INDEPENDENT AUDITORS' REPORT

To the Trustee of
403(b) Thrift Plan for RCAP Solutions, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for RCAP Solutions, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for RCAP Solutions, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in **Note 5** to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for RCAP Solutions, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for RCAP Solutions, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for RCAP Solutions, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for RCAP Solutions, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for RCAP Solutions, Inc. ("the Plan") provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective November 1, 2006, is a defined contribution plan covering all eligible employees of RCAP Solutions, Inc. ("the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees governance of the Plan, the appropriateness of the Plan's investment offerings and monitors the investment performance.

Tax Deferred Annuity

Prior to November 1, 2006 the Company sponsored a Tax Deferred Annuity Plan. Upon inception of the 403(b) Plan, all existing tax deferred annuity accounts (TDA) were rolled into the current Plan. Under the current Plan document, participants are not allowed to contribute or roll funds into the TDA. For the year ended December 31, 2022 and 2021, approximately \$23,000 and \$25,000, respectively, remained in those accounts and are included in investments in the statements of net assets available for benefits.

Contributions

Each year, eligible participants, may contribute up to 100% of pretax or after-tax annual compensation up to the maximum annual limit provided by the Internal Revenue Service, as defined by the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions. In addition, certain catch-up contributions are available for participants with 15 years of service with the Company. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan allows for eligible employees to receive an employer matching contribution equal to the lesser of 50% of the participant's salary reduction contribution for the plan year or up to 2% of the participant's compensation received during the plan year. Effective January 1, 2022, the Plan changed the employer matching contribution to the lesser of 50% of the participant's salary reduction contribution for the plan year or up to 3% of the participant's compensation received during the plan year.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Additionally, all eligible employees are also entitled to an employer base contribution for each plan year equal to 3% of the participant's compensation. Total employer contributions for the year ended December 31, 2022 and 2021 were \$303,339 and \$252,299, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses) and is charged with an allocation of administrative expenses, depending on the participant's choice of investments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in whole unit increments in a variety of mutual funds and interest-bearing accounts. Participants may change their investment options and make transfers between investments at any time via an automated request to Mutual of America Life Insurance Company or Matrix Trust Company.

Notes Receivable from Participants

An employee may borrow from his or her 401(k) account for any purpose with Matrix Trust. The maximum loan is 50% of a participant's vested account balance up to \$50,000 with a minimum loan amount of \$1,000. The loans are secured by the remaining balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions along with employer contributions, plus actual earnings thereon.

Forfeited Accounts

At December 31, 2022 and 2021, there were no forfeited non-vested accounts. These accounts may be used to reduce future employer contributions or Plan expenses.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount, a direct transfer to another qualified retirement account, or a combination of the two, equal to the participant's vested interest in his or her account; or periodic installments over a designated period. Benefits payments are recorded when paid.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

For termination of service due to other reasons, a participant, unless electing otherwise, will begin receiving payments as soon as practical based on the preceding valuation date. Participants with a balance of \$5,000 or greater have the right to keep their retirement account in the Plan or elect to have the benefits paid in a lump sum, through installment payments or by purchase of an annuity. Participants with a balance of less than \$5,000 but greater than \$1,000 have the option to transfer their funds to an IRA without penalty or receive a lump sum payment. All others with a balance of less than \$1,000 receive a lump sum payment.

In-Service Withdrawal

An employee is permitted to take a distribution while being an active participant in the Plan at the age of 59 ½. Such a distribution will not be subject to a 10% excise tax but will be subject to income taxes.

Hardship Withdrawals

An employee may take a distribution from the Plan if a heavy financial burden can be demonstrated to the Plan Trustee. The Trustee shall grant a hardship withdrawal only if it is determined the withdrawal is necessary to meet an immediate and heavy financial need of the participant, as defined by the Plan. Hardship withdrawals may only be taken from fully vested pre-tax accounts and may be subject to a 10% excise tax and income taxes.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value except for fully benefit responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Actual results could differ from those estimates. See **Note 3** for discussion of fair value measurements.

Cash and cash equivalents

Cash and cash equivalents are comprised entirely of Mutual of America's Interest Accumulated Account. This investment does not carry front end or back-end charges, nor is the interest dependent on a certain holding period. Withdrawals may be made at any time by the participants.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value, except those reported at contract value (see **Note 4**). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See **Note 3** for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in a variety of investment securities. Securities in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Mutual Funds (Level 1): Valued at the daily closing price as reported by the fund. The level 1 mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds (Level 2): Valued at the closing price as reported by the fund. The level 2 mutual funds are internally managed by Mutual of America Life Insurance Company, and are valued based on the NAV of the underlying assets, which are generally traded in active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 2,567,633</u>	<u>\$ 242,412</u>	<u>\$ -</u>	<u>\$ 2,810,045</u>

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 4. INVESTMENTS MEASURED AT CONTRACT VALUE

The Plan invests in the "CUNA Mutual Group Guaranteed Account", which is valued at contract value. Under the contract, participants receive guaranteed interest based on the minimum non-forfeiture rate calculation, as defined, but not less than 1%. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. For the year ended December 31, 2022 and 2021, average yields related to this contract were approximately 1.10% and 1.85%, respectively.

NOTE 5. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodians, Mutual of America Life Insurance Company, and Matrix Trust Company, have certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment activity, as included in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- The schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, for the years ended December 31, 2022 and 2021, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 6. ADMINISTRATIVE EXPENSES

The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses, which include audit and consulting fees, are paid directly by the Company. Administrative expenses in the statements of changes in net assets available for benefits consist of loan and withdrawal fees charged and other investment expenses charged by the asset custodians. All other investment fees are included in the net appreciation (depreciation) in fair value of investments.

NOTE 7. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments which are shares of mutual funds and the guaranteed account are managed by Matrix Trust Company. Matrix Trust Company is one of the asset custodians. Certain Plan investments which are shares of mutual funds and the Interest Accumulated Account are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the other asset custodian. CUNA Mutual currently serves as the Plan's third-party administrator. Accordingly, these transactions qualify as party in interest transactions. The Trustee of the Plan is also a participant in the Plan.

These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA, and the Internal Revenue Code governing termination of employee benefit plans and with a 60-day written notification to the Plan Trustee.

NOTE 9. TAX STATUS

The Plan, as adopted, is based on a Volume Submitter Profit Sharing Plan. That Prototype Plan received a determination letter dated March 31, 2017 from the Internal Revenue Service notifying that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

403(b) THRIFT PLAN FOR RCAP SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan Trustee has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued.
