Part I	Asset and Liability Statement
--------	-------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Pepin Distributing Company, LLC Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Participants and Administrator
Pepin Distributing Company, LLC
Savings and Retirement Plan
Tampa, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

PEPIN DISTRIBUTING COMPANY, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The Pepin Distributing Company, LLC Savings and Retirement Plan (the Plan), originally effective January 1, 1979, and most recently amended effective December 1, 2022, is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of Pepin Distributing Company, LLC (the Company), as defined. Employees are eligible to participate in the Plan upon their date of hire. The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Contributions

Employees participating in the Plan may elect to contribute either pre-tax or Roth after-tax deferrals up to 92% of eligible compensation, as defined, subject to the maximum of \$20,500 allowed under the Internal Revenue Service (IRS) limitation for the calendar year 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 to the Plan in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan provided for an automatic participant deferral of 6% of the participant's compensation, unless the participant made a contrary election. Effective December 1, 2022, the Plan no longer provides for automatic participant deferrals.

The Company makes discretionary matching contributions to the Plan equal to 50% of the participant's pre-tax salary deferrals up to 6% of compensation. The Company may also elect to make a discretionary non-elective contribution to the Plan each year. A participant must be employed on the last day of the Plan year to be eligible to receive an allocation of the Company's discretionary non-elective contribution. If the participant dies, becomes disabled, or attains normal retirement age during the Plan year, the participant will still be eligible to receive an allocation of the discretionary non-elective contribution. The Company did not elect to make a discretionary non-elective contribution for 2022.

Participant Accounts

Participant accounts are completely self-directed. Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings. Participant accounts are charged with benefit payments and an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's vested account and bear a reasonable rate of interest commensurate with prevailing interest rates. Loans have a maximum term of five years. Principal and interest are paid ratably through payroll deductions.

PEPIN DISTRIBUTING COMPANY, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are immediately vested in their contributions and earnings thereon. Participants vest in employer contributions and earnings thereon based upon years of service and are 100% vested after completion of three years of service. Upon attainment of normal retirement age, death, or permanent disability, Company contributions vest immediately.

Payment of Benefits

Upon termination of service, death, disability, or retirement, if a participant's vested account balance does not exceed \$5,000, the participant may elect to receive the vested account balance in a single lump-sum payment. If the vested account balance is more than \$1,000 and the participant does not make an election, the Plan will automatically roll over the distribution to an IRA. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a series of installments over time. Hardship withdrawals may be requested and are paid in one lump-sum upon approval. In-service distributions from a participant's vested account balance may be made, provided the participant has reached the age of 59 ½. Participants that reached the age of 70 ½ prior to January 1, 2020, are required to take a minimum distribution from their account. Effective January 1, 2020, participants are required to take a minimum distribution from their account upon reaching the age of 72.

Forfeited Accounts

The non-vested portion of a participant's account is forfeited upon termination of employment with the Company. Forfeitures may be used to reduce employer contributions or pay Plan expenses. At December 31, 2022 and 2021, unallocated forfeitures totaled \$39,632 and \$29,692, respectively. No forfeitures were used to reduce employer contributions or pay plan expenses during the year ended December 31, 2022.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain expenses incurred for the general administration of the Plan are included in administrative expenses in the accompanying statement of changes in net assets available for benefits. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments. Any costs associated with the investment of a participant's account are charged to that participant.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

PEPIN DISTRIBUTING COMPANY, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 6 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received primarily through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based on terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 11, 2023, the date the financial statements were issued. No material events have occurred since December 31, 2022, that require recognition or disclosure in the financial statements.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4 - Information Certified by John Hancock Life Insurance Company (U.S.A.) and Fidelity Management Trust Company

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by John Hancock Life Insurance Company (U.S.A.) and Fidelity Management Trust Company as of December 31, 2022 and 2021, and for the year ended December 31, 2022, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Prior to December 1, 2022, the Plan administrator permitted participants to purchase investments through a brokerage window outside of John Hancock Life Insurance Company (U.S.A.) that were not certified. At December 31, 2021, the fair value of uncertified investments included in self-directed brokerage accounts totaled \$2,775,502. Dividend and interest income was \$37,864 for the year ended December 31, 2022. Net depreciation in fair value was \$501,401 for the year ended December 31, 2022. At December 31, 2022, there are no self-directed brokerage accounts held outside of the trust that are not certified.

Note 5 - Risk and Uncertainties

The Plan invests in various investment funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 6 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

PEPIN DISTRIBUTING COMPANY, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2022 and 2021.

Self-Directed Brokerage Accounts: Self-directed brokerage accounts consist of cash and cash equivalents, common and preferred stock, registered investment companies, exchange traded and closed end funds, and unit investment trusts. Shares held in registered investment companies, exchange traded and closed end funds, and unit investment trusts, are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Common stock and preferred stock are valued at the closing price reported on the active market on which the investments are traded. Cash and cash equivalents are valued at cost, which approximates fair value.

Pooled Separate Accounts: The Plan holds units of participation in the separate accounts, which are valued daily at their net asset values as a practical expedient. Net asset value is based on the market value of the underlying investments. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are currently no unfunded commitments on these investments. Redemptions are restricted to two per month. At December 31, 2021, the underlying investments include actively traded mutual funds that include: (i) bond and conservative funds, which invest in fixed-income securities that seek a high level of income; (ii) asset allocation funds, which invest in a combination of assets, such as equities and bonds and seek to provide capital appreciation and income consistent with asset allocation; (iii) balanced funds, which seek to balance growth of capital and current income by investing in a combination of stocks and bonds; and (iv) equity funds, which invest in common stocks and consist of various investment options for various levels of risk tolerance. The separate accounts also include a stable value fund, which seeks to preserve capital and provide stability of principal. At December 31, 2022, the separate accounts include only the stable value fund.

Collective Investment Trusts: The Plan invests in certain Vanguard Fiduciary Trust Company retirement target date collective investment trust funds, which are valued at the net asset value of the units held by the Plan as determined by the issuer of the trusts based on the fair value of the underlying assets less liabilities. Participant transactions may occur daily with no restrictions.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Note 7 - Parties-in-Interest

Certain Plan investments are held and managed by John Hancock Life Insurance Company (U.S.A.) and Fidelity Management Trust Company. These transactions qualify as party-in-interest transactions. Administrative expenses paid to parties-in-interest to the Plan totaled \$56,216 for the year ended December 31, 2022. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 8 - Tax Status

The Plan adopted a non-standardized defined contribution pre-approved plan, which received a favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the pre-approved plan, as then defined, was in compliance with the applicable requirements of the internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

PEPIN DISTRIBUTING COMPANY, LLC SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Non-Exempt Transactions

During the year ended December 31, 2022, the Company did not fully remit \$11 of a participant's deferral into the Plan. This constitutes a prohibited transaction as defined by ERISA. The Company intends to remit the late deferral, including lost earnings, during 2023.
