The Visual Pak Companies 401(k) Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2022

WIPFLI

Independent Auditor's Report

To the Plan Administrator
The Visual Pak Companies 401(k) Plan
Waukegan, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Visual Pak Companies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Visual Pak Companies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Visual Pak Companies 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Visual Pak Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Visual Pak Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Visual Pak Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the The Visual Pak Companies 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, as most recently amended and restated effective January 1, 2022, is a defined contribution plan covering all eligible employees of The Visual Pak Companies (the "Companies"), provided the employee is not represented under a collective bargaining agreement, is not a nonresident alien, is not a leased employee, or is not a resident of Puerto Rico. Participating employers in the Plan include American Blending & Filling Company; ABF Labs, Inc.; Advanced Packaging, LLC; VP Plastics and Engineering, Inc.; Visual Pak Company; Visual Pak Logistics, LLC; Visual Pak Pleasant Prairie, Inc.; Visual Pak San Diego, LLC; VP Xpress, LLC; VPC, LLC; and Cosmetic Laboratories of America, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees are eligible to participate in making voluntary salary-deferral contributions to the Plan and in receiving safe harbor matching contributions from the Companies (see below) upon reaching age 21 and completing three consecutive months of service, as defined.

Employees are eligible to participate in the Companies' profit-sharing contributions upon reaching age 21 and completing 12 consecutive months of service, as defined.

Eligible employees may enter the Plan on the first day of the quarter coinciding with, or following, their fulfillment of the service-eligibility requirements.

Contributions

Each year, participants may contribute a portion of pretax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan under a group annuity contract (GAC).

The Companies provide for a safe harbor matching contribution, which is equal to 100% of a participant's deferral up to 4% of the participant's eligible compensation per payroll period. The Companies may also make discretionary profit-sharing contributions to the Plan for eligible participants who are employed on the last day of the Plan year and have met the hours of service requirement, as defined. During the year ended December 31, 2022, the Companies made safe harbor matching contributions amounting to \$859,061. The Companies did not make a discretionary profit-sharing contribution in 2022.

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's voluntary salary-deferral contributions; the Companies' safe harbor matching contributions; and allocations of (a) the Companies' profit sharing contribution, if any, and (b) plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and rollover contributions and the Companies' safe harbor matching contributions, plus actual earnings thereon. Participants vest in the Companies' discretionary profit-sharing contributions, plus actual earnings thereon, at a rate of 20% per year beginning in Year 2, with a participant being 100% vested after six years of service. Participants are immediately fully vested upon normal retirement (age 65), death, or total and permanent disability.

Forfeitures

Forfeitures are portions of participants' accounts that participants surrender by terminating employment prior to becoming fully vested. Forfeitures of nonvested accounts may first be used to pay administrative expenses, and any remaining amounts will be used to reduce the Companies' contributions. At December 31, 2022 and 2021, forfeited nonvested accounts amounted to \$13,637 and \$0, respectively. During 2022, forfeitures aggregating \$2,775 were used to pay administrative expenses of the Plan.

Notes Receivable From Participants

Plan participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, less their highest outstanding loan balance during the prior 12 months, or 50% of their vested account balance in the Plan. Notes are repaid, with interest, through equal payroll deductions from the participant's compensation over a term of one to five years, unless the note is used to acquire a principal residence, at which time the note can be repaid over a reasonable period of time not to exceed 10 years. The notes are secured by the vested balance in the participant's account and bear interest at rates ranging from 3.25% to 6.25%, which are commensurate with local prevailing rates as determined by the plan administrator.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, as defined, participants may elect to receive an amount equal to the value of the vested interest in their account either in a lump sum, substantially equal installments over a period of years, or partial withdrawals for amounts exceeding \$1,000. In addition, hardship withdrawals out of the participant's pretax elective deferral account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon a participant attaining age 59 1/2.

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for its group annuity insurance contract, which is reported at contract value (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The group annuity insurance contract is reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the Plan document.

Administrative Expenses

Plan expenses directly attributable to a participant, such as loan fees and withdrawal fees, are paid by the applicable participant. Professional fees and certain administrative expenses incurred by the Plan are paid by the Companies. Expenses paid by the Companies are excluded from these financial statements. To the extent not covered by the Companies, all other expenses are paid by the Plan. Investment-related expenses are included in net depreciation in fair value of investments.

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2023, which is the date the financial statements were available to be issued.

Effective January 1, 2023, two of the participating employers opted out of the Plan.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

Pooled separate accounts: Investments in pooled separate accounts are represented by a "unit of account" whose value is the result of the accumulated values of the underlying investments. The underlying investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Investment assets measured at NAV	\$ -	\$ -	\$ -	\$ 18,664,070

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investment assets measured at NAV	\$ -	\$ -	\$ -	\$ 21,037,484

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Fair Value of Investments that are Measured Using NAV as a Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	2022 Fair Value	2021 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 18,664,070	\$ 21,037,484	N/A	Daily	Daily

Note 4: Contract with Insurance Company

The Plan has entered into a group annuity contract with The Standard Insurance Company (Standard), the Custodian of the Plan, as of July 1, 2008, and as most recently amended on July 1, 2017. The Custodian maintains these contributions in a "general account" referred to as the Standard Stable Asset Fund (SAF). The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses by the Custodian. The annuity contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The general account is included in the financial statements at contract value, which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses, because it is fully benefit-responsive. The general account is considered fairly valued at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.0%. Such interest rates are reviewed and reset on a quarterly basis. The average yield and crediting yield was 1.88% and 1.85% for the years ended December 31, 2022 and 2021, respectively.

Certain events may limit the Plan's ability to transact at contract value with Standard. Such events include the following: a) termination of the SAF; b) spin-offs, divestitures, layoffs, corporate relocation, partial or whole plan termination; c) retirement incentive programs; and d) the liberalization of plan withdrawal or transfer rules. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring.

Note 5: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Standard, the Custodian of the Plan.

The Visual Pak Companies 401(k) Plan

Notes to Financial Statements

Note 6: Related-Party and Party-in-Interest Transactions

Certain plan investments are managed by the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under the ERISA regulations. Fees paid by the Plan to the Custodian for administrative expenses aggregated \$34,982 for the year ended December 31, 2022. In addition, certain administrative functions are performed by trustees of the Plan or employees of the Companies for which no compensation is received from the Plan for their services.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Companies' profit-sharing contributions.

Note 8: Tax Status

The Companies adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan ("Prototype Plan") sponsored by Standard Retirement Services, Inc., a division of Standard, the Custodian of the Plan. The Prototype Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not requested its own IRS determination letter. The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
