INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Pearson-Huggins Companies, Inc. & Subsidiaries 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Pearson-Huggins Companies, Inc. & Subsidiaries 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related statement of net assets available for benefits for the year then ended (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Pearson-Huggins Companies, Inc. & Subsidiaries 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pearson-Huggins Companies, Inc. and Subsidiaries 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 5 to the financial statements, the trustees of the Pearson-Huggins Companies, Inc. and Subsidiaries 401(k) Plan approved a plan of liquidation on March 31, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pearson Huggins Companies, Inc. and Subsidiaries 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PEARSON - HUGGINS COMPANIES, INC. & SUBSIDIARIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Pearson-Huggins Companies, Inc. & Subsidiaries 401(k) Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete discussion of the Plan's provisions.

General

The Plan, a defined contribution plan qualified under Sections 401(a) and 401(k) of the Internal Revenue Code (the Code) (see Note 6 below), meets the requirements of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covered all employees who were at least 21 years old and completed 90 days of employment with the Pearson-Huggins Companies, Inc. and subsidiaries (the Employer).

Pursuant to the sale of substantially all assets of the Employer and the related termination of substantially all employees effective March 31, 2022, the Plan froze Employer and employee contributions and ceased new participant loans and hardship distributions.

Contributions

Prior to March 31, 2022, Plan participants were able to make voluntary contributions up to the maximum as adjusted by Internal Revenue Service (IRS) regulations (\$20,500 for 2022 and \$19,500 for 2021, and \$27,000 for 2022 and \$26,000 for 2021 for those age 50 and over), to provide an additional source of income for retirement. The Plan permitted Employer contributions to participant accounts at amounts determined by the Employer. There were Employer contributions of \$15,637 for 2021. There were no Employer contributions for 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocation of (a) the Employer's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. Any participant accrued benefits forfeited are used to pay plan administrative expenses. Any forfeitures left after paying plan expenses are allocated to eligible participants as an additional employer contribution. There were forfeitures of \$306 and \$1,508 for the years ended December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Payment of benefits by the Plan are payable upon the occurrence of retirement, death, disability, termination of employment, termination of the Plan, an in-service withdrawal request (only for employees that have attained 59 1/2 years of age) or an election by a participant to receive a hardship distribution. Upon the occurrence of the qualifying event, distributions are payable by lump-sum payment.

Administrative Expenses

The Employer pays administrative expenses not paid by the Plan. For the years ended December 31, 2022 and 2021, the Plan paid administrative expenses of \$36,771 and \$57,896, respectively.

Notes Receivable from Participants

Prior to March 31, 2022, Participants could borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms ranged from 1 to 5 years. The loans were secured by the balance in the participant's account and had a fixed interest rate of prime plus 1% determined at the inception of the loan. Interest rates ranged from 4.25% to 6.50% for the years ended December 31, 2022 and 2021. Principal and interest were paid ratably through payroll deductions.

Investment Options

Prior to March 31, 2022 and upon enrollment in the Plan, a participant could direct employee and employer contributions in any of the available investment options. Participants could change their investment options at any time. The investment options available to participants were through John Hancock Life Insurance Company (John Hancock).

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As described in Note 5, the Trustees of the Plan approved a plan of liquidation on March 31, 2022 and management determined that liquidation was imminent. As a result, the financial statements for December 31, 2022 were prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The financial statements for December 31, 2021, were prepared using the accrual basis of accounting in accordance with U.S. GAAP.

Investment Valuation

The Plan's investments are reported at fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Interest accrual is suspended for delinquent participant loans. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Income

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

Management has reviewed subsequent events and transactions which occurred after December 31, 2022 through the date of the independent auditor's report, which is the date the financial statements were available for release. The financial statements include all events or transactions, including estimates, required to be recognized in accordance with accounting principles generally accepted in the United States of America.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets for similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Pooled separate accounts invest primarily in a single mutual fund, collective trust or ETF. The fair value of each pooled separate account is based on the number of shares held by the Plan at year-end priced at the net asset value (NAV) as reported to the Plan by John Hancock. In accordance with FASB Accounting Standards Codification (FASB ASC) 820-10-35, the NAV is used as a practical expedient to estimate fair value, where the NAV is based on the underlying assets owned by each account, less their liabilities, divided by the number of shares outstanding. Each pooled separate account provides for redemptions and transfers by the Plan at reported net asset value per share, with no advance notice requirement. There are no unfunded commitments related to the accounts.

All Plan investments were measured at fair value using the net asset per share practical expedient of FASB ASC 820-10-35, thus, there are no investments classified in the fair value hierarchy.

4. INVESTMENTS

John Hancock holds the Plan's investments in a trust fund. The following table presents information included in the accompanying financial statements and supplemental schedule that was obtained from data prepared and certified by John Hancock as complete and accurate.

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$ --	\$ 5,630,906
Net appreciation (depreciation) in fair value of investments	(867,494)	631,224

5. PLAN TERMINATION

Pursuant to the sale of substantially all assets of the Employer on March 31, 2022 and the related termination of substantially all employees, the Trustees of the Plan approved a plan of liquidation on March 31, 2022. As a result, management determined liquidation is imminent and the Employer froze and suspended all contributions to the plan effective March 31, 2022. The Plan and the Plan's trust were maintained in accordance with Plan provisions until the final distribution of Plan assets was made in October 2022.

6. INCOME TAX STATUS

The Plan received a favorable determination letter from the IRS dated March 31, 2014. The determination letter stated that the trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC); and, accordingly, the trust's net investment income is exempt from income taxes. Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan advisor believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

7. RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

8. PARTIES - IN - INTEREST

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary to the Plan or any party rendering services to the Plan, the Employer and certain others. As such, transactions conducted with the Employer, custodian, third-party administrator, and independent auditor qualify as party-in-interest transactions.

The Plan invested in certain funds managed by John Hancock, the Plan custodian, and paid certain administrative expenses to John Hancock and a third-party administrator. These transactions qualify as party-in-interest transactions; however, all are exempt from the prohibited transaction rules of ERISA.
