Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
DAC Group/USA 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DAC Group/USA 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Plan's Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Plan's Financial Statements section –

- The amounts and disclosures in the Plan's financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the Plan's financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DAC Group/USA 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DAC Group/USA 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DAC Group/USA 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DAC Group/USA 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DAC GROUP/USA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the DAC Group/USA 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of DAC Group/Chicago, Inc. (the Plan Sponsor), DAC Group/Louisville Inc. and DAC Group/New York Inc. (participating employers). The Plan was effective as of January 1, 1992 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by the Plan Sponsor. The Plan's assets are participant directed and are held in trust and managed by Ascensus Trust Company (the custodian). The Plan Sponsor pays a portion of Plan expenses with the remainder allocated to participants in the Plan.

Eligibility

All employees who have attained 21 years of age, with the exception of union employees, nonresident aliens, leased employees, residents of Puerto Rico, part-time employees, temporary employees and seasonal employees, are eligible to begin salary deferrals on the first day of the Plan year quarter coinciding with or next following the date the employee satisfies the eligibility requirements.

Contributions

Participants may make voluntary pre-tax and post-tax contributions in the form of salary reductions up to 100% of their annual compensation, as defined, subject to certain limitations under the terms of the Plan and Internal Revenue Code (IRC).

The Plan was amended during 2022 to allow employer matching contributions, effective May 1, 2022. The Plan Sponsor makes matching contributions equal to 50% of the first 3% of participant elective deferrals. Participants are immediately eligible for employer matching contributions. The Plan accepts direct rollovers as a result of eligible rollover distributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, an allocation of Plan earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee salary deferrals. The Plan provides for vesting of Plan Sponsor contributions of 100% after two years of service. A participant has no vested interest until two years of service have been completed.

1. DESCRIPTION OF PLAN (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options as indicated by the Plan sponsor, which provide diversified investment allocations.

Benefit Payments

Upon termination of service, a participant may elect to leave their funds in the Plan, receive a lump-sum amount equal to the value of the account, or rollover their funds into another plan in accordance with Plan provisions. Participant consent is only required if the value of the distribution is over \$5,000. Additionally, the Plan provides for in-service withdrawals once a participant reaches age 59 ½ even if still employed.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant's elective deferrals. Hardship withdrawals can only be made if there is an immediate and heavy financial need, as defined in the plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts then credited to the account of any affected participant shall become 100% Vested and shall not thereafter be subject to forfeiture.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States (GAAP).

Investments

Investments, including money market and mutual funds, are stated at fair value based on quoted market prices. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

Payments of Benefits

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts in the financial statements, supplemental schedule and accompanying notes. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Forfeitures

Forfeitures of non-vested account balances are used to pay administrative expenses or to reduce employer contributions. Forfeitures totaled approximately \$6,500 and \$-0- during 2022 and 2021, respectively, and were used to reduce employer contributions.

Fair Value of Financial Instruments

Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan's money market and mutual funds are valued utilizing level 1 inputs.

- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 2 inputs.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan did not have any financial assets or liabilities measured at fair value utilizing Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Plan sponsor is required to determine whether a tax position of the Plan is more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. As of December 31, 2022, the Plan has not recorded any provisions for accrued interest and penalties related to uncertain tax positions. By statute, tax years 2019 through 2022 remain open to examination by the major taxing jurisdictions to which the Plan is subject.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 11, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash and equivalents	\$ 45,066	\$ -	\$ -	\$ 45,066

4. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income, including net appreciation (depreciation) in fair value of investments and dividends and interest, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- The schedule of assets held for investment purposes as of December 31, 2022 as shown on Schedule I.

5. TAX STATUS

The Plan has obtained an opinion letter for the prototype of the Plan, dated June 30, 2020, in which the Internal Revenue Service stated that the form of the Plan was in compliance with the applicable provisions of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company (Ascensus) is the custodian of the Plan. DAC Group/Chicago, Inc. is the Plan Sponsor and DAC Group/Louisville Inc. and DAC Group/New York Inc. are participating employers in the Plan. As such, transactions among Ascensus, DAC Group/Chicago, Inc., DAC Group/Louisville Inc. and DAC Group/New York Inc. and the Plan qualify as party-in-interest transactions.

7. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

For the Plan year 2022, the Plan Sponsor did not remit participant contributions and employer matching contributions for six pay periods to the custodian in a timely manner based on when the contributions were withheld from the participants' paychecks as required under Department of Labor Regulations §2510.3-102. The delinquent contributions totaled \$255,340 during the year ended December 31, 2022.

Once discovered, the Company filed IRS Form 5330 to report and pay an excise tax with respect to the late remittance, and the participant accounts were credited with the amount of investment income that would have been earned had the participant contributions and employer matching contributions been made on a timely basis. Such amounts are not material to the Plan's financial statements.
