REPORT OF INDEPENDENT AUDITOR

TO THE PLAN ADMINISTRATOR OF
BOSTON VALLEY POTTERY 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the Boston Valley Pottery 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOSTON VALLEY POTTERY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The Boston Valley Pottery 401(k) Plan (the Plan) is a defined contribution plan established January 1, 1995 that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan covers substantially all non-union employees of Boston Valley Pottery, Inc. (the Plan Sponsor). Due to a change in legal structure, the Plan was amended to name Boston Valley Terra Cotta, LLC as Plan Sponsor effective October 29, 2021. This transaction did not affect the operations of the Plan.

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

Eligible employees of the Plan Sponsor who have attained age 18 and have completed one year of service, as defined, are eligible to participate in the Plan. The plan entry dates are January 1, April 1, July 1, and October 1 of each year.

CONTRIBUTIONS

Participants may elect to defer a specified percentage of pre-tax compensation, as defined, not to exceed Internal Revenue Code limitations. Participants may also make after-tax Roth elective contributions.

In addition, the Plan Sponsor may make discretionary non-elective contributions to all eligible participants that are actively employed on the last day of the Plan year. These contributions are allocated based on a formula as defined in the Plan Document. The Plan Sponsor made discretionary contributions of approximately \$0 and \$41,200 for the years ended December 31, 2022 and 2021, respectively.

VESTING

Participants are immediately vested in their elective deferral contributions. Participants hired prior to January 1, 2005 are immediately vested in all Plan Sponsor contributions.

BOSTON VALLEY POTTERY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

The vesting percentage in the Plan Sponsor's discretionary contributions for participants who were hired after January 1, 2005, is shown in the following schedule:

<u>Vesting Service</u> <u>(credited years)</u>	<u>Vesting</u> <u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

FORFEITURES

Participants hired after January 1, 2005 who leave the Plan Sponsor with less than six years of service forfeit the non-vested portion of the Plan Sponsor's discretionary contributions. Forfeitures are available to reduce expenses associated with the Plan's administration or offset future Plan Sponsor contributions. Approximately \$3,300 and \$900 of forfeitures were used to offset Plan expenses during 2022 and 2021, respectively. At December 31, 2022, the Plan had approximately \$500 of forfeited balances.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' eligible, non-forfeitable accrued benefit. In addition, participants may only have one loan outstanding, generally at a maximum five-year term (longer for primary residence purchase). Loans are subject to a minimum of \$1,000, and bear interest at a prime-based rate.

PLAN TERMINATION

The Plan Sponsor intends to continue the Plan indefinitely, but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accrued benefits.

BOSTON VALLEY POTTERY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records are maintained on the accrual basis.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

INTEREST BEARING CASH AND EQUIVALENTS

The Plan considers all highly liquid investments with a maturity of three months or less to be cash and equivalents, including investments in money market funds.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

BOSTON VALLEY POTTERY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.
- Interest bearing cash and equivalents – Investments in money market funds are valued based on quoted net asset values of shares held by the Plan.
- Deferred variable annuity contracts – The Plan's units of participation are valued using net asset value of the underlying pooled separate account investments as a practical expedient, as reported by the investment manager. See note 5 for additional information on these contracts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2022 and 2021, and net investment gain (loss) from registered investment companies & deferred variable annuity contracts, and interest income for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company (Ascensus), and Guardian Insurance & Annuity Company (Guardian), the custodians of the Plan (qualified institutions).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. CONTRACTS WITH INSURANCE COMPANIES

Starting in 2013, the Plan entered into a series of deferred variable annuity contracts with Guardian. These contracts represent an investment option which provides a guaranteed annuity payment at retirement with the opportunity for market growth. Various contract riders may be added to provide different guaranteed levels of growth or death benefits for a fee.

As disclosed in Note 3, these contracts are held in underlying pooled separate account investments, which are recorded at net asset value as a practical expedient. However, withdrawals from the account within 7 years of deposit may be subject to a sliding surrender charge (from 8% to 3%). As of December 31, 2022 and 2021, the cash surrender value of these contracts is approximately \$171,000 and \$212,000, respectively (compared to the net asset value of approximately \$173,000 and \$214,000, respectively).

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in deferred variable annuity contracts managed by Guardian, one of the custodians of the Plan. In addition, certain Plan investments consist of mutual funds and a money market fund managed by The Vanguard Group, Inc. (Vanguard), the recordkeeper of the Plan. Further, Vanguard has entered into an agreement with Ascensus, Inc., an affiliate of one of the custodians of the Plan, to provide certain administrative services on its behalf. Therefore, these transactions and account balances qualify as party-in-interest.

BOSTON VALLEY POTTERY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

The Plan incurs various management fees for its investments in registered investment companies and deferred variable annuity contracts. These costs are not reflected separately, but are included in the net investment return of these investments.

An asset-based fee is deducted from participant accounts quarterly to cover the costs of plan administration, including recordkeeping and plan investment advisory services. Other direct expenses paid from Plan assets include loan initiation & withdrawal fees deducted from the respective participant accounts. In addition, various riders, surrender charges and other fees were incurred related to the deferred variable annuity contracts (approximately \$2,000 per year in 2022 and 2021).

Any services not paid by the Plan were provided at the expense of the Plan Sponsor.

7. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying pre-approved plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this opinion letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps to maintain the Plan's qualified status.

The Plan Sponsor has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2019.

8. SUBSEQUENT EVENT

Effective January 1, 2023, the Plan was restated to amend a number of provisions. The eligibility service requirement was reduced from one year to one month, and entry dates were changed from quarterly to monthly. An automatic contribution arrangement was implemented for all new entrants on or after January 1, 2023 and a safe harbor matching contribution was added.
