INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
North Coast Logistics, Inc. Employee Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of North Coast Logistics, Inc. Employee Salary Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Coast Logistics, Inc. Employee Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Coast Logistics, Inc. Employee Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Coast Logistics, Inc. Employee Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Coast Logistics, Inc. Employee Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
North Coast Logistics, Inc. Employee Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of North Coast Logistics, Inc. Employee Salary Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Coast Logistics, Inc. Employee Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Coast Logistics, Inc. Employee Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Coast Logistics, Inc. Employee Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NORTH COAST LOGISTICS, INC. EMPLOYEE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the North Coast Logistics, Inc. Employee Salary Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a profit sharing and 401(k) plan that provides retirement income to substantially all employees of North Coast Logistics, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is funded with a group annuity contract (the "Contract") issued by Voya Retirement Insurance and Annuity Company ("Voya"), custodian of the Plan's assets. The Contract offers a fixed interest investment option, backed by Voya's general account, and several variable investment options (mutual funds) in a Voya pooled separate account. Each investment is invested by Voya exclusively in shares of the specific mutual fund directed by the participant. Amounts allocated to pooled separate accounts are credited to a participant's account in the form of accumulation units.

Administration: The Plan is administered by the Company.

Eligibility: To be eligible to participate in the Plan, an employee must have completed at least six months of service and be 21 years of age or older. Employees may enter the Plan on the first day of the quarter coinciding with or next following the date of completion of the eligibility requirements. Leased employees and union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the Plan, are not eligible to participate in the plan.

Contributions: Participants may contribute up to 100% of their pre-tax annual compensation, as defined by the Plan, into their accounts subject to Internal Revenue Service limitations. Participants who have attained age 50 before the close of the calendar year are eligible to make catch-up contributions totaling \$6,500 in 2022. The Plan also permits rollover contributions from other qualified pre-tax retirement plans. Participants direct the contributions into various investment options offered by the Plan.

The Company may elect to make qualified non-elective contributions and qualified matching contributions to the Plan on behalf of all qualified participants. Discretionary qualified non-elective contributions are determined annually, contributed on a per pay basis, and are allocated using a flat dollar formula. Under this formula, all eligible employees will receive the same dollar amount each pay. There were no discretionary qualified non-elective contributions made during 2022. Discretionary qualified matching contributions are determined annually and are equal to a specified percentage of the elective deferral of each contributing participant. During 2022, the Company matched 50% of the first 6% of a participant's contributions up to 3%.

In addition to the qualified non-elective contributions and qualified matching contributions, the Company may also make discretionary profit-sharing contributions. Profit-sharing contributions, if any, will be allocated to each eligible employee who is employed on the last day of the Plan year. Profit-sharing contributions will be made regardless of whether the employee has made a salary deferral and are allocated as a percentage of participant compensation to all eligible participants, as defined. There were no discretionary profit-sharing contributions during 2022.

Participant accounts: Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions, if any, plan earnings, and charged with an allocation of the Plan's administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Each participant is immediately vested in their voluntary salary deferral contributions and Company qualified non-elective contributions, plus actual earnings thereon. Vesting in discretionary qualified matching contributions and employer profit sharing contributions is based on years of service with the Company, based on the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes receivable from participants: The Plan allows participants to obtain up to two outstanding loans at the same time from the Plan. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of \$50,000 or 50% of the participant's vested account balance with a minimum of \$1,000; the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence; the loans are secured by 50% of the participant's account with interest charged at a rate set by the Plan administrator. The Plan administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate will be fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits: Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is \$5,000 or less at the time of termination of service, the participant's account balance is automatically distributed. Actively employed participants may begin receiving distributions at age 59½. In the case of hardship, a participant may apply for a distribution as described in the Plan agreement.

Forfeited accounts: Forfeited nonvested accounts are to be used to reduce future employer contributions or may be used to pay administrative expenses of the Plan. Forfeited non-vested accounts on December 31, 2022 and 2021 totaled \$9,307 and \$0, respectively. No forfeited accounts were used to reduce employer matching contributions during 2022.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Notes receivable from participants: Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Investment valuation and income recognition: Other than the Plan's investment in a fully benefit responsive investment contract, investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, *Fair Value Measurements*, for discussion of fair value measurements. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, because contract value is the amount Plan participants expect to receive when executing transactions under the terms of the contract and Plan provisions. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, and dividends are recorded on the ex-dividend date. Net gain (loss) from pooled separate accounts is included in net appreciation (depreciation) in fair value of investments and includes the Plan's gains and losses on investments bought and sold as well as held during the year, along with any capital gain distributions received.

Benefit payments: Benefit payments to participants are recorded when paid.

Administrative expenses: Certain administrative expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits.

Subsequent events: In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value of the units held by the Plan at year end. The net asset value (“NAV”) as provided by the custodian is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. The pooled separate accounts do not have finite lives, unfunded commitments relating to those types of investments, or significant restriction on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 1,415,533
Investments at fair value	\$ -	\$ -	\$ -	\$ 1,415,533

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 1,961,723
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,961,723</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The fixed account is a guaranteed return contract with a quarterly interest rate guarantee. Deposits are guaranteed in both principal and interest by Voya. Amounts are held in Voya's general account and are credited on a net daily basis at annual effective rates. Interest crediting rates are reviewed on a semiannual basis for resetting but may not be less than 1 percent. When establishing the crediting rate for this product, Voya considers many factors, including market conditions, the general interest rate environment, and both the expected and annual experience of a referenced portfolio within the issuers' general account. This contract is fully benefit responsive and is reported at contract value. The fair market value is equal to contract value less any contingent deferred sales charge, if applicable. The fixed contract does not have a maturity date. The fixed contract's provisions do not provide for a distribution at book value at some specified future date. A contract holder can request a lump sum distribution with a market value adjustment. The fixed contract continues in force until all assets have been distributed, or no further payments are due.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Voya Retirement Insurance and Annuity Company, the custodian, holds the Plan's investments and executed investment transactions.

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by or derived from information prepared and certified by the custodian and furnished to the plan administrator:

	2022	2021
Investments, at fair value	\$ 1,415,533	\$ 1,961,723
Investments, at contract value	150,972	41,839
Notes receivable from participants	<u>51,307</u>	<u>63,651</u>
	<u>\$ 1,617,812</u>	<u>\$ 2,067,213</u>
Additions to (deductions from) net assets:		
Interest and dividends	\$ 1,419	
Interest income on notes receivable from participants	1,981	
Net depreciation in fair value of investments	333,931	

NOTE 6 – INCOME TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the IRS on the pre-approved plan indicating that the pre-approved plan is qualified under Section 401 of the Internal Revenue code (“IRC”) and is therefore not subject to tax under current income tax law. The pre-approved plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan has not individually sought its own determination letter.

NOTE 7 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of units of investment accounts under a group annuity contract managed by Voya Retirement Insurance and Annuity Company or its affiliated entities. Voya Retirement Insurance and Annuity Company is the custodian of the Plan’s assets, as defined by the Plan, and therefore, these transactions are qualified as party-in-interest transactions.

Two directors of the Company are the trustees of the Plan, as defined in the Plan document.

The Plan issues notes receivable to participants which are secured by the balances in the participants’ accounts. These transactions qualify as party-in-interest transactions.

NOTE 9 – PLAN TERMINATION

Although the Plan’s management has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements:	\$ 1,617,812	\$ 2,070,978
Employee contribution receivable	-	(2,717)
Employer contribution receivable	-	(1,048)
Deemed distributions of notes receivable from participants	<u>(13,077)</u>	<u>-</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 1,604,735</u>	<u>\$ 2,067,213</u>

The following is a reconciliation of net change in net assets available for benefits per the financial statements for 2022 to Form 5500:

Net change in net assets available for benefits per the financial statements:	\$ (453,166)
Change in employee contribution receivable	2,717
Change in employer contribution receivable	1,048
Activity on notes receivable from participants deemed to be in default:	
Change in deemed distributions	<u>(13,077)</u>
Net change in net assets available for benefits per the Form 5500	<u>\$ (462,478)</u>

The Plan prepares its Form 5500 on the modified cash basis and, accordingly, does not record receivables for contributions. Deemed distributions of notes receivable from participants with no post-default payment activity are disregarded for Form 5500 purposes.
