds	\$ 2,004,063	\$ 2,080,777
Mutual Funds	8,158,317	10,447,622
Common Collective Trust	1,009,340	1,165,710
Exchange Traded Funds	2,805	14,710
Notes Receivable – Participant Loans	<u>101,185</u>	<u>75,840</u>
Total	<u>\$ 11,275,710</u>	<u>\$ 13,784,659</u>

8. TAX STATUS

On October 28, 1978, the United States Treasury Department issued to the Company a favorable determination letter that the Plan is a qualified trust under section 401 (a) of the Internal Revenue Code and is therefore exempt from Federal income taxes under the provisions of section 501 (a). The Plan has been amended since receiving its most recent determination letter in order to comply with recent law changes. However, the plan administrator believes the Plan is designed and is currently being operated in the compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. TAX STATUS (continued)

The Plan has adopted FASB ASC 740-10-25, *Accounting for Uncertainty in Income Taxes*. The Plan will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by a taxing authority. The Plan continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax laws and new authoritative rulings. The Plan's evaluation on December 31, 2022 and 2021, revealed no uncertain tax positions that would have a material impact on the financial statements. The 2019 through 2021 tax years remain subject to examination by the IRS. The Plan does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

9. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trusts managed by Charles Schwab. Charles Schwab is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements.	\$ 11,174,525	\$ 13,784,659
Net assets available for benefits per Schedule H to the Form 5500	<u>\$ 11,174,525</u>	<u>\$ 13,784,659</u>
Net increase (decrease) in net assets available for benefits per financial statements.	\$ (2,508,949)	\$ 958,202
Net increase (decrease) in net assets available for benefits per Schedule H to the Form 5500	<u>\$ (2,508,949)</u>	<u>\$ 958,202</u>

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

12. SUBSEQUENT EVENTS

The financial statements were available to be issued on October 5, 2023 with subsequent events being evaluated through this date.
