## **Independent Auditor's Report**

To the Plan Committee of the  
**Commonwealth Anesthesia, PSC 401(k) Profit Sharing Plan**  
Lexington, KY

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of the **Commonwealth Anesthesia, PSC 401(k) Profit Sharing Plan** (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [“ERISA Section 103(a)(3)(C) audit”]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL’s”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**COMMONWEALTH ANESTHESIA, PSC 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**(1) DESCRIPTION OF PLAN**

The following description of the **Commonwealth Anesthesia, PSC 401(k) Profit Sharing Plan** (the “Plan”) provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established by Commonwealth Anesthesia, PSC and its affiliates (collectively, the “Company”) effective as of August 1, 1989, covering substantially all employees of the Company who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 1, 2022, the Plan was restated to incorporate prior amendments, reflect changes in qualification requirements, and reflect certain legislative and regulatory changes. However, the restatement did not have a significant impact on the Plan’s provisions or operations.

Effective October 1, 2022, custody of the Plan’s assets was transferred from American Trust Company (“American Trust”) to Transamerica Life Insurance Company (“Transamerica”) and State Street Bank and Trust Company (“State Street”). Transamerica Retirement Solutions, LLC also became the recordkeeper for the Plan as of that date.

**Contributions**

Participants may make pre-tax and after-tax Roth elective salary deferrals up to 100% of eligible compensation, as defined in the plan document, subject to limitations imposed by Internal Revenue Code (“IRC”) regulations. Eligible participants are also permitted to make special catch-up contributions in accordance with IRC regulations, and rollover contributions representing distributions from other qualified defined benefit plans, defined contribution plans or individual retirement accounts. The Plan also permits in-plan Roth conversions.

The plan is a safe harbor plan that requires a Company safe harbor contribution of 3% of eligible plan compensation each year. Company contributions may also include additional discretionary employer contributions. For 2022 the Company made discretionary employer contributions of approximately 7.33% of eligible compensation up to \$305,000 and 5.7% of eligible compensation between \$147,000 and \$305,000.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common/collective trust, and a group annuity contract as investment options for participants. Participants may also elect to have their accounts invested in discreet segregated accounts managed by independent financial advisors selected by the participants (referred to as participant-directed brokerage accounts). Participants may change their investment elections at any time.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

(1 - continued)

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant compensation, account balances or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately 100% vested in their salary deferral, rollover, and employer safe harbor contributions, plus actual earnings thereon. Vesting in discretionary employer contributions is based on years of continuous service as defined in the plan document. Participants are 34% vested after one year of service, 67% vested after two years of service and 100% vested after three years of service in their discretionary employer contributions.

**Payment of Benefits**

On termination of service due to death, disability, retirement or other reasons, participants may elect to receive a lump sum amount equal to the value of their vested account balance. Separated participants may also request installment or annuity distributions. The Plan provides for in-service distributions for participants that have attained age 60 or for financial hardships. Separated participants with vested account balances exceeding \$5,000 may elect to defer benefits until reaching normal retirement age (age 60).

**Forfeited Accounts**

Participants forfeit employer contribution accounts when terminating service prior to vesting in their discretionary employer contributions. The usage of these funds is at the discretion of Company, but they are generally used to reduce employer contributions or pay plan expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$10,833 and \$25,909, respectively. For the year ended December 31, 2022, forfeiture amounts of \$25,909 were used to reduce employer contributions.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements and Note 8 for additional discussion of fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Capital gain distributions from mutual funds are included in dividend income. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for these investments.

**Administrative Expenses**

Some administrative expenses are paid by the Company, and some are paid by the Plan. Those that were paid by the Plan are reflected in the accompanying financial statements. Employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its employees receive compensation from the Plan.

**Payment of Benefits**

Benefits are recorded when paid. At December 31, 2022 and 2021, there were no allocated amounts to participants who had elected to withdraw from the Plan, but had not yet been paid.

**Subsequent Events**

Management has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through October 11, 2023, the date these financial statements were available to be issued.

**(3) FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observed for the asset; or inputs that are derived principally from or can be corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used only if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following table presents the balances of the Plan's investments within the fair value hierarchy measured at fair value as of December 31, 2022:

|                                                          | Level 1              | Level 2     | Level 3     | Total                       |

(A) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation techniques and related inputs used for assets measured at fair value at December 31, 2022 and 2021.

**Mutual Funds**

The fair value of mutual funds is based on the quoted NAV of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the United States Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

**Common/Collective Trust**

Investments in the common/collective trust are valued at the NAV of the units held by the Plan based on the fair value of the assets underlying the fund, as reported by the fund manager. NAV is used as a practical expedient for fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily, and there were no redemption or frequency restrictions on the common/collective trust as of December 31, 2022 and 2021. In addition, there were no unfunded commitments related to common/collective trust investments at December 31, 2022 and 2021.

(3 - continued)

**Participant-directed Brokerage Accounts**

Participant-directed brokerage accounts consist of various investments. Cash and money market funds, corporate stocks, mutual funds, exchange-traded funds (“ETFs”) and real estate investment trusts (“REITs”), and U.S. Treasury notes are valued at quoted market prices. Unit investment trusts are valued at the fair value of the underlying assets in the trust.

Investments in participant-directed brokerage accounts consisted of the following at December 31, 2022:

|                             |                            |
|-----------------------------|----------------------------|
| Cash and money market funds | \$ 1,419,080               |
| Corporate stocks            | 4,702,205                  |
| Mutual funds                | 253,490                    |
| ETFs and REITs              | 1,265,378                  |
| U.S. Treasury note          | 244,531                    |
| Unit trusts                 | <u>1,179,857</u>           |
|                             | <u><u>\$ 9,064,541</u></u> |

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

**(4) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are interests in a group annuity contract managed by Transamerica, a mutual fund managed by State Street and a common/collective trust managed by American Trust. Transamerica, State Street and American Trust are the custodians of the Plan’s assets. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to Transamerica or one of its affiliates and American Trust were \$4,516 and \$45,862, respectively, for the year ended December 31, 2022.

Beginning in 2022 the Plan established an Expense Budget Account (“EBA”) funded by Transamerica that is available to pay plan expenses. The balance of the EBA account was \$2,023 at December 31, 2022, and EBA funds totaling \$3,881 were used to pay plan expenses during the year ended December 31, 2022.

**(5) PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their discretionary employer contributions.

**COMMONWEALTH ANESTHESIA, PSC 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**(6) TAX STATUS**

The Plan is based on a pre-approved plan which has received a favorable opinion letter from the IRS dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. The plan sponsor has not separately applied for a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**(7) RISKS AND UNCERTAINTIES**

The Plan invests in mutual funds, a common/collective trust, participant-directed brokerage accounts and a group annuity contract that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**(8) GROUP ANNUITY CONTRACT**

The Plan offers participants the option to invest in the Transamerica Guaranteed Investment Option (the "Fund"), which is a group annuity contract that offers a full guarantee on principal and interest by Transamerica. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The interest crediting rate in effect at December 31, 2022 was 2.95%.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented in the statements of net assets available for benefits at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events such as a plan merger or termination could limit the Plan's ability to transact at contract value with Transamerica. Upon occurrence of any such event, a market value adjustment or withdrawal restrictions may apply. The plan administrator was not aware of any events that would have limited the Plan's ability to transact at contract value at December 31, 2022 and 2021.

**(9) INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management has obtained certifications from Transamerica and State Street as of December 31, 2022 and for the period from October 1, 2022 to December 31, 2022, and American Trust as of December 31, 2021 and for the period from January 1, 2022 to September 30, 2022, stating that the certified investment information is complete and accurate. The following is a summary of the information included in the Plan's financial statements and supplemental schedule that was obtained from data prepared and certified to as complete and accurate by the custodians.
