INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis accounting described in Note B.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc.'s, ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Arrowhead Economic Opportunity Agency, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of assets held at end of year and of delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan ("Plan") of Arrowhead Economic Opportunity Agency, Inc. ("Organization") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all employees of the Organization with an effective date of January 1, 2009. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Contributions.* Each year, participants may contribute a percentage or dollar amount of their pre-tax or post-tax (designated roth) annual compensation, as defined in the Plan, up to an annual maximum allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year and have completed 15 years of service before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. For eligible employees hired prior to January 13, 2011, with completion of at least two years of service and are age 20 or older, the Organization will contribute 6 percent of eligible total compensation received for that year. For eligible employees hired after January 13, 2011, with completion of at least two years of service and are age 20 or older, the Organization will contribute an employer base contribution of 3 percent of eligible total compensation and an employer matching contribution up to 3 percent of employee contributions. Contributions are subject to certain limitations. Employees hired (or rehired) on or after December 1, 2019, and if they do not opt out, will be automatically enrolled in the plan at a 1 percent deferral rate which will automatically increase 1 percent each year until their deferral equals 3 percent.
3. *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of the Organization's contribution and Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting.* Participants are immediately vested in their contributions, employer contributions, and actual earnings thereon.
5. *Investment Options.* Upon enrollment in the Plan, a participant is able to direct contributions in any of the 47 investment options offered in 2022 and 2021 under a group annuity contract of the Plan. Participants who fail to provide investment directions, any contributions made on their behalf will be allocated to the plan's "default investment alternative". Participants may change allocations daily.
6. *Payment of Benefits.* Benefits are paid to the participant or beneficiary upon death, disability, financial hardship, withdrawal, normal retirement age (age 65), early withdrawal, or termination of employment. The Plan also allows for in service distributions upon attaining age 59½. Benefits may be paid in a lump-sum distribution or annuity payments.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. That basis differs from generally accepted accounting principles primarily because the contributions are recorded when received rather than when earned.

Investment Valuation and Income Recognition

Investments are held in a group annuity contract and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. See notes D and E for discussions of fair value measurements.

Excluded Contracts and Accounts

The Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan Administrator has elected to exclude those contracts and accounts and the related activity from the Plan's financial statements for purposes of the annual reporting requirements of the Employee Retirement Income Security Act of 1974 (ERISA) in accordance with the transition relief provided by Department of Labor Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans* due to the fact that:

- The contracts or accounts were issued to current or former employees before January 1, 2009;
- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contracts or accounts before January 1, 2009;
- All the rights under the contracts or accounts are legally enforceable against the insurer or custodian by the individual owners of the contracts or accounts without any involvement by the employer; and
- The individual owners of the contracts are fully vested in the contracts or accounts.

Presentation of this information is required by the modified cash basis of accounting. The effects of this departure from the modified cash basis of accounting on these financial statements are not reasonably determinable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in the net appreciation (depreciation) of fair value of investments.

Years Ended December 31, 2022 and 2021**

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE D - ANNUITY CONTRACT WITH INSURANCE COMPANY

The Organization entered into a group annuity contract with Mutual of America Life Insurance Company ("Mutual of America"). Mutual of America maintains the contributions and earnings in a General and Separate Account. The accounts are credited with earnings on the underlying investments and charge for participant withdrawals and administrative expenses.

1. *General Account.* The Organization selected Mutual of America's Interest Accumulation Account as an investment option holding the assets in the Organization's General Account. Selecting that as an option, all contributions allocated to the Interest Accumulation Account shall be credited with interest at the current rate of interest. The Interest Accumulation Account returned 0.25% in 2022 and 1% in 2021.

The Interest Accumulation Account is fully benefit responsive, so it meets the criteria to be comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 assets under ASU 820-10. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value within reasonable timeframes. Contract value represents contributions made under the contract, plus earnings at current rate of interest, less participant withdrawals, and administrative expenses. Contract value is also often referred to as book value. The contract is affected directly between the plan sponsor and Mutual of America Life. The repayment of principal and interest credited to participants is a financial obligation of Mutual of America.

2. *Separate Account.* The Organization selected that all contributions held apart from the General Account are allocated to any of the Investment Funds that shall become part of the Separate Account. The Separate Account consists of Investment Funds that own shares of the corresponding funds or portfolios of the Underlying Investment Companies.

The value of the assets in any Investment Fund shall increase or decrease based upon the investment results of the Investment Fund during each Valuation Period. The value of any Investment Fund attributable to a participant on a Valuation Day is equal to the number of accumulation units credited to the Investment Fund on such day multiplied by the accumulation unit value for the Investment fund for the Valuation Period which includes such day.

Income, gains, or losses realized or unrealized are credited or charged to this account without regard to other income, gains, or losses of the Organization. The Separate Account is not guaranteed, and assets therein are held at market value.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include ▪ quoted prices for similar assets or liabilities in active markets; ▪ quoted prices for identical or similar assets or liabilities in inactive markets; ▪ inputs other than quoted prices that are observable for the asset or liability; ▪ inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note D for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The Interest Accumulation Account is fully benefit responsive, so it meets the criteria to be comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 assets under ASU 820-10.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants are 100 percent vested in their accounts at all times.

NOTE G - TAX STATUS

403(b) plans are not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator evaluates tax positions taken by the Plan and recognizes a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

ARROWHEAD ECONOMIC OPPORTUNITY AGENCY, INC.**

**NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021**

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on the Arrowhead Economic Opportunity Agency, Inc.'s 403(b) Thrift Plan will depend on certain developments, including the duration and spread of the outbreak, impact on services provided, employees, and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact Arrowhead Economic Opportunity Agency, Inc.'s 403(b) Thrift Plan's financial condition or investment performance is uncertain.

NOTE I - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 5, 2023, which is the date the financial statements were available to be issued.

NOTE J - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan's investments are managed by Mutual of America Life Insurance Company, the insurance company of the plan, and therefore, the transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment manager services are included in the net appreciation in the fair value of the investment, as they are paid through revenue sharing rather than direct payment. Administrative fees of \$3,462 and \$5,149 were paid by plan participants for the years ended December 31, 2022 and 2021, respectively, as outlined in the plan contract.
