FirstService Residential 401(k) Plan
Dania Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FirstService Residential 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FirstService Residential 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FirstService Residential 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FirstService Residential 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FirstService Residential 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FirstService Residential 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRSTSERVICE RESIDENTIAL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the FirstService Residential 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of FirstService Residential, Inc. (the "Sponsor" or the "Company"). All employees, as defined by the Plan, are eligible to participate in the Plan upon the 1st day of the month after completing two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 75% of their pretax annual compensation, as defined in the Plan, up to the statutory maximum. Roth contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company made matching contributions equal to 40% of the first 6% of compensation that a participant contributed to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Sponsor's contribution and earnings from participant directed investments, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants with 3 or more years of service shall be 100% vested in all accrued and future employer contributions.

Forfeitures

Forfeitures are those amounts of the Company's matching contributions in which a participant is not fully vested at the time of termination. These accounts are used to reduce future employer contributions or pay plan expenses. During 2022, no forfeited non-vested accounts were used to reduce future employer contributions or pay Plan expenses. There were \$394,348 and \$160,795 of forfeited non-vested accounts at December 31, 2022 and 2021, respectively.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions to various investment options offered by the Plan. The Plan allows participants to change their investment options daily.

Notes Receivable from Participants

A participant may borrow from their fund account a minimum of \$500 up to a maximum equal to the lesser of 50% of a participant's vested account balance or \$50,000. Participants may only have up to one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at the prime rate, plus one percent, based on the loan application date. Principal and interest is paid ratably through payroll deductions.

Plan Administration

The Plan is administered by the Company. The Plan assets are maintained by its trustee, Reliance Trust Company ("Reliance") for the period of August 9, 2022 to December 31, 2022. The Plan assets were previously maintained by its former trustee, State Street Bank and Trust Company ("State Street") for the period of January 1, 2022 to August 8, 2022 and 2021. The Plan's record-keeper is JP Morgan Invest Holdings LLC ("JP Morgan") for the period of August 9, 2022 to December 31, 2022 and was Transamerica Retirement Solutions ("Transamerica") for the period of January 1, 2022 to August 8, 2022 and 2021.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's vested account balance is greater than \$1,000, but such balance is \$5,000 or less at the date of death, disability, retirement or termination of employment, and the participant has failed to make a distribution election within 45 days, the participant's vested interest in his or her account will be automatically rolled over into an IRA. Also, if the participant's vested account balance is \$1,000 or less, and a timely distribution or rollover election is not made, the participant's vested account balance will be paid directly to the participant by check as a mandatory distribution. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of employer contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value, except for its common collective trust, which is stated at the net asset value as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments less its liabilities. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments to participants are recorded when paid.

Plan Expenses

Certain administrative functions are performed by employees of the Company. No such employees receive compensation from the Plan. Certain administrative expenses, such as professional fees, may be paid directly by the Company. Plan expenses are recorded when incurred.

An allocation of approximately 0.1 percent of plan earnings is deposited into the Plan's Expense Budget Account (EBA). The amount allocated to each participant is based upon the earnings and revenue sharing percentage of the funds selected. For the year ended December 31, 2022, participants were charged \$111,085. Funds from this account may not be used to offset employer contributions. At December 31, 2022 and 2021, the balance in the EBA account was \$352,902 and \$399,214, respectively, and \$108,890 of administrative and investment advisory expenses were paid during 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Party-In-Interest Transactions

Certain mutual funds are managed by its record-keeper, JP Morgan, for the period of August 9, 2022 to December 31, 2022. The Plan's former investment in units of a common collective trust was managed by its former record-keeper, Transamerica for the period of January 1, 2022 to August 8, 2022 and 2021. Therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan had a cash investment account managed by State Street from the period January 1, 2022 to August 8, 2022, who was the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan also has notes receivable from participants that qualify as party-in-interest transactions.

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Concentrations

As of December 31, 2022, all of the Plan's investments are held by Reliance, located in Atlanta, Georgia. As of December 31, 2021, all of the Plan's investment assets were held by, State Street, located in North Quincy, Massachusetts.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY PLAN'S TRUSTEES (UNAUDITED)

The following information included in the accompanying financial statements was obtained from data that has been prepared by and certified as complete and accurate by Reliance for the period August 9, 2022 to December 31, 2022 and State Street for the period January 1, 2022 to August 8, 2022 and 2021.

	2022	2021
Investments:		
Mutual funds	\$ 196,159,283	\$ 238,092,649
Common collective trust	12,914,840	8,493,332
Interest bearing cash	-	560,073
Notes receivable from participants	5,023,383	5,762,287
	<hr/>	<hr/>
	\$ 214,097,506	\$ 252,908,341

For the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the Plan year) depreciated in value by \$55,616,301.

In addition, during the year ended December 31, 2022, dividends related to the Plan's investments and interest on notes receivable from participants amounted to \$16,576,027 and \$249,823, respectively. At December 31, 2022, the interest rate on notes receivable from participants ranged from 4.16% to 8.25%. At December 31, 2021, the interest rate on notes receivable from participants ranged from 4.25% to 6.5%.

NOTE 4. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require the Plan to report its investments at fair value on a recurring basis. Fair value is measured by a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follow:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A description of the valuation methodologies used for assets measured at fair value is included in Note 2. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022 and 2021:

ASSETS, at fair value as of December 31, 2022	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds, representing total investments in the fair value hierarchy	\$ 196,159,283	\$ -	\$ -	\$ 196,159,283
Common collective trust, measured at NAV (a)				12,914,840
Total investments measured at fair value				<u>\$ 209,074,123</u>

ASSETS, at fair value as of December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 238,092,649	\$ -	\$ -	\$ 238,092,649
Interest bearing cash	560,073	-	-	560,073
Total investments in the fair value hierarchy	<u>\$ 238,652,722</u>	<u>\$ -</u>	<u>\$ -</u>	238,652,722
Common collective trust, measured at NAV (a)				8,493,332
Total investments measured at fair value				<u>\$ 247,146,054</u>

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

- (a) Certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The investments in common collective trusts are investments in a direct filing entity. There are no unfunded commitments or redemption restrictions related to this investment and participants may redeem units in the fund daily.

NOTE 5. EXCESS CONTRIBUTIONS PAYABLE

The Plan failed the discrimination test for the years ended December 31, 2022 and 2021, resulting in excess contributions amounting to \$895,068 and \$598,248, respectively, which are recorded as liabilities in the accompanying statements of net assets available for benefits. The excess contributions made during 2022 and 2021 were reimbursed to participants during 2023 and 2022, respectively.

NOTE 6. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan assesses its tax positions in accordance with “Accounting for Uncertainties in Income Taxes” as prescribed by the Accounting Standards Codification, which provides guidance for financial statement recognition and measurement of uncertain tax positions taken or expected to be taken in a tax return for open tax years (generally a period of three years from the later of each return’s due date or the date filed) that remain subject to examination by the Plan’s major tax jurisdictions.

The Plan assesses its tax positions and determines whether it has any material unrecognized liabilities for uncertain tax positions. The Plan records these liabilities to the extent it deems them more likely than not to be incurred. Interest and penalties related to uncertain tax positions, if any, would be classified as a component of income tax expense.

The Plan believes that it does not have any significant uncertain tax positions requiring recognition or measurement in the accompanying financial statements.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31 to Schedule H of the Form 5500:

	2022	2021

Excess contributions payable - prior year	(598,248)
Net loss per the Form 5500	\$(38,697,437)

NOTE 8. SUBSEQUENT EVENTS

Plan Transfers

On January 3, 2023, \$13,737,386 of assets were transferred to the Plan from the FirstService Residential Minnesota 401(k) Plan (the "Minnesota Plan") as a result of a merger of the Minnesota Plan into the Plan.

On January 6, 2023, Atlantic Pacific Property Management LLC ("Atlantic Pacific") began participating in the Plan. A total of \$1,088,007 of assets were transferred to the Plan as a result of Atlantic Pacific participating in the Plan.

On January 18, 2023, a participating employer, The Planned Companies, stopped participating in the Plan and \$7,736,983 of assets associated with The Planned Companies participants were transferred out of the Plan to the newly formed Planned Companies 401(k) Plan.

Plan Amendment

Effective January 1, 2023, the Plan has been amended and restated. The Sponsor elected to remove the eligibility requirements. Employees are now eligible to participate in the Plan upon the commencement of employment.

Evaluation Date

The Company has evaluated subsequent events through October 10, 2023, which is the date the accompanying financial statements were available to be issued.
