## INDEPENDENT AUDITOR'S REPORT

MNTN 401(k) Profit Sharing Plan & Trust  
(formally known as SteelHouse, Inc. 401(k) Profit Sharing Plan  
& Trust)  
Austin, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of MNTN 401(k) Profit Sharing Plan & Trust (formally known as SteelHouse, Inc. 401(k) Profit Sharing Plan & Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MNTN 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of MNTN 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MNTN 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MNTN 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MNTN 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2022 and of assets (held at end of year) as of December 31, 2022, ("collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MNTN 401(k) Profit Sharing Plan & Trust  
(formally known as SteelHouse, Inc. 401(k) Profit Sharing Plan & Trust)  
Notes to Financial Statements  
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the MNTN 401(k) Profit Sharing Plan & Trust (formally known as SteelHouse, Inc. 401(k) Profit Sharing Plan & Trust) (the "Plan") provides only general information. The name of the Plan and plan sponsor changed effective July 1, 2021. Participants should refer to the plan documents for a more comprehensive description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by MNTN Digital, Inc. (the "Company" or "Employer"), intended to qualify under Section 401(a) and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 2011. The Plan was most recently amended and restated effective January 1, 2022. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws and the IRC.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Cares ("CARES") Act, related to participant loans and distributions. The Plan has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2022.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Fidelity Management Trust Company ("Trustee") is the trustee and asset custodian of the Plan and is responsible for executing transactions related to the Plan's investments. An affiliate of the Trustee, Fidelity Workplace Services LLC is the Plan's record keeper and is responsible for maintaining participants' accounts and executing participant-initiated transactions of the Plan. As of December 31, 2021, custodial services were provided by Great-West Trust Company, LLC, (the "Custodian") and recordkeeping and administrative services were provided by Empower Retirement ("Empower").

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees age 21 or older become eligible to participate in the Plan and make elective deferrals after completing one month of service as defined by the Plan, and receive Employer profit sharing contributions after completing one year of service as defined by the Plan. The Plan entry dates are immediately upon meeting the eligibility requirements.

Contributions

The Plan provides for employee contributions, as well as Employer profit sharing contributions. Participants may contribute a portion of their pre-tax or after-tax annual compensation subject to an Internal Revenue Service ("IRS") maximum amount which was \$20,500 in 2022. Participants age 50 or over could also contribute an additional \$6,500 to the Plan in 2022. Participants are allowed to rollover contributions from other qualified Employer-sponsored retirement plans. Effective July 1, 2021, the Plan was amended to allow Employer matching contributions of 2% of compensation paid at each payroll period. The Company may make profit sharing contributions equal to a discretionary percentage to be determined from year to year. There were no discretionary Employer profit sharing contributions for 2022.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers from the participant's previous plan), and an allocation of (a) the Company's non-elective profit sharing contributions or discretionary matching contributions, if applicable; and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments of all funds in the Plan.

Vesting

Participants are immediately vested in their tax-deferred contributions plus earnings thereon. A participant is vested in Employer profit sharing contributions in annual increments of 25 percent after the first year of credited service and up to 100 percent after the fourth year of credited service. Effective, July 1, 2021, participants are immediately vested in Employer matching contributions. Participants who terminated prior to June 30, 2021, would be vested in Employer matching contributions under the same annual increments as the Employer profit sharing contributions.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable to participants upon retirement, termination, attainment of age 59 ½, financial hardship (as defined), disability, or to a beneficiary upon a participant's death. If a participant's account balance is less than or equal to \$1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. Balances greater than \$1,000 but less than or equal to \$5,000 will be rolled over to an individual retirement plan designated by the administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, installment payments, or to postpone payment to a later date and remain in the Plan until they are legally required to begin taking distributions.

Participants are permitted to request in-service distributions from their vested Plan accounts at any time after having attained age 59 1/2. Participants may also request distributions of their vested account balance upon incurring a financial hardship, as defined by the Plan and subject to certain restrictions as defined in the Plan documents.

Administrative expenses

Administrative expenses cover the routine expenses for services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Company, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. The Company does not require reimbursement from the Plan for these expenses.

Investment fees, which may vary according to the individual funds selected are paid out of the funds in which the Plan invests (at the fund level).

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the value of their vested account balance. The notes (or "loans") are secured by the balance in the participant's account and bears a fixed interest rate of the published Prime Rate plus 1.0%. Loan terms range from one to five years except for loans for a primary residence, which may be for a longer term. Participants may have two outstanding loans at a time. Principal and interest are paid ratably through monthly payroll deductions. Interest rates on participant notes outstanding as of December 31, 2022, range from 4.25% to 8.00%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Accordingly, actual results could differ from these estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Company, which is the pay date. Company's contributions, if any, are recorded in the year earned to coincide with the year in which the Company records the contributions in its general ledger. The Plan records receivables for contributions based upon contributions recorded in the Plan year but received by the Plan subsequent to year end. Rollover contributions from participants are recorded based on the date the contributions are received by the Plan.

Notes to Financial Statements  
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as deemed distributions based upon the terms of the plan documents.

Forfeitures

Forfeitures are composed of unvested balances at the time of distributions or five years of break in service. Forfeited accounts are used to reduce Company contributions or pay Plan expenses. During the year ended December 31, 2022, no forfeitures were used to reduce Plan expenses or employer contributions. As of December 31, 2022 and 2021, there were \$15 and \$222 in forfeited amounts, respectively.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 4, 2023, the date the financial statements were available for issuance.

Plan management is not aware of any subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule. The Trustee certified that the following data included in the financial statements is complete and accurate:

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)  
(continued)

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2022.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- *Level 1* - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access at the measurement date;
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - inputs are unobservable inputs for the asset or liability and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

*Registered investment companies (mutual funds) and money market fund:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements  
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2022:

|                                    | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Fair Value</u>    |
|------------------------------------|----------------------|----------------|----------------|----------------------|
| Mutual funds and money market fund | <u>\$ 10,255,071</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 10,255,071</u> |

The following table sets forth by level, within the fair value hierarchy, Plan's assets, by type, at fair value as of December 31, 2021:

|                                    | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Fair Value</u>   |
|------------------------------------|---------------------|----------------|----------------|---------------------|
| Mutual funds and money market fund | <u>\$ 6,632,955</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 6,632,955</u> |

5. TAX STATUS

The Plan has adopted the Fidelity Pre-Approved Defined Contribution Plan effective January 1, 2022. The Internal Revenue Service has issued an opinion letter dated June 30, 2020, stating that the Plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become fully vested in their accounts.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party under accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be party-in-interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Trustee also earns compensation in the form of short-term interest (or "float") when funds are received either without investment instructions or past the point in a day when funds can be invested. Such amounts are held by a financial institution and earn interest at an interest rate provided by the financial institution from time to time.

The Plan's sponsor pays certain fees and expenses on behalf of the Plan; these transactions also qualify as exempt party-in-interest transactions.
