**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **HLB GRAVIER, LLP**

(2) EIN: **20-4946415**

**d** The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

**a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) .....

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Eagle Brands Sales Employees' 401(K) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Eagle Brands Sales Employees' 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eagle Brands Sales Employees' 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eagle Brands Sales Employees' 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Brands Sales Employees' 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eagle Brands Sales Employees' 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Brands Sales Employees' 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The Supplemental Schedule of Assets (Held at End of Year) – Supplemental Schedule H, Part IV, Line 4(i) as of December 31, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**EAGLE BRANDS SALES EMPLOYEES' 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

---

**Note 1 – Description of the Plan**

The following brief description of the Eagle Brands Sales Employees' 401(K) Plan (the “Plan”) is provided for general information purposes only. The Plan was effective on September 4, 2012 and restated on December 18, 2019. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Quality Acquisition Company, LLC, d/b/a Eagle Brands Sales and effective December 18, 2019, Western Beverage, LLC d/b/a Double Eagle Distributing (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator, Recordkeeper and Trustee

The Plan’s administrator, recordkeeper, and trustee are as follows:

Plan Administrator – Quality Acquisition Company, LLC, d/b/a Eagle Brands Sales.

Third Party Administrator – Empower Retirement, LLC.

Custodian and Trustee – Empower Trust Company, LLC, as of August 1, 2022, previously known as Great-West Trust Company, LLC.

Eligibility Requirements

Employees who are twenty-one years of age or older and who have more than three months of service are eligible to participate in the Plan. Employees that are unionized or non-resident aliens of the United States are not eligible to participate in the Plan.

Contributions

Allowable employee contributions can be up to 100% of the participant’s pre-tax compensation, up to the Internal Revenue Service (“IRS”) maximum amount of \$20,500 in 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make \$6,500 of catch-up contributions in 2022. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employees are automatically enrolled in the Plan with a 1% employee contribution rate upon eligibility, completion of the three months of service. The employee contribution rate automatically increases by 1% each year after the first full calendar year on the first day of the plan year at 1% until the employee contribution rate is 4%. The auto escalation maximum percentage increase is 4%. If the employee does not want to make employee contributions to the Plan, they can “opt out” of the automatic enrollment. If the employee wants to contribute a different percentage, they can change the initial automatic contribution percentage.

The Plan currently offers mutual funds and no interest-bearing cash accounts as investment options for participants. The Company may elect to match the participants’ contributions annually. The percentage of the match, if any, is at the Company’s discretion. The Company made a discretionary matching contribution of \$388,213, net of forfeitures, for the 2022 plan year.

**EAGLE BRANDS SALES EMPLOYEES' 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

---

**Note 1 – Description of the Plan (continued)**

Contributions (continued)

The discretionary matching contribution was based on 50 percent of the first four percent of compensation that a participant deferred to the Plan. Participants must be employed on the last day of the plan year to be eligible for the discretionary matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contribution and (b) Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Income allocations are made on a daily basis based on fund performance. Participant accounts are reduced by the amount of withdrawals made by the participant during the plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon retirement, disability, termination of service or reaching 59 ½ years of age, distributions are made to participants in the form of a lump sum distribution or in installments if participant is subject to required minimum distributions. Also, an automatic mandatory lump sum distribution will be made to those participants who have a vested benefit that does not exceed \$5,000 upon severance of their employment. The non-vested balance, if any, reverts to the Plan. As further described in the Plan document, early withdrawals are generally limited to cases involving financial hardship.

Vesting Percentage

Participants are immediately vested in their elective deferrals and transfer contributions plus actual earnings thereon. Participants are generally vested in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon based on years of credit service as follows:

| <u>Years of Vesting Service</u> | <u>Vested %</u> |
|---------------------------------|-----------------|
| Less than 2                     | 0%              |
| 2                               | 20%             |
| 3                               | 40%             |
| 4                               | 60%             |
| 5                               | 80%             |
| 6 or more                       | 100%            |

Participants are 100% vested if they are employed on or after their normal retirement age of 65, or if a participant incurs a severance of employment as a result of death or disability.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the present value of the portion of the nonforfeitable accrued benefit of their account, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates equal to the prime rate plus one percent (1%). Principal and interest is paid ratably through monthly payroll deductions.

Forfeitures

The non-vested portion of the fund's assets allocated to a participant's account is forfeited upon termination of service. The forfeitures are to be first used to pay any administrative plan expenses and any remaining balance will be used to reduce the employer matching contribution. As of December 31, 2022 and 2021, the forfeiture balance was \$23,447 and \$25,694, respectively. In 2022 and 2021, employer contributions were reduced by \$10,008 and \$12,412, respectively.

Plan Amendments

The Plan was restated effective February 12, 2021, to update the Trustee of the Plan to Great-West Trust Company, LLC and Empower Retirement, LLC ("Empower") as recordkeeper from SunTrust Bank, (now Truist Bank). The Plan was also amended on September 8, 2021 for administrative purposes. Amendments during the year include implementation of the Hardship Distribution Provisions of the Bipartisan Budget Act of 2018. In addition, the Plan Administrator authorized the implementation of the CARE Act provisions and adopted the SECURE Act provisions for birth and adoption hardship distributions, an amendment to the Plan to adopt the provisions is pending to be completed.

**Note 2 – Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Note 2 – Significant Accounting Policies (continued)**

Fully Benefit-Responsive Investment Contracts

The guaranteed investment account is measured at contract value, which represents contributions made under the contract, plus earned interest, less participant withdrawals and administrative expenses. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned; related fees are recorded as administrative expenses and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan will pay the administrative costs and expenses of the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan Sponsor has evaluated subsequent events and transactions for potential recognition or disclosure through October 13, 2023, which is the date the financial statements were available to be issued. See Note 11.

**Note 3 – Trustee Certification**

The Plan administrator has elected the method of compliance performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Trust Company, LLC, the Trustee of the Plan, as complete and accurate except for comparing such information certified by the trustee with information included in the plan's financial statements and supplemental H, line 4i-Schedule of Assets (Held at End of Year):

**Note 3 – Trustee Certification (continued)**

The trustee also certified to the completeness and accuracy of \$3,336,280 of net depreciation in the fair value of investments, and \$676,715 of interest and dividend income related to the aforementioned investments for the year ended December 31, 2022.

**Note 4 – Fair Value Measurements**

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Level 2 | Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as : <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs that are unobservable inputs for the asset or liability.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4 – Fair Value Measurements (continued)**

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022.

*Mutual Funds:* Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

The following table provides information as of December 31, 2022 and 2021 about the Plan's financial assets carried at fair value on a recurring basis.

The Plan Administrator evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no significant transfers in or out of levels 1, 2 or 3.

**Note 5 – Guaranteed Investment Contract with Insurance Company**

In 2021, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America ("Empower") previously known as Great-West Life & Annuity Insurance Company. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**EAGLE BRANDS SALES EMPLOYEES' 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

---

**Note 5 – Guaranteed Investment Contract with Insurance Company (continued)**

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$766,028 and \$729,198, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0.10%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Great-West. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

Were the Plan to initiate a full redemption of the guaranteed investment contract, the issuer reserves the right to require 60 days notification.

**Note 6 – Related Party and Party In Interest Transactions**

During 2021, Empower became the recordkeeper of the Plan, and assumed the recordkeeping and related administrative services.

In addition, a portion of the income or loss of the Plan is derived from various mutual funds. Fees paid by the Plan are deducted from the net asset values of the mutual funds held. A portion of these fees paid by the Plan to the fund company or other investment provider are returned to Empower for certain administrative and 12b-1 fees and therefore, these transactions qualify as party-in-interest transactions. The Trustee received indirect compensation ranging from 0.05 percent to 0.85 percent, for the year ended December 31, 2022.

During 2021, the Plan Administrator entered into an updated revenue sharing agreement with Empower. Per the terms of the agreement, the Bank will make certain amounts available from 12b-1 fees earned to the Plan to be credited back to plan participants. In addition, the plan pays a record-keeping 0.30% asset-based fee. The Plan paid administrative expenses totaling \$39,341 for the year ended December 31, 2022, of which \$19,112 was contributed back to the Plan as other income by the Trustee, these amounts are presented net in other income.

**Note 6 – Related Party and Party In Interest Transactions (continued)**

The Plan Sponsor entered into an Investment Advisory Agreement with Resources Investment Advisors, LLC d/b/a OneDigital Investment Advisors, an SEC investment advisory firm, with services provided through the Investment Adviser Representative. The services to be provided are preparation of investment policy statement, investment advice to the plan, performance monitoring and reporting of investments, and advice on selecting a qualified default investment alternative. The fee is 15 basis points payable on a monthly basis by the plan custodian from plan participant account assets. Total expenses paid for the year ended December 31, 2022, were \$19,112.

**Note 7 – Tax Status**

The Internal Revenue Service has determined and informed Plan management by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, no uncertain tax positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**Note 8 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 9 – Risks and Uncertainties**

The Plan invests in various investment instruments including mutual funds and investment contracts. These investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.
