INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of
Resources Global Professionals 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Resources Global Professionals 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Resources Global Professionals 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Resources Global Professionals 401(k) Savings Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Resources Global Professionals 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Resources Global Professionals 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules: 1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) and 2) Schedule H, Line 4a-Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RESOURCES GLOBAL PROFESSIONALS 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Resources Global Professionals 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan was established effective April 1, 1999 and is a contributory plan covering all eligible employees of Resources Connection, LLC d/b/a Resources Global Professionals (the “Employer”) under Sections 401(a), 501(a), and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2022, the Plan was amended and restated for changes in laws.

In July 2022, the Company resolved to change the Plan’s service provider from John Hancock Trust Company LLC (“John Hancock”) to Fidelity Management Trust Company effective January 1, 2023 (see Note I).

2. Eligibility

Employees of certain companies acquired by the Employer are eligible to participate in the Plan upon employment. All other employees are eligible to participate upon the completion of three months of service. Leased employees are not eligible to participate in the Plan.

3. Contributions

Participants may elect to make pre-tax and/or after-tax Roth contributions from 1% to 75% of their compensation up to the maximum deferral limit per Section 402(g)(1) of the IRC. Additionally, the Plan provides an automatic contribution arrangement for internal employees, as defined, who meet the eligibility requirements; such eligible participants are automatically enrolled in the Plan at a deferral rate of 6%, unless the participant affirmatively elects a greater or lesser percentage (including zero). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may elect to transfer amounts from their non-Roth account to their Roth account in accordance with Section 402A(c)(4) of the IRC.

The Employer may make a discretionary matching contribution to the Plan. During the year ended December 31, 2022, the Employer made matching contributions equal to 50% of the participant’s deferred compensation up to 6% of compensation. In addition, the Employer may make discretionary nonelective contributions to the Plan for participants employed on the last day of the year. There were no nonelective contributions made to the Plan during the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer discretionary matching contribution, and allocations of the Employer discretionary nonelective contribution (if any), and plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may elect to invest their accounts in any of the investment options offered by John Hancock, as approved by the Employer. Participants may change their investment options daily.

6. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to 50% of their vested account balance not to exceed \$50,000 (reduced by the highest outstanding loan balance during the previous twelve months). Loans are secured by the balance of the participant's account and are charged a rate of interest equal to the prime rate plus 1%. Loans must be repaid within five years of the date of issuance or over a longer period (not to exceed 15 years) if the loan is for the purchase of a primary residence. Participants may not have more than two loans outstanding at any time, provided one loan is a general-purpose loan and one loan is a residential loan.

7. Benefit Payments

Upon termination of employment, a participant is entitled to receive his or her vested account balance in a lump sum or in partial payments. When a participant attains normal retirement age, incurs a disability, or dies while employed, the participant or the participant's beneficiary is entitled to 100% of the participant's account balance. Additionally, participants may receive distributions upon attaining age 59 ½ or for financial hardship if certain criteria are met. Account balances less than \$5,000 will be automatically rolled over to an Individual Retirement Account.

8. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to pay reasonable Plan expenses or to reduce future Employer contributions at the Employer's discretion. As of December 31, 2022 and 2021, outstanding forfeitures available were \$315,052 and \$345,183, respectively and are included in net assets available for benefits.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

9. Vesting

Participant contributions and Employer nonelective contributions and actual earnings thereon are fully vested at all times. Employees of certain companies acquired by the Employer are 100% vested in all contributions. Vesting of the Employer matching contribution portion of accounts of all other participants is based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	50%
2	100%

10. Plan Termination

Although it has not expressed such intent, the Employer reserves the right, at any time, to terminate the Plan by action of its Retirement Plan Committee, subject to the provisions of ERISA. Upon termination of the Plan, all participants would become fully vested and contributions to the Plan would cease. The assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and the plan administrator. The administrator of the Plan is responsible for carrying out the duties imposed under ERISA. John Hancock is the Plan's trustee and recordkeeper.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

RESOURCES GLOBAL PROFESSIONALS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits

Benefits are recorded when paid.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

7. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other participant specific fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in the net appreciation/depreciation of fair value of investments.

Certain funds generate revenue sharing credits to offset general administrative fees. For the year ended December 31, 2022 shared revenues totaled \$141,310, which are included in other income, and were used towards expenses included in investment and administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE C - INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock, the trustee, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules.

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment income (loss) and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year) as of December 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

RESOURCES GLOBAL PROFESSIONALS 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Interest-bearing cash: Valued at cost plus interest.

Mutual funds: Valued at daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

Collective trust fund: Valued at the NAV of units of the collective trust fund. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Stable value account: The Plan invests in the New York Stable Value Account, which solely invests in the New York Life Insurance Anchor Account III, a pooled separate account. Fair value of the stable value account is equal to the sum of all amounts credited to the account less the sum of all amount withdrawn from the account. Amounts credited include contributions, interest credited, and dividends, if any. Interest is accrued daily and credited at the end of each month. Amounts withdrawn include expenses, benefit payments made to participants of the Plan, transfers made by participants to non-competing funds, and payments made on contract termination. Withdrawals due to events initiated by the Plan, including total or partial plan termination, mergers, spin-offs, lay-offs, early retirement incentive programs, sales or closings of all or a part of the plan sponsor's operations, bankruptcy or receivership, may be subject to a market value adjustment that cannot exceed a limitation of 5% or 10% of the Plan's portion of amounts held under the contract, as elected by the Plan the first time such an event is initiated. Any withdrawals that exceed the limitation will be subject to a market value adjustment unless the plan sponsor gives 12 months advance written notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

John Hancock is the trustee and John Hancock Retirement Plan Services, LLC is the record-keeper of the Plan. Plan investments are managed and held by the trustee. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

During the years ended December 31, 2022 and 2021, the Employer failed to remit employee contributions totaling \$1,431,514 and \$515,805, respectively, to the Plan on a timely basis in accordance with Department of Labor Regulations. As a result, lost earnings totaling \$28,358 and \$3,891 were or will be remitted and allocated to participants during the years ended December 31, 2023 and 2022, respectively.

NOTE F - TAX STATUS

Effective January 1, 2022, the Employer adopted a Non-Standardized Pre-Approved Profit Sharing Plan (“pre-approved plan”), which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. Prior to January 1, 2022, the Plan received a favorable determination letter from the IRS dated September 27, 2016. Each letter stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. The Plan has been amended since receiving the latest opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature are handled by the administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE I - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023, the Employer adopted a pre-approved defined contribution profit sharing plan and entered into a trust agreement with Fidelity Management Trust Company, as trustee of the Plan and Fidelity Workplace Services LLC, as recordkeeper (collectively "Fidelity"). As a result, all assets were transferred from John Hancock to Fidelity on January 25, 2023.
