INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Concordia Bank & Trust Company 401(k) Plan
Vidalia, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Concordia Bank & Trust Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statement comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Concordia Bank & Trust Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Concordia Bank & Trust Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan covering all full-time employees of Concordia Bank & Trust Company (the Company) and subsidiaries who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - Employees of the Company are eligible to participate in the Plan after completing three months of service within the 12-month period commencing on the employee's hire date. Eligible employees may begin participation in the Plan as of the first day of the first month following completion of the Plan eligibility requirements.

Contributions - Participants may defer a portion of their salaries to their accounts subject to the limitations of the Internal Revenue Code. The Plan utilizes a "safe harbor" design under Internal Revenue Service regulations. In 2022 and 2021, the employer matched participant contributions up to an amount of 100% of the first 4.5% of the participant's salary. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their own contributions plus actual earnings, thereon. For matching contributions made to the Plan and relating to periods of employment on or before December 31, 2013, vesting in the employer's contribution portion of their accounts plus actual earnings, thereon, is based on years of continuous service. Participants vest 20% after two years of service and 20% for each additional year of service. Participants are 100% vested after six years of credited service. Employer contributions made to the Plan and relating to periods of employment on or after January 1, 2014, plus any earnings or losses these amounts generate, are 100% vested at all times. On the participant's normal retirement date, he or she shall be entitled to retire from active service with the Company; and upon attaining age 65, 100% of the value of said participant's account shall vest in him or her. Participants shall become fully vested in their account balances upon disability or death. If a participant terminates his or her employment for any other reason than the ones previously mentioned, he or she shall be entitled to receive the vested percentage of their account balance.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or distributions under a systematic withdrawal plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts - At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7 and \$7, respectively.

Administration - The Plan is administered by a Plan Administrator appointed by the Board of Directors of the Company. The Company pays substantially all administrative costs of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review - Plan management has evaluated events through October 5, 2023, the date the financial statements were available to be issued, and have determined that no additional disclosures are required.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payments of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are, therefore, excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. In addition, certain administrative expenses are paid directly from participant accounts. Examples of these administrative expenses include processing fees, distribution fees, and other administration charges.

NOTE 3 – FAIR VALUE MEASUREMENTS

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Fair Value</u>	<u>Fair Value Measurements Using Quoted Prices in Active Market For Identical Assets (Level 1)</u>
<u>December 31, 2022</u>		
Money market funds	\$ 221,886	\$ 221,886
Mutual funds	5,781,104	5,781,104
Collective trust fund	<u>991,835</u>	<u>991,835</u>
 Total investments at fair value	 <u>\$ 6,994,825</u>	 <u>\$ 6,994,825</u>

	<u>Fair Value</u>	<u>Fair Value Measurements Using Quoted Prices in Active Market For Identical Assets (Level 1)</u>
<u>December 31, 2021</u>		
Money market funds	\$ 1,651	\$ 1,651
Mutual funds	7,381,228	7,381,228
Collective trust fund	<u>706,555</u>	<u>706,555</u>
 Total investments at fair value	 <u>\$ 8,089,434</u>	 <u>\$ 8,089,434</u>

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of money market funds are based on quoted net asset values of the shares as reported by the fund. The fair values of mutual funds are based on quoted market prices.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Common Collective Trust

The Plan is invested in the Fidelity Advisor Stable Value Class I Fund (the Fund), a common/collective trust that invests primarily in fully benefit-responsive investment contracts issued by insurance companies, banks and other financial institutions, and other authorized instruments which are benefit-responsive. The underlying assets owned by the Fund primarily consist of fixed income securities and asset-backed securities.

NOTE 4 – INVESTMENTS

Unaudited Information Certified by the Plan Trustee

The December 31, 2022 and 2021 Statements of Net Assets Available for Benefits, the investment activities included in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes the following at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 6,994,825	\$ 8,089,434
Net appreciation in fair value of investments	(1,733,902)	338,129
Dividends	398,671	699,764

NOTE 5 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by the Trustee of the Plan, Fidelity Management Trust Company.

Company contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments Institutional Services Company, Inc., a related company to Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$0 and \$50 for the years ended December 31, 2022 and 2021, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Additionally, management fees and operating expenses charged to the Plan for investments in money market funds, mutual funds, and common collective trusts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating fees are reflected as a reduction of investment return for such investments.

NOTE 9 - TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity Investment Services, LLC. Fidelity Investment Services, LLC received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2008, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code of 1986, as amended. The Plan itself has not received a determination letter from the IRS, and the Plan document has been amended since the date of the IRS opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 10 - PLAN AMENDMENT

A Plan amendment was adopted during the Plan year ended December 31, 2021. The amendment, effective January 1, 2022, was adopted to change the Plan's Safe Harbor Matching Employer Contribution formula. As of the effective date, the employer's Safe Harbor match is equal to 100% of the first 4.5% of an eligible Participant's compensation contributed to the Plan.
