INDEPENDENT AUDITOR'S REPORT

To the Benefits Committee and Participants of
Centerbridge Partners, L.P. Incentive Savings Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Centerbridge Partners, L.P. Incentive Savings Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Centerbridge Partners, L.P. Incentive Savings Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centerbridge Partners, L.P. Incentive Savings Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centerbridge Partners, L.P. Incentive Savings Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centerbridge Partners, L.P. Incentive Savings Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centerbridge Partners, L.P. Incentive Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Centerbridge Partners, L.P. Incentive Savings Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Centerbridge Partners, L.P. (the "Company") established a 401(k) plan effective January 12, 2006, known as the Centerbridge Partners, L.P. Incentive Savings Trust for the exclusive benefit of its eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

General

The Plan is a defined contribution plan covering all employees of the Company other than non-resident aliens with no U.S. earned income, and those whose employment arrangements contemplate less than 1,000 hours of service during a Plan year. Employees become eligible to participate in the Plan as of their date of hire.

Administration

The Company is the Plan administrator and is responsible for providing the participants and their beneficiaries with information about their rights and benefits under the Plan.

Contributions

Eligible employees can enter the Plan upon their date of hire and may contribute up to 75% of their eligible compensation, as defined by the Plan, up to the Internal Revenue Code maximum allowance of \$20,500 in 2022. Catch-up contributions are permitted for those participants over age 50 up to \$6,500, increasing the maximum allowance to \$27,000. The Plan allows for Roth contributions.

The Company provides for a 3% safe harbor non-elective employer contribution each year for all non-highly compensated participants. The Company may also provide for a discretionary non-elective employer contribution, at their discretion, for the non-highly compensated participants. Safe harbor non-elective and discretionary non-elective contributions are based on a percentage of a participant's compensation. During 2022, the Company provided discretionary non-elective employer contributions for non-highly compensated individuals ranging from 2% to 10.28%, depending on an individual participant's allocation group.

In addition, the Company can provide discretionary non-elective employer contributions of an amount determined by the Company each year. During the year, the Company provided discretionary non-elective employer contributions ranging from 2.57% to 11.31% to highly compensated individuals employed at the end of the year based on the individual participant's allocation group. Participants are eligible for safe harbor non-elective employer contribution and discretionary contributions if they have completed three months of service and are employed as of the last day of the Plan year. Entry dates for participants to receive safe harbor non-elective employer contribution and discretionary contributions are the first day of each Plan year and the first day of the fourth, seventh, and tenth month of each Plan year, once they have met the eligibility requirement.

Participants direct the investment of their contributions and Company contributions into the various investment options offered by the Plan. Participants may also elect to transfer up to 95% of their individual balances into a self-directed brokerage account, where they may direct their investments into additional investment options.

Participant Accounts

Each participant's account is credited with any contributions from the participant as well as the employer and related earnings, losses, withdrawals and fees. The participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting of Benefits

Participants are always fully vested in the value of their own contributions and the Company's contributions.

Notes Receivable from Participants

At the discretion of, and subject to, the terms as set forth in the Plan document, loans may be made to a participant of not less than \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's total vested balance. The notes receivable bear interest and, in general, repayment must be made over a period not to exceed five years, except for loans used to purchase a principal residence which must be made over a period not to exceed ten years. As of December 31, 2022 and 2021, the interest rates on the outstanding loans ranged from 4.25% to 6.50%.

Payment of Benefits

Upon termination of service or death, the participant, or the designated beneficiary, may elect to receive a single lump-sum payment in cash or to transfer their vested benefits to another qualified plan or to an individual retirement account. The Plan also allows for certain distributions after a participant attains the age of 59-1/2 or in the event of certain hardships. In-service distributions of vested employer discretionary contributions are allowed for participants with at least two years of participation in the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value. Refer to Note 5 – Fair Value Measurements for related disclosures.

Purchases and sales of securities are recorded on a trade-date basis. Investment interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Centerbridge Partners, L.P. Incentive Savings Trust
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued but unpaid interest. Interest income from notes receivable is recorded when earned. No allowance for losses is deemed necessary by the Plan management. Principal and interest are repaid through payroll deductions. Upon default, these receivables are deemed to be a distribution to the participant.

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Expenses

During the year ended December 31, 2022, \$127,871 was paid directly from the assets of the Plan for administrative expenses. Investment fees are included in net depreciation in the fair value of investments and are not readily determinable.

3. INCOME TAX STATUS

The Plan adopted a volume submitter plan document which received its latest opinion letter dated June 30, 2020 indicating that the Plan is qualified and that the trust established under the Plan is tax exempt under the appropriate section of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS") or the Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in process. There are no tax related interest or penalties included in the financial statements presented.

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company (the "Trustee") has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2022 and 2021 in the accompanying statements of net assets available for benefits and the net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits, as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with the related information included in the financial statements and supplemental schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

5. FAIR VALUE MEASUREMENTS

The Plan's investments are recorded at fair value in accordance with the accounting pronouncement on fair value measurements, which established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: Valued at the closing prices reported on the active market on which the individual securities are traded.

Common Collective Trust: The common collective trust is valued at the net asset value as provided by the trustee which represents a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. There were no unfunded commitments or redemption restrictions with regards to this investment.

Self-Directed Brokerage: Included in the self-directed brokerage accounts are common stocks, registered investment companies, a money market fund and fixed income securities. Such investments are valued at quoted market prices in active markets at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments for which fair value is estimated using the net asset value as of December 31, 2022 and 2021:

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Plan participants' account balances and the amounts reported in the financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments include registered investment companies and certain investments within the participant directed brokerage accounts that are issued and/or managed by the Plan's Trustee (or its affiliates), as of December 31, 2022. The related investment transactions are considered party-in-interest transactions. Administrative fees paid to the Trustee for the year ended December 31, 2022 were \$127,871. Notes receivable from participants are also party-in-interest transactions. All such transactions qualify as exempt transactions from the prohibited transactions rules.

8. SUBSEQUENT EVENTS

Subsequent events were evaluated through September 15, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which would require an adjustment to or disclosure in the financial statements.
