INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
DanHil Containers II, Ltd. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company as of December 31, 2022 and for the period from January 1, 2022 to December 31, 2022, and American United Life Insurance Company (AUL) as of December 31, 2021 and for the period from January 1, 2021 to December 31, 2021 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DanHil Containers II, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DANHIL CONTAINERS II, LTD. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

General – The DanHil Containers II, Ltd. 401(k) Profit Sharing Plan is a defined contribution retirement plan covering substantially all employees of DanHil Containers II, Ltd. who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan includes DanHil Containers II, Ltd., a Texas Partnership together with its affiliated companies, Complete Packaging, LLC, Complete Packaging II/DBA DanHil Containers, LLC, and DanHil Containers III LLC/DBA Budget Box. Budget Box was acquired in the year ending December 31, 2021.

Contributions – Each year, participants may contribute pretax annual compensation up to the full amount of their salary, including bonuses, provided it does not exceed the maximum allowed by the Internal Revenue Code. Effective January 1, 2015, participants are able to contribute Roth 401(k) deferrals, which are subject to federal income taxes in the year of deferral. An employee is eligible to participate in the plan on the first day of the plan year or on the first day of the seventh month of the plan year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to the maximum amount allowed by law. Once an employee is participating in the plan, they can change their elections at any time. Participants may also contribute amounts representing distributions from other qualified deferred compensation plans. Once employees are eligible to participate in the plan, the employer will automatically withhold a portion of eligible compensation each pay period. If an employee would like to opt out, they must complete and submit a salary deferral agreement. Participants direct the investment of their contributions into various investment options offered by the Plan. For the period January 1, 2021 through June 30, 2022, the Company contributed 50% of the first 4% of compensation that a participant contributes to the Plan, no more than 2% of the base salary. Beginning on July 1, 2022, the Company contributed 50% of the first 6% of compensation that a participant contributes to the Plan, no more than 3% of the base salary. The matching contribution is invested in the same manner as the employee's elective contributions. Additional discretionary amounts may be contributed by the Company at the option of the Company's Board of Directors.

Participant Accounts – Each participant's account is credited with the participant's contribution and the Company's matching contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with (a) any withdrawals or payments from the participant's account and (b) the participant's proportionate share of any decrease in the fair market value of the Fund since the last valuation date. Allocations of the Company's discretionary contribution are based on participants' compensation, contributions, and allocations of plan earnings are directed by the participants according to their investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Benefits vest on a graded scale of 20% after two years and 20% after each of years three through six, so that a participant is 100% vested after six years of credited service.

Participant Loans – Beginning January 1, 2018, loans are no longer provided through the plan although, during the year ended December 31, 2021, there were still outstanding balances on previous loans. As of December 31, 2022, there are no outstanding balances on previous loans. Prior to this amendment, participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested interest in the plan. For participants with vested account balances of \$20,000 or less, the maximum loan could not exceed the lesser of \$10,000 or 100% of the vested balance. Loan transactions were treated as a transfer to (from) the investment fund from (to) the Participant Loans fund.

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Loans (Continued) - Loan terms ranged up to five years except in the case of a loan used for purchasing a principal residence for the participant, in which case the loan term was set by the Employer and was based on maturity dates quoted by local commercial banks for similar loans.

The loans were secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The interest rate for loans ranged from 3.5% to 5%. Principal and interest were paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to death, disability, or retirement, the participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments permitted only for participants or beneficiaries who must receive a required minimum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Hardship distributions are permitted in amounts up to the lesser of 100% of the participant's vested interest or the amount necessary to satisfy the participant's heavy financial need. In-service distributions are permitted for participants who have reached either age 59½ or normal retirement age.

Forfeited Amounts - As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$16,288 and \$20,251, respectively. Forfeitures related to the Company's matching and discretionary contributions are added to any Company discretionary matching contribution and allocated as an additional matching contribution. Of the total \$16,288 forfeited during 2022, \$2,000 were applied to plan expenses. Of the total \$20,251 forfeited during 2021, \$100 were applied to plan expenses. The remaining forfeitures were not used during either year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Nature of Investments - For the year ended December 31, 2022, investments consist of assets held by Reliance Trust Company. Reliance Trust Company has been appointed to provide all administrative services necessary to support the insurance contract issued. For the year ended December 31, 2021, investments consisted of assets held by American United Life Insurance Company (AUL), and AUL was appointed to provide all administrative services necessary to support the insurance contract issued.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year and on investments held during the year.

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

NOTE 3 – INVESTMENTS AT FAIR VALUE

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation/depreciation in fair value of investments.

During the year ended December 31, 2022, the Plan changed trustees from AUL to Reliance Trust Company. As of December 31, 2022, the Plan invested in mutual funds, which are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to the Financial Statements

For the Years Ended December 31, 2022 and 2021

NOTE 3 – INVESTMENTS AT FAIR VALUE (CONTINUED)

As of the year ended December 31, 2021, participants invested in AUL separate accounts, which in turn invested in underlying funds. Plan participants owned units of an AUL separate account, not shares of any underlying fund. The AUL separate accounts invested in mutual funds, which were valued at the net asset value (NAV).

Amounts allocated to a variable investment account within an AUL separate account were credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. Each investment account is invested by AUL exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant.

NOTE 5 – INVESTMENT AT CONTRACT VALUE

As of December 31, 2022, the Plan's group annuity contract with Standard Insurance Company is a fully benefit-responsive contract. As of December 31, 2021, the Plan's group annuity contract with AUL was a fully benefit-responsive contract. Under the terms of the contracts, participant-initiated transactions for the purpose of receiving benefits allowed under the plan, such as retirement, death, disability, hardship, loan, required minimum distribution, allowable in-service withdrawal, are completed at contract value without conditions, limits, or restrictions. Benefits related to termination of employment receive the same treatment unless a termination is associated with a full or partial plan termination, the insolvency of the plan sponsor, or aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of that contract year. Under those unlikely events, a surrender charge may apply depending on the terms of the particular contract.

Also, it is possible to make transfers between the various options and to redirect the investment of future contributions as specified by the governing Plan document and contract provisions. Participants have access to their accounts to execute transfers between the available investment options once per business day without limitation, except that depending on the provisions of the applicable contract, restrictions on transfers from the Fixed Option may apply.

NOTE 5 – INVESTMENT AT CONTRACT VALUE (CONTINUED)

Average yield earned by the group annuity contract are as follows:

	<u>2022</u>	<u>2021</u>
Fixed option - based on interest rate credited to participants	1.06%	4.00%
Pooled separate units - based on actual earnings	2.11%	12.33%

The average yield for the pooled separate units above for the year ended December 31, 2022, include only those earnings related to the AUL fixed account for the period January 1, 2022 – July 1, 2022. The remainder of the year, the Plan's group annuity contract was with the Standard Insurance Company and were not invested in pooled separate units.

The contract value of the investment contract at December 31, 2022 and 2021 was \$1,718,373 and \$1,749,502, respectively.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the accounts of participants are vested and become non-forfeitable.

NOTE 7 – TAX STATUS

In its latest determination letter dated March 31, 2014, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan's annual returns for 2021, 2020, and 2019 are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

Interest on participant notes receivable	8	177
Forfeitures	16,288	20,251
Administrative fees	18,757	160

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan's investments represent units of participation in funds which, in turn, represent underlying shares in various registered investment companies. Such underlying shares are exposed to a number of risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PARTIES IN INTEREST

For the year ended December 31, 2022, certain plan investments are managed by Reliance Trust Company. Reliance Trust Company is the trustee. During the year ended December 31, 2021, certain plan investments were managed by American United Life Insurance Company (AUL). AUL was the trustee. Paylocity is the payroll processor.

Employers participating in the Plan are DanHil Containers II, Ltd. and its affiliates Complete Packaging, LLC, Complete Packaging II/DBA DanHil Containers, LLC, and DanHil Containers III LLC/DBA Budget Box.

Jeff Daniel is the Plan Administrator. Deborah Moon is the Chief Financial Officer and Jerry Garcia is the Human Resources Director. Ludwick, Montgomery, & Stapp, P.C. is the auditor.
