Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Shumaker, Loop & Kendrick Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Shumaker, Loop & Kendrick Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shumaker, Loop & Kendrick Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shumaker, Loop & Kendrick Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The Shumaker, Loop & Kendrick Insurance and
Pension Committee
Shumaker, Loop & Kendrick Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Shumaker, Loop & Kendrick Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shumaker, Loop & Kendrick Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Shumaker, Loop & Kendrick Insurance and
Pension Committee
Shumaker, Loop & Kendrick Retirement Plan

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHUMAKER, LOOP & KENDRICK RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Shumaker, Loop & Kendrick Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective January 1, 1968. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective May 3, 2021. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Insurance and Pension Committee is responsible for the oversight of the Plan. Fifth Third Bank is the trustee of the Plan and holds most of the assets of the Plan. TD Ameritrade is the custodian of certain of the Plan's self-managed accounts.

Eligibility

Upon completion of one month of service, each employee or partner of the Partnership is eligible to participate in the compensation or earned income deferral option. Plan entry dates for elective deferrals are the first day of the month coinciding with or next following the completion of one month of employment. Plan entry dates for discretionary Partnership contributions are January 1 and July 1 coinciding with or next following completion of two Years of Service. Upon entry into the Plan, each partner or employee of the Partnership is eligible to receive an allocation of any discretionary Partnership contributions. Equity track associate attorneys and employees classified as "senior attorney" are not eligible to participate in the Plan, but participate in the Shumaker, Loop & Kendrick Associates' 401(k) Savings Plan (the Associates' Plan).

Contributions

A Partnership contribution to the Plan is made in an amount determined on a discretionary basis by the Partnership's Management Committee and is allocated by applying the rules of permitted disparity. The permitted disparity level is the Social Security taxable wage base for the year as described in Section 230 of the Social Security Act. An additional allocation is made to certain eligible partners in specified amounts multiplied by points earned under the Partnership agreement and by years of service as defined in the Plan. Contributions to the Plan are subject to certain limitations which are modified from time to time to comply with changes in Internal Revenue Service regulations.

In addition, employees who elect to defer a portion of their eligible compensation and partners who elect to defer a portion of their earned income into the Plan may do so up to the Internal Revenue Services (IRS)-imposed dollar maximum for the year. The Plan allows participants to designate any or all of their deferral contributions as pre-tax deferrals and/or Roth 401(k) after-tax deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan also provides for rollover contributions of amounts from other qualified plans, subject to certain restrictions as defined in the Plan.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Transfers of Assets from Other Plans

The Plan received transfers from the Associates' Plan of \$432,505 in 2022. These transfers were a result of prior associate attorneys becoming eligible to participate in the Plan.

Participant Accounts

Participants direct the investment of their accounts among the investment funds offered by the Plan, including two brokerage account options. Participants who have brokerage account investment accounts pay any related transaction and account fees. Participants who have elected to receive online investment services bear any fees that are charged related to these services. Participants who have life insurance accounts pay any related premiums.

Each participant's account is credited with the participant's contributions, an allocation of Partnership contributions based on eligible compensation or earned income, and an allocation of Plan earnings or losses based on the performance of the investment options selected by the participant. Participants are charged a recordkeeping fee in addition to the fees referred to above, if applicable. Participants' accounts may also be credited with an allocation of revenue sharing income not used to pay administrative expenses, based on account balances (see Note 8). Participants who initiate a loan or benefit payment are charged a fee for that transaction. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum amount is reduced by the excess of the participant's highest outstanding balance of all loans on any day during the one-year period ending on the day before the loan is made, over the outstanding balance of loans on the date the loan is made. The notes are secured by the balance in the participant's account and bear interest at the Federal Reserve Bank Prime Rate at the time of the borrowing plus 1%. Principal and interest is paid ratably through payroll deductions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Upon termination of service due to death, disability, or normal retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution, periodic or installment payments or in the form of either a joint and 50% survivor annuity or 75% qualified optional survivor annuity (married participants) or a single life annuity (unmarried participants), with the automatic form of a benefit greater than \$5,000 being a 50% joint and survivor annuity for a married participant (single life annuity for an unmarried participant) unless waived by the participant with the participant's spouse's consent if married. The Plan allows for in-service distributions if a participant reaches age 59½. The Plan allows for in-service distributions of rollover contributions at any age. The Plan also permits withdrawals of active participants' account balances, other than the Employer Pension Account and the Prior Plan Account sources, only in amounts necessary to satisfy financial hardship as defined in the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determine the Plan's valuation policies utilizing information provided by the Plan trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Management fees and operating expenses charged to the Plan for investments in mutual funds, money market fund and the common/collective trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as an addition to net depreciation or a reduction of net appreciation in fair value of investments and a reduction of common/collective trust and money market fund dividends and interest.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments, and the Plan administrator deems the note receivable to be in default based upon terms of the Plan, the note receivable is reduced and a deemed distribution of notes receivable from participants is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Partnership, as provided by the Plan document. Certain administrative expenses, including an allocation of salaries related to the Plan administration and legal costs, are paid by the Partnership. Revenue sharing income received from mutual funds is used to pay the Plan's administrative expenses related to services rendered by the Plan's trustee, with any balance of such expenses being paid by the Partnership. As party-in-interest transactions, these expenses are exempt from prohibited transaction rules.

Expenses that are paid directly by the Partnership are excluded from these financial statements. Certain expenses, such as investment management fees, self-managed account and transaction fees, insurance premiums, loan fees, and distribution fees are borne by the applicable participant's account. Administrative fees are allocated to participants' accounts.

Subsequent Events

The Plan has evaluated subsequent events through September 5, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fifth Third Institutional Services has supplied the Plan administrator with a certification as to the completeness and accuracy of all notes receivable from participants and investment information, except the cash surrender value of life insurance policies and related depreciation in fair value of \$14,814 in 2022, reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued based on quoted prices in active markets which represent the NAV of shares held by the Plan.

Common/Collective Trust: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserve the right the temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Cash Surrender Value of Life Insurance: The life insurance contracts are valued at cash surrender value, which represents the net amount of premiums, less partial withdrawals, plus interest, less administrative charges and any indebtedness.

Self-Directed Brokerage Accounts: These accounts consist of mutual funds, money market funds, common and preferred stock and exchange traded funds, certificates of deposit, corporate bonds and government and agency securities, and an insurance annuity. They are all valued on the basis of readily determinable market prices.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

There were no purchases, issuances, transfers in or out of the Plan's Level 3 financial instruments for the year ended December 31, 2022.

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value		Principal Valuation Technique	Unobservable Inputs
	2022	2021		
Cash Surrender Value of Life Insurance	\$ 1,444,340	\$ 1,459,154	Determined by underwriting life insurance companies	Ability of insurance companies to pay

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. To the extent not used to pay expenses related to the termination of the Plan, any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Partnership may determine.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated April 9, 2018 received from the IRS indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under current income tax law. The Plan administrator and the Plan's legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fifth Third Bank, the trustee of the Plan, and TD Ameritrade, the custodian of certain Plan assets. Therefore, the investment transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan for investment management, fund expenses, self-managed investment account transactions and other recordkeeping fees are borne by the applicable participants' accounts and are included in administrative and other expenses. These fees amounted to \$136,570 in 2022.

Fees for custodial services rendered by Fifth Third Bank in the amount of \$9,022 in 2022 were paid by the Plan using revenue sharing income received from mutual funds owned by the Plan. Unallocated assets resulting primarily from revenue sharing income that had not yet been used to pay Plan expenses or allocated to participants were \$7,511 and \$8,908 at December 31, 2022 and 2021, respectively.
