To Plan Management of the
Optalis Professional Services, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Optalis Professional Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Optalis Professional Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Trust Company as of December 31, 2022 and for the period from December 1, 2022 to December 31, 2022, and Reliance Trust Company as of December 31, 2021 and for the period from January 1, 2022 to November 30, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Optalis Professional Services, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Optalis Professional Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Optalis Professional Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Optalis Professional Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**NOTE 1 – PLAN DESCRIPTION**

The following description of Optalis Professional Services, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering substantially all employees of Optalis Professional Services, LLC and other adopting employers of the Plan (collectively, the “Company”) who have completed 6 consecutive months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute an amount equal to a specified percentage up to 90% of eligible compensation, as defined in the Plan, not to exceed limits imposed by the Internal Revenue Code. Salary deferrals consist of pre-tax and Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

A discretionary matching contribution may be contributed at the option of Plan management to eligible participants. Participants who are employed on the last day of the Plan year and have completed a year of service as defined in the Plan’s provisions, are eligible to receive employer discretionary matching contributions (when made). For the years ended December 31, 2022 and 2021, the Company made discretionary matching contributions of \$174,187 and \$133,924, respectively.

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust investment option.

Participant Accounts - Each participant’s account is credited with the participant’s contributions, the Company’s discretionary matching contribution (when made), and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and Plan losses. Allocations are based on participants’ compensation, account balances, or specific participant transactions as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their contributions and actual earnings thereon. Vesting in the Company’s matching contribution is based on years of continuous service as defined in the Plan’s agreement. A participant is 100% vested in the Company’s matching contributions after five years of credited service.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant’s account. The loan interest is determined on the day the loan is issued and is set at the prime rate plus 1%. As of December 31, 2022, effective rates ranged from 3.25% to 8.25%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Distributions are payable upon the retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or installment payments over a designated period of time. A participant who has attained age 59½ may request a withdrawal of all or a portion of his or her vested account balance or various installment annuities.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan’s valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s aggregate gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits - Benefits are recorded when paid.

Forfeited Accounts – Forfeited nonvested accounts at December 31, 2022 and 2021 were \$5,474 and \$4,556, respectively. These accounts, when available, may be used as defined in the Plan agreement to a) add to any employer discretionary contribution, b) reduce employer contributions, or c) allocated to participant accounts in the manner described in the Plan agreement.

Expenses - Certain expenses of the maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for custodial and record keeping services are paid by the Plan. Fees for the administration of notes receivables from participants and distribution costs are charged directly to the participant’s account

Date of Management’s Review of Subsequent Events - Subsequent events were evaluated through October 12, 2023, which is the date the financial statements were available to be issued

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Other Investments Measured at Net Asset Value ("NAV"):

Common Collective Trust: Valued at the NAV of units of a collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The issuer reserves the right to require twelve months advance written notice under certain circumstances.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

	Fair Value Measurements at the End of the Reporting Period Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Asset (Level 1)

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

- (a) In accordance with Subtopic 820-10 certain investments that are measured at NAV per share (or its equivalent) are not required to be classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following tables summarize investments measured at fair value using the NAV per share practical expedient as of December 31, 2022 and 2021.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 2,071,814	n/a	Daily	12 months

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 1,986,762	n/a	Daily	12 months

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company (the trustee of the Plan's assets from January 1, 2022 through November 30, 2022) and John Hancock Trust Company, LLC (the trustee of the Plan's assets from December 1, 2022 through December 31, 2022) certified the completeness and accuracy of all the investment information reflected on (1) the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and (2) the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022. John Hancock Trust Company, LLC has also certified the completeness and accuracy of the investments reflected in Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST

Fees paid by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. The Plan made direct payments to the record keeper and Plan auditor totaling \$49,847 and \$8,400, respectively for the year ended December 31, 2022. All these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all employer contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**NOTE 7 – TAX STATUS**

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (Pre-Approved Plan) of John Hancock Retirement Plan Services, LLC, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30th 2020, stating that the Pre-Approved Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has not filed for its own determination letter from the IRS. Plan management believes the Plan is designed to operate in compliance with the applicable requirements of the IRC. Therefore, Plan management believes the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
