INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Prada USA Corp. and Affiliates Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Prada USA Corp. and Affiliates Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Prada USA Corp. and Affiliates Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the plan by Fidelity Management Trust Company, the trustee, that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by Fidelity Management Trust Company, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in the Note D to the financial statements, is complete and accurate.

(Cont.)

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prada USA Corp. and Affiliates Retirement Savings Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubts about Prada USA Corp. and Affiliates Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Cont.)

Auditor's Responsibility (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prada USA Corp. and Affiliates Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prada USA Corp. and Affiliates Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Cont.)

Auditor's Responsibility (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Cont.)

2022 Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF THE PLAN

The following description of the Prada USA Corp. and Affiliates ("Company") Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of the Company who have reached the age of 18 or older. All employees become eligible to participate in the Plan on the first day of each month following the month in which the age requirement is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The benefits under this plan are not insured by the Pension Benefit Guaranty Corporation.

2. Contributions

a. Each participant may contribute through payroll deferral not less than 1% of earnings and not more than 60% of pre-tax annual earnings subject to the Internal Revenue Code Rules and Regulations.

b. The Company makes non-discretionary matching contributions in an amount equal to 100 percent of the first 4 percent of the participant's elective contributions during the payroll period. The Company does not contribute any amount for participants in excess of 4 percent of their eligible compensation.

c. Eligible employees may transfer funds from other qualified plans and this transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund.

d. The eligible participants who are projected to reach age fifty (50) during a Plan year, will be eligible to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit defined by the Internal Revenue Code Rules and Regulations, the limit defined by the plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for year 2022 was $6,500.

A. DESCRIPTION OF THE PLAN (CONT.)

3. Participant Accounts

Each participant's account is credited with his or her contribution and the Company's matching contribution during the plan year. Each participant will have full responsibility for the investment results of his or her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, taking into consideration the participant's vesting in the employer's contribution as provided in the Plan.

Eligible employees may transfer funds from other qualified plans, with the consent of the administrator, provided that it does not jeopardize the qualified status of the Plan or trust or otherwise create adverse tax consequences for the Company. A separate participant account is credited with the transferred amount and the transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund. Earnings will be allocated as explained above.

4. Vesting

The participant shall be vested in his or her Company matching contribution account as determined under the schedule set forth below and defined in the Plan.

Years of service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

The participant is always 100% vested in his or her own contribution account. Also, the participant will always be automatically 100% vested in his or her company contribution account upon reaching retirement age (65), at death or disability, or upon termination of the Plan. Vesting under the Plan is based upon elapsed time method. For the purpose of vesting, all years of service are credited from the date of hire to the date of termination to determine a participant's vesting service.

A. DESCRIPTION OF THE PLAN (CONT.)

5. Payment of benefits

All distributions of benefits under this plan shall be made by the Company holding the investments in accordance with the terms and conditions set forth in the group contract. Effective March 28, 2005, benefits less than $1,000 can be distributed either by one lump sum payment or direct rollover. Benefits over $1,000 can be distributed (in addition to one lump sum payment or direct rollover) either in monthly installments or the payments can be deferred until the participant reaches age 70 1/2 .

In the event of the death of the participant, the surviving spouse, an alternate payee, or another beneficiary may be able to treat the payment as a lump sum distribution if the employee met the appropriate age requirements, whether or not the employee had 5 years of participation in the Plan.

6. Loans and withdrawals

A participant may elect to withdraw from his or her account by demonstrating an immediate and heavy financial hardship and that the money cannot be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; and payments to prevent the eviction of the participant from a principal residence.

A participant may elect to receive a loan in the amount that does not exceed the lesser of $50,000 or one-half of the participant's vested amount. All loans are collateralized by the balance in the participant's account and bear interest at the prevailing rate, as determined by the Plan administrator. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which can be repaid over 10 years. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period. Only loan requests for over $1,000 are accepted and a participant can only have one loan outstanding at any time.

A. DESCRIPTION OF THE PLAN (CONT.)

7. Forfeited accounts

Forfeited accounts as defined in the Plan will be applied to reduce the employer's contribution. At December 31, 2022 and 2021, the forfeited non-vested accounts totaled $71,667 and $14,731 respectively, and have not been applied to reduce the employer's contribution and have been included in the statement of net assets available for benefits. Forfeited accounts, if excluded from the investments, would result in total net assets available for benefits of $65,207,864 and $81,317,129 at December 31, 2022 and 2021, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Date of management's review

Subsequent events were evaluated through October 2, 2023 which is the date the financial statements were available to be issued.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Administrative expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan may assess against an individual participant's account certain Plan expenses that are incurred by or attributable to a particular participant.

Basis of accounting

The financial statements of the Plan are prepared using accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of the America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid. However, $26,102,300 of allocated balances as of December 31, 2022 ($939,284 as of December 31, 2021) for terminated participants were not paid because the participants did not request the withdrawal of their vested balances.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

C. FAIR VALUE MEASUREMENTS (CONT.)

The fair value measurement accounting literature establishes under Financial Accounting Standard Board ("FASB") Accounting Standard Codification ("ASC") 820 prioritizes valuation techniques. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

C. FAIR VALUE MEASUREMENTS (CONT.)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Fair value	Fair value measurements using: Quoted prices in active markets for identical assets (Level 1)
December 31, 2022		
Money Market Fund	$ 2,848,080	$ 2,848,080
Mutual Funds	61,263,241	61,263,241
Total	$ 64,111,321	$ 64,111,321

E. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	$ 65,279,531	$ 81,331,860
Contributions receivable from participants	(115,306)	(68,355)
Contributions receivable from employer	(54,937)	(34,754)
Net assets available for benefits per Form 5500	$ 65,109,288	$ 81,228,751

Contributions receivable from participants and employer were not funded to the Plan by the Company before the year ended December 31, 2022.

The following is a reconciliation of participant contributions and employer matching contributions per the financial statement at December 31, 2022 to Form 5500:

Participant contributions per the financial statements	$ 4,575,435
Add: contributions received in 2022 for the year 2021	68,355
Less: contributions deferred in 2022, funded in 2023	(115,306)
Participant contributions per Form 5500	$ 4,528,484
Employer contributions per the financial statements	$ 1,844,274
Add: contributions received in 2022 for the year 2021	34,754
Less: contributions deferred in 2022, funded in 2023	(54,937)
Employer contributions per Form 5500	$ 1,824,091

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

G. TAX STATUS

The Internal Revenue Service has determined and informed the Company that by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

H. RELATED - PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the trustee of the Plan and, therefore, these transactions are party-in-interest transactions and qualify for the statutory exemption.

The Plan engages Fidelity Management Trust Company as the Plan's trustee and accordingly investment in funds managed by them. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan issues loans to participants that are secured by the participants' account balances. These transactions qualify as party-in-interest transactions, how ever, they are exempt from the prohibited transaction rules under ERISA.

The Company pays for the most of the expenses incurred in the administration of the Plan. Certain fees, to the extent not paid by the Company. are paid by the Plan. These transaction are not deemed prohibited party-in- interest transactions because they are covered by Statutory and administrative exemptions form the IRS and ERISA rules on prohibited transactions.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Prada USA Corp. and Affiliates Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Prada USA Corp. and Affiliates Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Prada USA Corp. and Affiliates Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the plan by Fidelity Management Trust Company, the trustee, that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by Fidelity Management Trust Company, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in the Note D to the financial statements, is complete and accurate.

(Cont.)

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prada USA Corp. and Affiliates Retirement Savings Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubts about Prada USA Corp. and Affiliates Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Cont.)

Auditor's Responsibility (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prada USA Corp. and Affiliates Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prada USA Corp. and Affiliates Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Cont.)

Auditor's Responsibility (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Cont.)

2022 Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF THE PLAN

The following description of the Prada USA Corp. and Affiliates ("Company") Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of the Company who have reached the age of 18 or older. All employees become eligible to participate in the Plan on the first day of each month following the month in which the age requirement is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The benefits under this plan are not insured by the Pension Benefit Guaranty Corporation.

2. Contributions

a. Each participant may contribute through payroll deferral not less than 1% of earnings and not more than 60% of pre-tax annual earnings subject to the Internal Revenue Code Rules and Regulations.

b. The Company makes non-discretionary matching contributions in an amount equal to 100 percent of the first 4 percent of the participant's elective contributions during the payroll period. The Company does not contribute any amount for participants in excess of 4 percent of their eligible compensation.

c. Eligible employees may transfer funds from other qualified plans and this transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund.

d. The eligible participants who are projected to reach age fifty (50) during a Plan year, will be eligible to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit defined by the Internal Revenue Code Rules and Regulations, the limit defined by the plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for year 2022 was $6,500.

A. DESCRIPTION OF THE PLAN (CONT.)

3. Participant Accounts

Each participant's account is credited with his or her contribution and the Company's matching contribution during the plan year. Each participant will have full responsibility for the investment results of his or her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, taking into consideration the participant's vesting in the employer's contribution as provided in the Plan.

Eligible employees may transfer funds from other qualified plans, with the consent of the administrator, provided that it does not jeopardize the qualified status of the Plan or trust or otherwise create adverse tax consequences for the Company. A separate participant account is credited with the transferred amount and the transfer is 100% vested as defined in the Plan. The transferred amount shall be invested and administered as a part of the trust fund. Earnings will be allocated as explained above.

4. Vesting

The participant shall be vested in his or her Company matching contribution account as determined under the schedule set forth below and defined in the Plan.

Years of service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

The participant is always 100% vested in his or her own contribution account. Also, the participant will always be automatically 100% vested in his or her company contribution account upon reaching retirement age (65), at death or disability, or upon termination of the Plan. Vesting under the Plan is based upon elapsed time method. For the purpose of vesting, all years of service are credited from the date of hire to the date of termination to determine a participant's vesting service.

A. DESCRIPTION OF THE PLAN (CONT.)

5. Payment of benefits

All distributions of benefits under this plan shall be made by the Company holding the investments in accordance with the terms and conditions set forth in the group contract. Effective March 28, 2005, benefits less than $1,000 can be distributed either by one lump sum payment or direct rollover. Benefits over $1,000 can be distributed (in addition to one lump sum payment or direct rollover) either in monthly installments or the payments can be deferred until the participant reaches age 70 1/2 .

In the event of the death of the participant, the surviving spouse, an alternate payee, or another beneficiary may be able to treat the payment as a lump sum distribution if the employee met the appropriate age requirements, whether or not the employee had 5 years of participation in the Plan.

6. Loans and withdrawals

A participant may elect to withdraw from his or her account by demonstrating an immediate and heavy financial hardship and that the money cannot be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; and payments to prevent the eviction of the participant from a principal residence.

A participant may elect to receive a loan in the amount that does not exceed the lesser of $50,000 or one-half of the participant's vested amount. All loans are collateralized by the balance in the participant's account and bear interest at the prevailing rate, as determined by the Plan administrator. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which can be repaid over 10 years. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period. Only loan requests for over $1,000 are accepted and a participant can only have one loan outstanding at any time.

A. DESCRIPTION OF THE PLAN (CONT.)

7. Forfeited accounts

Forfeited accounts as defined in the Plan will be applied to reduce the employer's contribution. At December 31, 2022 and 2021, the forfeited non-vested accounts totaled $71,667 and $14,731 respectively, and have not been applied to reduce the employer's contribution and have been included in the statement of net assets available for benefits. Forfeited accounts, if excluded from the investments, would result in total net assets available for benefits of $65,207,864 and $81,317,129 at December 31, 2022 and 2021, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Date of management's review

Subsequent events were evaluated through October 2, 2023 which is the date the financial statements were available to be issued.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Administrative expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan may assess against an individual participant's account certain Plan expenses that are incurred by or attributable to a particular participant.

Basis of accounting

The financial statements of the Plan are prepared using accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of the America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid. However, $26,102,300 of allocated balances as of December 31, 2022 ($939,284 as of December 31, 2021) for terminated participants were not paid because the participants did not request the withdrawal of their vested balances.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

C. FAIR VALUE MEASUREMENTS (CONT.)

The fair value measurement accounting literature establishes under Financial Accounting Standard Board ("FASB") Accounting Standard Codification ("ASC") 820 prioritizes valuation techniques. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

C. FAIR VALUE MEASUREMENTS (CONT.)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Fair value	Fair value measurements using: Quoted prices in active markets for identical assets (Level 1)

E. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	$ 65,279,531	$ 81,331,860
Contributions receivable from participants	(115,306)	(68,355)
Contributions receivable from employer	(54,937)	(34,754)
Net assets available for benefits per Form 5500	$ 65,109,288	$ 81,228,751

Contributions receivable from participants and employer were not funded to the Plan by the Company before the year ended December 31, 2022.

The following is a reconciliation of participant contributions and employer matching contributions per the financial statement at December 31, 2022 to Form 5500:

Participant contributions per the financial statements	$ 4,575,435
Add: contributions received in 2022 for the year 2021	68,355
Less: contributions deferred in 2022, funded in 2023	(115,306)
Participant contributions per Form 5500	$ 4,528,484
Employer contributions per the financial statements	$ 1,844,274
Add: contributions received in 2022 for the year 2021	34,754
Less: contributions deferred in 2022, funded in 2023	(54,937)
Employer contributions per Form 5500	$ 1,824,091

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

G. TAX STATUS

The Internal Revenue Service has determined and informed the Company that by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

H. RELATED - PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the trustee of the Plan and, therefore, these transactions are party-in-interest transactions and qualify for the statutory exemption.

The Plan engages Fidelity Management Trust Company as the Plan's trustee and accordingly investment in funds managed by them. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan issues loans to participants that are secured by the participants' account balances. These transactions qualify as party-in-interest transactions, how ever, they are exempt from the prohibited transaction rules under ERISA.

The Company pays for the most of the expenses incurred in the administration of the Plan. Certain fees, to the extent not paid by the Company. are paid by the Plan. These transaction are not deemed prohibited party-in- interest transactions because they are covered by Statutory and administrative exemptions form the IRS and ERISA rules on prohibited transactions.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
