Independent Auditors' Report

To the Trustees of
Network for Teaching Entrepreneurship 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Network for Teaching Entrepreneurship 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Network for Teaching Entrepreneurship 403(b) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Network for Teaching Entrepreneurship 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of the
Network for Teaching Entrepreneurship 403(b) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of the
Network for Teaching Entrepreneurship 403(b) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Network for Teaching Entrepreneurship 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan

The following description of the Network for Teaching Entrepreneurship 403(b) Plan (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by the Network for Teaching Entrepreneurship (the “Company”) as of July 1, 1993 covering all eligible employees who have attained the age of 18. Eligible participants can make elective deferrals beginning on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Massachusetts Mutual Life Insurance (“MassMutual”) and AXA Equitable Life Insurance Company (“AXA”) are the recordkeepers of the Plan. Assets of the Plan are held by AXA and Reliance Trust Company (“Reliance”) and Empower Retirement, LLC (“Empower”).

On June 17, 2022, the plan assets were liquidated and transferred from Reliance to Empower and subsequently reinvested on June 21, 2022. There was a blackout period from June 17, 2022 to June 20, 2022.

Contributions

The Company makes a discretionary matching employer contribution on behalf of each eligible participant in an amount equal to one-half of the participant’s contribution percentage up to 6% of the participant’s eligible compensation on a per payroll basis. Participants are eligible for the Plan’s matching contributions after completing at least 1,000 hours of service with the Company during the year.

Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans, subject to limitations defined in the Plan agreement. Any rollover amount into the Plan is fully vested and non-forfeitable. Contributions are subject to certain limitations as permitted under the Internal Revenue Code.

Investment Options

All of the Plan’s investment options are fully participant directed. Participants may direct the investment of their account balances into any of the Plan’s available investment options.

Participant Accounts

The Plan maintains individual accounts for each Plan participant. Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions and an allocation of the Plan’s investment earnings and losses and charged for benefits paid and certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Network for Teaching Entrepreneurship 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. These loans are secured by the balance in the participant's account, require approval of the Plan Administrator, and bear interest equal to the prime rate plus 1% at the time of loan origination.

Loan payments are made through payroll deductions in equal installments over a period that may not exceed thirty years for the purchase of primary residence and five years for other loans, from the date the loan was made. The maximum number of loans a participant can have at one time is four.

Forfeited Accounts

If a participant leaves the Company before becoming fully vested, any nonvested employer contributions, if any, and investment earning thereon are forfeited. These forfeitures are used to either reduce subsequent employer matching contributions to the Plan or reduce reasonable expenses for administering the Plan. The balance in the forfeitures account as of December 31, 2022 and 2021 was \$1,771 and \$1,641, respectively.

Vesting

Participants become vested in the Company's contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years or more	100%

Payment of Benefits

The payment of benefits can be made upon severance from employment, disability, or death, as defined by the Plan. For termination of services for other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Network for Teaching Entrepreneurship 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Employer Contributions Receivable

During 2021, a true up was assessed for a valuation for amounts owed to certain participants for matching contributions. Employer contributions receivable amounted to \$7,049 at December 31, 2022 and 2021.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by investment advisors, custodians, and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

Plan management has reviewed subsequent events and transactions that occurred after December 31, 2022 through the date of the independent auditors' report and the date the financial statements were available to be issued, October 11, 2023. The financial statements include all events or transactions, including estimates, required to be recognized in accordance with generally accepted accounting principles. Management has determined that there are no non-recognized subsequent events that require additional disclosure.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Network for Teaching Entrepreneurship 403(b) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Pooled separate accounts: Valued at their accumulation unit value (“AUV”) which approximates fair value. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund’s dividends and the separate account charges (i.e., the daily asset charge). The Plan’s investments in the pooled separate accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments.

Guaranteed interest option (“GIO”): The value of the GIO is reported at contract value which approximates fair value. Fair value equals accumulated cash contributions and interest credited to the Plan’s contract, less any withdrawals and applicable fees. The GIO is not deemed to be a fully benefit-responsive contract.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021:

	2022		
	Level 1	Level 2	Total

4. Information Certified by Trustee (Unaudited)

Certain information related to investments and notes receivable from participants is disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance, Empower, and AXA (the custodians of the Plan). The Plan administrator has obtained certifications from the custodians that such information is complete and accurate:

	2022	2021
Statement of Net Assets Available for Benefits:		
Investments at fair value	\$ 5,175,901	\$ 6,304,254
Notes receivable from participants	44,928	26,696
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation (depreciation) in fair value of investments	\$ (1,261,482)	\$ 555,467
Dividends	218,049	300,382
Interest income from notes receivable from participants	2,405	549
Supplemental Schedule: All investment balances and information included in the schedule and in Note 3.		

On June 17, 2022, the plan assets were liquidated and transferred from Reliance to Empower and subsequently reinvested on June 21, 2022. There was a blackout period from June 17, 2022 to June 20, 2022.

5. Exempt Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by MassMutual, Reliance, AXA, and Empower. Reliance, AXA, and Empower are the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

6. QMAC Contribution

It was determined that the incorrect definition of compensation was used for several participants during the year. In order to properly correct this matter, the Plan has entered the self-correction program. In 2021, the Plan Sponsor made a qualified matching contribution in the amount of \$1,252 to correct this error.

7. QNEC Contribution

It was determined that the incorrect breakout of Roth and Pre-tax elections were used for one participant during the years of 2018 through 2021. In order to properly correct this matter, the Plan has entered the self-correction program. In 2021, the Plan Sponsor made a qualified non-elective contribution in the amount of \$2,155 to correct this error.

8. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

9. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the Internal revenue Service (IRS) in Revenue Procedure 2007-71. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

As of the date of the financial statements, the Plan was not required to have a favorable determination letter from the Internal Revenue Service to confirm its tax-exempt status. However, in the opinion of the Plan's administrator, the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statement of net assets available for benefits.
