REPORT OF INDEPENDENT AUDITORS

Basis for Disclaimer of Opinion

Because of inadequacies in the Plan's prior-years' records, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2022 and 2021, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year ended December 31, 2022. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Our responsibility is to conduct an audit of HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the ***Basis for Disclaimer of Opinion*** section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Hospice of the Piedmont, Inc. 403(b) Plan

REPORT OF INDEPENDENT AUDITORS

Basis for Disclaimer of Opinion

Because of inadequacies in the Plan's prior-years' records, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2022 and 2021, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year ended December 31, 2022. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the ***Basis for Disclaimer of Opinion*** section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF THE PLAN

The following description of the Hospice of the Piedmont, Inc. (Organization) 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a type of retirement plan commonly referred to as a 403(b) plan. The Plan was established on January 1, 1992. The Plan covers all employees who work twenty hours per week or more. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the elective deferral limit, which is set by law. Participants may also elect to designate their salary deferrals as Roth deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may direct their investment contributions into various investment options offered by the Plan. Participants may change their investment options periodically. The Organization may make discretionary matching contributions and/or discretionary and qualified non-elective contributions. For the 2022 and 2021 Plan years, the Organization made discretionary matching contributions to the Plan equal to 100% of the participant's salary deferral up to 3% of the participant's eligible compensation. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's discretionary matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and qualified non-elective contributions, plus actual earnings thereon. Vesting in the Organization's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the participant's or beneficiary's assumed life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

Forfeited Accounts

There were no forfeited nonvested account balances at December 31, 2022 and 2021. These accounts are used to reduce administrative expenses and future employer contributions. During 2022, employer contributions were reduced by \$5,999, and \$324 of administrative expenses were paid from forfeited nonvested accounts.

SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See the **FAIR VALUE MEASUREMENTS** note for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified to by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and was not subjected to any auditing procedures performed:

- a. Total investments as shown in the accompanying statement of net assets available for benefits of \$4,781,144 as of December 31, 2022, and \$5,137,160 as of December 31, 2021.
- b. Net investment loss of \$848,179 for the year ended December 31, 2022, as shown in the accompanying statement of changes in net assets available for benefits.
- c. All investment-related information in the accompanying supplementary Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">Quoted prices for similar assets or liabilities in active markets;Quoted prices for identical or similar assets or liabilities in inactive markets;Inputs other than quoted prices that are observable for the asset or liability;Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (RICs) are valued at the daily closing price as reported by the fund. RICs held by the Plan are registered with the Securities Exchange Commission. These RICs are required to publish their daily asset value and to transact at that price. The RICs held by the Organization are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2022				
	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL
Registered investment companies	<u>\$4,578,472</u>	<u>\$</u>	<u>\$</u>	<u>\$4,578,472</u>
ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2021				
	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL
Registered investment companies	<u>\$4,970,140</u>	<u>\$</u>	<u>\$</u>	<u>\$4,970,140</u>

GUARANTEED INTEREST CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

In 2012, the Plan entered into a fully benefit-responsive guaranteed interest contract with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based upon a formula established by the contract issuer but may not be less than 3%. Effective December 30, 2022, the crediting rate formula established by the contract issuer must be between .15% - 3%. The crediting rate is reviewed on a monthly basis for resetting.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the interest contract at December 31, 2022 and 2021 was \$202,672 and \$167,020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semi-annual basis for resetting.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of the equity wash provision, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would also limit the ability of the Plan to transact at contract value with the participants.

The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Organization's contributions to the Plan or benefits accrued or paid by the Plan for participants are not considered party in interest transactions.

The Plan allows for certain transactions with certain parties who may perform services or have fiduciary responsibility to the Plan, including the Organization. Certain plan investments are shares of registered investment companies and a guaranteed interest contract managed by Principal Trust Company. Principal Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan paid \$6,043 in administrative expenses during 2022.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

TAX STATUS OF THE PLAN

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

HOSPICE OF THE PIEDMONT, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

PROHIBITED TRANSACTION - LATE CONTRIBUTIONS

During 2018, the Organization failed to remit certain employee contributions to the Plan totaling \$30,843 within the period prescribed by Department of Labor regulations. The Organization made a contribution during 2022 to the affected participants' accounts to compensate those participants for potential lost income due to the 2018 delays.
