INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
The National Football League Capital Accumulation Plan -
New Orleans Louisiana Saints LLC,
New Orleans, Louisiana.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The National Football League Capital Accumulation Plan - New Orleans Louisiana Saints LLC (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**The National Football League Capital Accumulation Plan -
New Orleans Louisiana Saints LLC**

December 31, 2022 and 2021

Note 1 - DESCRIPTION OF THE PLAN

The following description of The National Football League Capital Accumulation Plan - New Orleans Louisiana Saints LLC (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions, a copy of which is available from New Orleans Louisiana Saints, L.L.C. (the “Sponsor” and “Employer”).

a) General

The Plan is a defined contribution plan covering all nonplayer employees of the Sponsor who have completed at least 500 hours of service within a 12-month period. If the employee has met the eligibility requirement at another National Football League (NFL) Club, the employee is immediately eligible to participate in the Plan as of the hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan assets are held in the National Football League Reciprocal Trust (“NFL Reciprocal Trust”) which was established to maintain the collective investment and reinvestment of monies contributed by employee benefit plans sponsored by NFL entities. Assets in the NFL Reciprocal Trust attributable to each participating employer plan may be used only for the purpose of providing benefits for such plan. The NFL Reciprocal Trust is a common/collective trust that invests in the various investment options available to the participants of the participating employer plans.

The NFL Employee Benefit Committee (the “Committee”) appointed by the NFL commissioner serves as the Plan Administrator. The Committee is responsible for establishing investment policies for the NFL Reciprocal Trust, selecting the trustee, and retaining investment advisors or other consultants to help manage the Plan’s assets. The Committee is also responsible for amendments to and interpretation of the Plan.

Note 1 - DESCRIPTION OF THE PLAN (Continued)

b) Contributions

Participants may elect to make pretax deferral contributions up to Internal Revenue Code (the “Code”) limitations. Qualified rollover contributions may be made to the Plan by any eligible employee.

On behalf of each eligible employee, the Sponsor will match 50% of the participant’s salary deferral contributions, up to the lesser of 2.5% of the participant’s gross compensation, as defined in the plan document, or \$3,750. Matching contributions were \$265,275 for the year ended December 31, 2022.

The Sponsor may contribute (in addition to the aforementioned matching contribution) a discretionary amount that will be allocated among eligible employees. Eligibility is defined as having completed 1,000 hours of service during the plan year. The discretionary amount is allocated to eligible employees using a flat rate (7.0% for both 2022 and 2021) applied to the employee’s annual compensation (capped at \$305,000 and \$290,000 for 2022 and 2021, respectively). A second allocation is made to employees with annual compensation greater than the Social Security Wage Base (\$147,000 and \$142,800 for 2022 and 2021, respectively) in the amount of 5.7% for 2022 and 2021 of the excess compensation above the Social Security Wage Base. During the year ended December 31, 2022, the Sponsor made discretionary contributions of \$1,681,863, net of forfeitures of \$64,592.

Additionally, the Sponsor will contribute a qualified non-elective contribution (QNEC) where necessary to comply with the nondiscrimination requirements for pretax and matching contributions.

c) Investment Options

Participants direct their elective contributions and all Sponsor contributions into a money market fund or various other investment options offered through the NFL Reciprocal Trust. Participants may change their investment allocations as of the last day of each month. Changes to investment options received after the 25th day of the month will result in changes to their investment options as of the last day of the month following the initial request.

Note 1 - DESCRIPTION OF THE PLAN (Continued)

d) Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, the participant's allocation of the Sponsor's discretionary and qualified nonelective contributions, and allocations of plan earnings and charged with plan losses and an allocation of any administrative expenses paid by the Plan. Allocations of the Sponsor's contributions are based on compensation or salary deferrals, as defined in the plan document. Allocations of plan earnings are based on the participant's share of net earnings from his or her elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e) Vesting

Participants are immediately vested in their salary deferral, rollover contributions, and the Sponsor's matching and qualified nonelective contributions, plus actual earnings or losses thereon.

The Sponsor's discretionary contribution is subject to the following vesting schedule based on the employee's completed years of service:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	40%
3	60%
4	80%
5	100%

f) Notes Receivable from Participants

Participants may request a loan from the balance of their respective accounts. Loans are available to participants who are active employees and other participants, beneficiaries, and alternate payees who are "parties in interest," as defined in Section 3(14) of ERISA. Except for loans issued under certain provisions of the CARES Act, the minimum loan amount is \$1,000 and the maximum amount is \$50,000 or 50% of the participant's vested account balance, whichever is less. The interest rate on loans is the prime rate published in *The Wall Street Journal* on the first business day of the month in which the application is received. Loans are made for fixed terms and cannot exceed five years, unless the loan is for the purchase of a principal residence, in which case the term of the loan cannot exceed ten years. Loan repayments are made each pay period by payroll deduction only. The loan balance may be repaid in full at any time with no penalty

f) Notes Receivable from Participants (Continued)

charge. The loan must be repaid in full upon payment default or termination. If no repayment is made, the loan is treated as a distribution and is subject to income taxes.

g) Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump sum amount equal to the value of their account or a deferred lump sum distribution, as defined in the plan document. If the value of a terminated participant's vested balance does not exceed \$1,000, the entire amount shall be automatically distributed to the participant in a single lump sum. In-service withdrawals of a participant's deferral and nonelective accounts are permitted after attainment of age 59½. In addition, the Plan allows hardship withdrawals for participants who qualify. The amount of the hardship withdrawal shall not exceed the value of the participant's deferral, qualified matching, and qualified nonelective accounts.

h) Forfeited Accounts

Forfeitures are to be used to reduce discretionary contributions and/or matching contributions. Forfeitures of \$64,592 were used to reduce discretionary contributions for the year ended December 31, 2022. As of December 31, 2022 and 2021, there were no forfeited non-vested accounts.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

e) Payable to Participant

During the year ended December 31, 2021, taxes in the amount of \$33,285 were incorrectly withheld from a participant's distribution. This amount is included as a liability as of December 31, 2021, and was paid to the participant on January 28, 2022.

f) Payment of Benefits

Benefits are recorded when paid.

g) Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements.

h) Subsequent Events

The Plan has evaluated subsequent events through October 10, 2023, which is the date the financial statements were available to be issued.

Note 3 - CERTIFIED INFORMATION

Certain information related to investments at fair value and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest on investments, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by PNC Bank, National Association (the trustee of the Plan).

Note 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

•
If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

- *NFL Reciprocal Trust*: Valued at the net asset value (NAV) of units of the National Football League Reciprocal Trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the common/collective trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.
- *Money Market Fund*: Valued at the daily closing price as reported by the fund. The money market fund is an open end mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily NAV and to transact at that price. The money market fund is deemed to be actively traded.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Totals
Money market fund	\$1,212,710	\$ -	\$ -	\$ 1,212,710
Total assets in the fair value hierarchy	<u>\$1,212,710</u>	<u>\$ -</u>	<u>\$ -</u>	1,212,710
Common/collective trust measured at net asset value				<u>34,674,937</u>
Investments at fair value				<u>\$35,887,647</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Totals
Money market fund	\$1,160,576	\$ -	\$ -	\$ 1,160,576
Total assets in the fair value hierarchy	<u>\$1,160,576</u>	<u>\$ -</u>	<u>\$ -</u>	1,160,576
Common/collective trust measured at net asset value				<u>43,630,167</u>
Investments at fair value				<u>\$44,790,743</u>

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value of measurement at the reporting date.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021.

	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2022	2021			
NFL Reciprocal Trust	<u>\$34,674,937</u>	<u>\$43,630,167</u>	<u>\$ -</u>	Withdrawals and transfers are processed on the first business day of the month for all funds.	Requests for withdrawals and transfers must be received no later than the 25 th day of the preceding month.

The NFL Reciprocal Trust is a direct filing entity with the Department of Labor.

Note 5 - RISKS AND UNCERTAINTIES

The Plan's investments in the NFL Reciprocal Trust provide for various investments in equity and other securities. Investment securities, in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the underlying investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in all of their accounts.

Note 7 - INCOME TAX STATUS

The Plan has received its latest determination letter on August 1, 2017, in which the Internal Revenue Service (IRS) stated that the Plan is qualified under Section 401(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - PARTY IN INTEREST TRANSACTIONS

Certain investments of the Plan are managed by PNC Bank. PNC Bank serves as trustee of the Plan and, therefore, these transactions qualify as party in interest transactions. All of these transactions are exempt from prohibited transaction rules under ERISA.
