Fiduciary Committee
Cetera Financial Group, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the financial statements of Cetera Financial Group, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Cetera Financial Group, Inc. 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan documents for more complete information.

General

The Plan is a qualified, defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established by Cetera Financial Group, Inc. (the “Employer” or “Company”) and is administered by the Fiduciary Committee. The Plan covers substantially all employees of Cetera Financial Group, Inc. and affiliated companies. The Plan is administered by Empower Retirement Company (the recordkeeper), who performs the function of the third-party administrator. Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustee and custodian, are responsible for the custody of the Plan’s assets.

Eligibility

All employees, excluding employees covered by a collective bargaining agreement, leased employees, independent contractors, contingent workers, outsourced works, unpaid interns and nonresident aliens of the Company are immediately eligible to enter the Plan upon hire.

Participant Contributions

Participants are enrolled based on the Plan’s automatic default elective deferral percentage of 4% of the participant’s eligible pretax compensation. Participants may elect a permissible withdrawal from the Plan no later than 90 days after the date of the first default elective deferral. Participants may elect to have the Company adjust their contribution through eligible pretax or Roth after-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make an additional catch-up contribution. Participants may also rollover amounts representing distributions from other qualified defined-benefit or contribution plans. Contributions are subject to certain limitations, as defined in the Plan and Internal Revenue Service.

Employer Contributions

The Employer may make discretionary matching contributions equal to a uniform percentage or dollar amount of participant deferrals, as determined by the Employer’s Board of Directors. In 2022, the Employer made a matching contribution equivalent to 2% of the participant’s eligible salary.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions (Continued)

The Company may, in its sole discretion, make a non-elective discretionary contribution on behalf of each eligible participant who is employed by the Company on the last day of the Plan year. Each eligible employee shall be assigned to one of three groups. The total employer non-elective discretionary contribution shall be allocated among participants within each group as a uniform percentage of the compensation of each participant with the group or in the same dollar amount to each participant within the group. For the year ended December 31, 2022, the Company made a non-elective discretionary contribution of approximately \$5,495,834.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, Employer matching and supplemental contributions, and allocations of the Plan's earnings and administrative expenses. Plan earnings and expenses are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct their salary deferral contributions and Employer contributions, as desired, in any of several investment options as made available and determined by the Plan administrator. Participants may change their investment options 20 times in each calendar year via the internet website or by using the automated telephone system offered by the Trustee. If no election is made, all contributions will be invested in a target date fund, "default alternative," based on the year in which the participant turns age 65.

Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Vesting of Employer matching contributions and actual earnings thereon are based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

Vesting of non-elective discretionary contributions and actual earnings thereon are based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3	100%

Notes from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000. As of December 31, 2022 and 2021, the loans are secured by the balance in the participant's account, and bear interest rates ranging from 4.00% to 8.00% and mature through July 2043. Loan terms are up to five years and may be longer for the purchase of a primary residence of the participant. Principal and interest are paid ratably through the bi-monthly payroll deductions. Loans are due and payable upon a participant's termination of employment with the Employer.

Benefit Payments

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are age 59 ½ or older. Participants who qualify for retirement of benefits and withdrawals will receive their benefits as a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. If the total vested account balance under the Plan is between \$1,000 and \$5,000, the vested balance will be automatically rolled over to an individual retirement account selected by the Plan Administrator. For balances of \$1,000 or less, the entire vested account balance will be automatically distributed in a lump-sum payment.

Forfeitures

Participant's accounts are forfeited if the Employer contribution portion has not been fully vested at the time of withdrawal. These amounts may be utilized to reduce Employer contributions and/or pay administrative expenses. As of December 31, 2022 and 2021, there were \$270,552 and \$196,870, respectively, of forfeitures remaining related to non-vested accounts. For the year ended December 31, 2022, the Employer utilized \$246,038 for Employer contributions and \$58,079 for administrative expenses from forfeited non-vested accounts.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net available for plan benefits and changes therein, and when acceptable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for fully benefit-responsive group annuity contract which is reported at contract value. Fair value or contract value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Certain management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. An allowance for credit losses of \$73,972 and \$39,839 has been recorded as of December 31, 2022 and 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan pays the majority of administrative expenses of the Plan. Expenses that are paid by the Company are excluded from these financial statements.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustee and custodian of the Plan, have certified the completeness and accuracy of investments and notes receivable from participants, reflected on the accompanying statements of net assets available for plan benefits and the supplemental Schedule of Assets (Held at End of Year), as of December 31, 2022 and 2021; and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures" (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under U.S. GAAP are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

There have been no changes in the methodologies used at December 31, 2022 and 2021.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts:

Units held in common collective trust (CCT) are valued using the net asset value practical expedient (NAV practical expedient) of the CCT as reported by the CCT managers. The NAV practical expedient is based on fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The following table provides additional information for investments in the CCT that calculates net assets value per share (or its equivalent):

	<u>2022</u>	<u>2021</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>	<u>Redemption Restrictions</u>
T. Rowe Price Fund	\$62,579,257	\$72,092,740	Daily	Daily	None

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. There have been no changes in methodologies used at December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies and total investments in the fair value hierarchy	\$ 95,632,455	\$ -	\$ -	95,632,455
Total investments measured at NAV (a)				<u>62,579,257</u>
Total				<u>\$158,211,712</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies and total investments in the fair value hierarchy	\$110,063,482	\$ -	\$ -	110,063,482
Total investments measured at NAV (a)				<u>72,092,740</u>
Total				<u>\$182,156,222</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – GROUP ANNUITY CONTRACT

The Plan entered into a fully benefit-responsive investment contract with New York Life Insurance Company (NYLIC). NYLIC maintains the contributions in a pooled separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by NYLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. The interest crediting rate is reset quarterly.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Upon occurrence of these events, a market value adjustment or other withdrawal restriction may apply. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6 – INCOME TAX STATUS

The IRS has determined and informed the Employer, by a letter dated November 14, 2022, that the Plan is qualified and the trust established under the Plan is tax-exempt under the appropriate sections of the IRC. Effective October 26, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Great-West Trust Company, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

CETERA FINANCIAL GROUP, INC.
401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 – INCOME TAX STATUS (Continued)

The Plan's administration believes the amendments to the original Plan document will not adversely impact the Plan's compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken on an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Retirement Company. Notes from participants and the related interest income are held by the current trustee and custodian, Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC; and are considered related-party transactions. Notes from participants, are also considered related-party transactions. The recordkeeper, custodian and trustee are considered parties-in-interest.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in funds in which participants can invest in a combination of equity, fixed income securities, and other investments. Investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 9 – PLAN TERMINATION

Although the Board of Trustees has not expressed such intent, the Employer, by action of its Board of Trustees, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested in Employer contributions. Thus, net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 10 – PLAN MERGER

Effective October 26, 2021, the Board of Trustees voted to approve the merger of Bar Financial, LLC 401(k) Profit Sharing Plan into the Plan. As a result of the resolution, the Plan assets of Bar Financials, LLC 401(k) Profit Sharing Plan which total \$3,994,156 were transferred to the control of the Plan.

NOTE 11 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
