403(b) Thrift Plan of Tulsa Educare, Inc.

Financial Statements and Supplemental Schedule

Year Ended December 31, 2022

Independent Auditor's Report

To the Plan Administrator
403(b) Thrift Plan of Tulsa Educare, Inc.
Tulsa, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Tulsa Educare, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Tulsa Educare, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Tulsa Educare, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Tulsa Educare, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Tulsa Educare, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Tulsa Educare, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan covering all employees of Tulsa Educare, Inc. (the "Employer") not covered under a deferred compensation plan, another qualified cash or deferred arrangement or a collective bargaining agreement sponsored by the Employer. Employees are eligible to make salary reduction contributions upon hire and are eligible to receive Employer matching contributions as of the first day of the month after their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation. The Employer matches 50% of participant's salary reduction contributions up to a maximum match of 3%. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Effective July 1, 2023, the Plan was amended to implement automatic enrollment annual increases. The auto enrollment remains at 2% for the first plan year following the plan year in which the auto enrollment contributions commenced, and increases 1% each year after, not to exceed 6%.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions, and allocations of plan earnings (losses) and forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their contributions, plus actual earnings thereon and become 100% vested in the Employer's contributions and earnings thereon upon completing one year of service.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting and Forfeitures (Continued)

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$750 and \$0. Forfeitures are used to pay administrative expenses for the Plan or used to reduce future Employer contributions in accordance with the Plan document. During 2022, no forfeitures were used to reduce Employer contributions.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are secured by the balance in the participant's account and bear interest at a variable rate determined quarterly by the plan administrator based on prevailing market conditions. The interest rate on existing loans is at 3.25%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death or disability, a participant may elect to receive either a single sum equal to the value of the participant's account, or any other method of payment permitted by the contract from which the withdrawal is made. The plan permits in-service distributions for participants who have attained age 59 1/2 or who have incurred a financial hardship from their vested accounts. Any amounts withdrawn due to a hardship must be distributed in a single sum.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(b) Thrift Plan of Tulsa Educare, Inc.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Cash Equivalents

The Plan considers investments in Mutual of America's General Account (i.e. the Interest Accumulation Account) to be a cash equivalent.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment loss.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 and Level 2 inputs were not available. There are no plan assets requiring the use of Level 1 or 3 inputs for the periods presented.

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds held in pooled separate accounts: Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

The following tables summarize investments measured at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds held in pooled separate accounts	\$ -	\$ 3,557,153	\$ -	\$ 3,557,153
Total investment assets at fair value	\$ -	\$ 3,557,153	\$ -	\$ 3,557,153

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds held in pooled separate accounts	\$ -	\$ 3,885,772	\$ -	\$ 3,885,772
Total investment assets at fair value	\$ -	\$ 3,885,772	\$ -	\$ 3,885,772

Note 4: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the Custodian of the Plan.

403(b) Thrift Plan of Tulsa Educare, Inc.

Notes to Financial Statements

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid by revenue sharing, rather than a direct payment. The Employer pays directly certain fees related to the Plan's operations. The direct expenses paid by the Plan to Mutual of America Life Insurance Company were \$1,570 for the year ended December 31, 2022.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions.

Note 7: Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the IRS. The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain the exclusion from tax for plan participants. The Plan's management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
