## **Independent Auditors' Report**

**To the Plan Administrator**  
**Ohio Gratings, Inc. 401(k) Profit Sharing Plan**  
**Canton, Ohio**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Ohio Gratings, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of

the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements**

### **1. Description of the Plan**

The following description of the Ohio Gratings, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement and summary plan description for a more complete description of the Plan's provisions.

#### General

Ohio Gratings, Inc. (the Plan Sponsor) established the Ohio Gratings, Inc. 401(k) Profit Sharing Plan effective June 1, 1987. The Plan is a defined contribution plan that covers substantially all employees of the Plan Sponsor and all employees of Ohio Gratings-Texas, LTD, Waco Products, Inc., Kabar Products, LLC and Fabri-Steel Supply, LLC, affiliated companies, which have reached age 18 and three months of service. In addition, Kadee Industries, LLC became an adopting employer of the Plan during the year ended December 31, 2022. The Plan is subject to the provisions of ERISA.

#### Contributions

Each eligible participant is permitted to make pre-tax or post-tax elective deferrals up to a maximum of 100% of their compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan also provides for an Automatic Contribution Arrangement (ACA), unless elected otherwise, for eligible employees. In accordance with the ACA provisions, the Plan Sponsor automatically will withhold from new participant's compensation 5% per pay period (referred to as the "automatic deferral percentage") and will transmit the withheld amount to the Plan as elective deferrals. Beginning January 1, 2022, each participant subject to the automatic enrollment provision shall have a rate increase of 1% on the first day of each Plan year until reaching the maximum automatic deferral percentage of 10%, unless an alternative election is made.

The Plan Sponsor makes safe harbor matching contributions in the amount of 100% of the participants' voluntary contributions for the first 3% of compensation and 50% of the participants' voluntary contributions for the next 2% of compensation. As of December 31, 2022 and 2021, the Plan has recorded a contribution receivable of \$117,956 and \$104,696, respectively, related to the true-up of safe harbor matching contributions for certain participants. These amounts are included in the employer contributions receivable on the statements of net assets available for benefits and employer contributions on the statement of changes in net assets available for benefits. Total safe harbor matching contributions, including contributions receivable as of year-end, was \$1,246,146 for the year ended December 31, 2022.

The Plan Sponsor also has the option to make a discretionary profit-sharing contribution to the Plan. The discretionary profit-sharing contribution is determined for each of the following groups (a) the president and executive vice-president of the employer, (b) lineal descendants of group (a), and (c) all others. For the year ended December 31, 2022, the Plan Sponsor approved a profit-sharing contribution of \$689,261. Employees are eligible for the profit-sharing portion of the Plan upon completing one hour of service during the Plan year. In order to qualify for the employee deferral and match portion of the Plan, employees must complete three months of service and attain the age of 18.

**Notes to Financial Statements**

Participants direct the investment of their deferrals, matching contributions, and profit-sharing contributions into certain investments offered by the Plan. All contributions are limited to the maximum allowed as a deduction under the Internal Revenue Code (IRC).

Vesting

A participant is fully vested immediately in elective wage deferrals, amounts rolled over from other plans, and safe harbor matching contributions. Vesting for discretionary contributions and employer matching contributions made prior to the implementation of the safe harbor provisions are as follows:

| <u>Years of Service</u> | <u>Vesting %</u> |
|-------------------------|------------------|
| Less than 2             | 0%               |
| 2                       | 20%              |
| 3                       | 40%              |
| 4                       | 60%              |
| 5                       | 80%              |
| 6                       | 100%             |

Participant Accounts

An account is maintained in the name of each participant. Each participant's account is increased, or decreased as appropriate, with (a) the participant's contributions, (b) the Plan Sponsor's contributions, (c) net investment appreciation or depreciation based on the participant's account balance and composition, (d) administrative expenses, and (e) benefit payments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are fully participant-directed.

Notes Receivable from Participants

Participants are permitted to borrow from the vested interest of their individual account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the participants' vested account balance, are generally payable in equal installments through payroll deductions, and bear interest at rates ranging from 4.25% to 8.00%, which are commensurate with local prevailing rates as are determined by the plan administrator.

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum distribution or a direct rollover distribution, equal to the value of the participant's vested interest in his or her account. Non-terminated employees may make withdrawals from their vested interest upon reaching age 59½ or from their elective deferral account balance as a hardship withdrawal prior to reaching age 59½. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement.

Forfeitures

Forfeited discretionary profit sharing and employer matching contributions from terminated participants' nonvested accounts may be used to restore amounts previously forfeited by former participants who have resumed participation in the Plan, to reduce Plan Sponsor contributions, to reallocate as Plan Sponsor contributions, or to reduce administrative expenses. During the year ended December 31, 2022, \$98,665

was transferred into the forfeiture account and, \$70,000 was used to offset a portion of the discretionary profit sharing contribution. As of December 31, 2022 and 2021, \$78,143 and \$58,548, respectively, of unallocated forfeitures were available.

**2. Summary of Significant Accounting Policies**

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the trustee and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant note to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**3. Information Provided by Trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and investment income (loss), interest on notes receivable from participants, benefit payments, and administrative expenses for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank & Trust Company, the trustee of the Plan.

**4. Fair Value Measurements**

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative accounting guidance are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** - Inputs include quoted prices for similar assets or liabilities in active markets or for identical or similar assets or liabilities in inactive markets. Inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

**Registered investment companies:** Valued at the closing price reported on the active market on which the individual securities are traded.

**Stable value collective trust:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value ("NAV") of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full or partial redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from

## Notes to Financial Statements

the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets in the following tables, set forth by level within the fair value hierarchy, are as follows:

| <b>December 31, 2022:</b>       | <b>Level 1</b> | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>         |

### 5. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and all amounts credited to participants' accounts will become 100% vested.

**Notes to Financial Statements**

**6. Tax Status**

The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has not been amended since receiving the determination letter. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

**7. Transactions With Parties in Interest**

Certain administrative expenses including legal and accounting and other professional fees relating to the maintenance of participant eligibility records are absorbed by the Plan Sponsor. In addition, certain expenses are paid using a revenue sharing arrangement and are included in administrative expenses on the statement of changes in net assets available for benefits.

The Plan holds units of a stable value collective trust fund and shares of mutual funds managed by Reliance Trust Company (Reliance) and American Funds Service Company (American Funds), respectively. Reliance serves as agent to the Plan which Empower Retirement, LLC is the record keeper and Capital Bank & Trust Company (CB&T) is the trustee. CB&T and American Funds are affiliated entities. These transactions qualify as party in interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Other than as described above, or pursuant to a trust agreement, the Plan has no agreements or transactions with any parties in interest.

**8. Risks and Uncertainties**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Subsequent Events**

The Plan Sponsor has evaluated subsequent events through October 5, 2023, which is the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended and restated and the safe harbor matching contributions were eliminated. The Plan Sponsor will make safe harbor contributions to the Plan in an amount not less than 3%. In addition, the Plan Sponsor opted to make a discretionary 1% qualified non-elective contribution.
