INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
AirClean Systems 401(k) Plan
Creedmoor, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of AirClean Systems 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of AirClean Systems 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Bank, as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of AirClean Systems 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AirClean Systems 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AirClean Systems 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AirClean Systems 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the

financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of AirClean Systems 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 7, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a

AIRCLEAN SYSTEMS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN:

The following description of the Applied Medical Technologies, Inc. d/b/a AirClean Systems 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was formed on January 1, 2001 and is a defined contribution plan covering substantially all employees of Applied Medical Technologies, Inc., AMT Group Inc., and CS Medical LLC (jointly the “Company”) who meet the age and service requirements of the Plan. The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Administrative Committee. Charles Schwab Bank serves as the trustee of the Plan (the “Trustee”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In 2021, the Plan was amended to comply with the requirements of the 2017 IRS Cumulative List (IRS Notice 2017-37), the American Taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017 and other applicable guidance.

Related Employers

AMT Group, Inc. and CS Medical LLC are considered related employers as defined in Internal Revenue Code Section 414. These employers and the plan sponsor are treated as a single employer under the provisions of this Plan.

Contributions

Participants may contribute up to one hundred percent of eligible compensation on a pre-tax or after-tax basis (ROTH), subject to the Internal Revenue Code limits upon reaching age twenty-one and after one year of service. Participants who have attained the age of fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Company may contribute a discretionary profit-sharing contribution as determined annually by the Company’s board of directors. All Plan participants are eligible to receive profit sharing contributions, however, the Plan Sponsor has elected to use the employee group allocation method to allocate the discretionary profit sharing contributions. No discretionary profit sharing contributions were made for the years ended December 31, 2022 and 2021, respectively.

See Independent Auditor’s Report

AIRCLEAN SYSTEMS 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****1. DESCRIPTION OF PLAN: (Continued)****Contributions (Continued)**

For 2022 and 2021, the Company contributed a 3% safe harbor nonelective contribution equal to 3 percent of the participant's eligible compensation as determined on an annual basis. The employer safe harbor nonelective contribution was \$243,500 and \$232,872 for the years ended December 31, 2022 and 2021, respectively. The safe harbor nonelective contribution is made whether or not the participant is employed at the end of the Plan year and regardless of the number of hours of service performed during the year. The Company also had a discretionary profit sharing contribution, net of forfeitures, in the amount of \$34,869 and \$41,034 for the years ended December 31, 2022 and 2021, respectively.

Investment Options

Participants direct the investment of their contributions into any of the various investment options offered by the Plan. Company matching contributions are allocated in the same manner as employee deferrals. Enrolled participants have their deferral rate set at 3% of their eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, and an allocation of Plan earnings. Each account is charged with an allocation of administrative and fund expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus the actual earnings thereon as well as their employer nonelective safe harbor contributions and rollover contributions, if any. Vesting in the Company's profit sharing contribution is based on years of service. A participant is 100 percent vested after six years of credited service.

Loans are not available to participants under the plan document.

Payment of Benefits

Upon termination of service due to retirement, death, or disability, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in his or her account. The Plan Administrator may, in its discretion, permit participants to take multiple distributions of their vested balance, a partial distribution or installment payments to satisfy required minimum distribution rules. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants who have terminated employment and have an account balance less than \$5,000 can have their balances involuntarily distributed.

Forfeitures

A non-vested portion of a participant's account at the time of separation of service shall become a forfeiture on or as soon as administratively practical following the earlier of a break in service, or the distribution of the participant's vested account balance. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,732 and \$865, respectively. The non-vested portion of a terminated participant's account is forfeited and used to reduce future Company contributions or fees. The Company's contributions were used to reduce contributions by \$865 and \$0 from forfeitures for the 2022 and 2021 plan years, respectively. The Company's fees were reduced by \$1,904 and \$364 from forfeitures for the 2022 and 2021 plan years, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

See Independent Auditor's Report

AIRCLEAN SYSTEMS 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)****Use of Estimates and Assumptions**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment performance includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the AMT Group. Expenses paid by AMT Group include payments to MVP Plan Administrators for plan administration and Gordon Asset Management for investment advisory services and are excluded from these financial statements. Fees charged by the investment are charged directly to the participant's account and are included in the net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

3. CERTIFIED FINANCIAL DATA: (Unaudited)

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee, Charles Schwab Bank, as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	December 31	
	2022	2021
Investments, at Fair Value		
Mutual Funds	\$ 5,459,407	\$ 5,973,244
Money Market Funds and Cash	188,636	149,237
Investment Income (Loss) *	\$ (834,594)	\$ 648,993

* Net of Fees

Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that was certified by the Trustee, Charles Schwab Bank, except for comparing such information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

See Independent Auditor's Report

AIRCLEAN SYSTEMS 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****4. FAIR VALUE MEASUREMENTS: (Continued)**

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2022 and 2021.

Mutual Funds: Valued at the daily quoted closing price as reported by the fund at year end. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Accounts – Valued at original costs, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS: (Continued)

The following table set forth, by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,459,407	\$ -	\$ -	\$ 5,459,407
Money Market Funds	188,636	-	-	188,636
Total Assets at Fair Value	<u>\$ 5,648,043</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,648,043</u>
Investments measured at NAV *				-
Investments at fair value				<u>\$ 5,648,043</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,973,244	\$ -	\$ -	\$ 5,973,244
Money Market Funds	149,237	-	-	149,237
Total Assets at Fair Value	<u>\$ 6,122,481</u>	<u>\$ -</u>	<u>\$ -</u>	<u>6,122,481</u>
Investments measured at NAV *				-
Investments at fair value				<u>\$ 6,122,481</u>

*In accordance with Subtopic 820-10 as amended by ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value represents in this table are intended to permit reconciliation of the fair value hierarchy table to the line item presented in the statement of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022 and 2021, there were no significant transfers in or out of Levels 1, 2 or 3.

See Independent Auditor's Report

AIRCLEAN SYSTEMS 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****5. RELATED PARTY TRANSACTIONS:**

All of the Plan's assets are invested in funds that are managed by the Trustee. The Plan invests in accounts offered by the Trustee called the Schwab Bank Savings and the uninvested cash account. These transactions qualify as party-in-interest transactions. Fees directly paid to Charles Schwab Bank were \$1,904 and \$1,475 for the years ended December 31, 2022 and 2021, respectively.

Fees paid to the third party administrator for recordkeeping for the Plan totaled \$3,117 and \$2,659 for the years ended December 31, 2022 and 2021, respectively. No fees were paid to the third-party administrator for advisory and management fees during 2022 and 2021, respectively. The Company provides limited administrative services to the Plan at no cost to the Plan.

6. CONCENTRATIONS:

The trust maintains its cash balances in one financial institution. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 at the participant level and not at the plan level because defined contribution plans are not considered "self-insured" by the FDIC. On December 31, 2022 and 2021, the participant's uninsured cash balances did not exceed FDIC insurance limits.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the employer contribution portion of their accounts.

8. TAX STATUS:

The Company adopted the MVP Plan Administrators Inc. Non-Standardized Pre-Approved Profit-Sharing Plan with CODA effective January 1, 2001 which was restated January 1, 2021. The prototype plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC.) Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the North Carolina Department of Revenue. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
