Part I	Asset and Liability Statement
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of Physicians'
Practice Enhancement, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Physicians' Practice Enhancement, LLC 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Physicians' Practice Enhancement, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Physicians' Practice Enhancement, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan covers substantially all employees, except for coders (employees that assign codes to patient charts for billing and are paid by item), who are age twenty-one or older.

Employees may enter the Plan immediately upon satisfying the eligibility requirements. Employees meeting the Plan's eligibility requirements are permitted to make deferrals into the Plan. In addition, the Plan sponsor may make discretionary matching contributions as well as discretionary profit sharing contributions. In order to receive an allocation of matching and profit sharing contributions, an employee must complete 1,000 hours of service during the plan year unless employed on the last day of the plan year or separated from service by death, disability or termination of employment on or after attaining normal retirement age.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustee is responsible for oversight of the Plan. The Company is the Plan Administrator and is responsible for the day-to-day operations of the Plan. The Plan's trustee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Participants may contribute up to 100% of eligible compensation, as defined by the Plan, on either a pre-tax deferral basis or on an after-tax basis as a Roth 401(k) deferral. Participants that are fifty years of age or older may make catch-up contributions to the Plan. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans and individual retirement accounts as rollover contributions. The Company and its affiliates may make discretionary matching contributions and profit sharing contributions, which are allocated as of the last day of the plan year. Matching contributions are a discretionary percentage allocated proportionately to the elective deferrals. For 2022, the Company and its affiliates made matching contributions of 10% of deferrals up to 10% of compensation, with a maximum match of \$600, for all eligible participants. There were no profit sharing contributions declared for 2022. The matching contribution for the year ended December 31, 2022, which totaled \$36,925 prior to the application of forfeitures, was funded in 2023. Participants direct the investment of contributions into various investment options offered by the Plan and may change their investment options at any time.

1. Description of plan (Continued)

Participant accounts

Each participant's account is credited with the participant's elective and rollover contributions and employers' matching contributions, as well as allocations of the employers' profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary and rollover contributions. Participants are fully vested in their employer matching and profit sharing contributions, and earnings thereon, using a graded vesting schedule, after completing six years of service. Additionally, participants become 100% vested if separated from service due to death or if employed after their normal retirement date.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000. The loans are collateralized by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions over a period generally not to exceed sixty months. If the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term. A participant may have no more than one loan outstanding at any time, refinancing of loans is not permitted and interest is charged at the prime rate in effect at the loan's inception plus 1%.

Payment of benefits

Benefits are generally paid in the form of a lump sum.

Participants may withdraw all or a portion of the vested portion of their accounts if they:

- terminate employment before attaining normal retirement age
- become disabled
- retire
- die
- attain normal retirement age but continue to work, or
- qualify for in-service distributions upon attaining age 59 ½

In addition, participants may withdraw their employee 401(k) contributions, and earnings thereon, if they incur a financial hardship. Hardship distributions are also permitted from non-elective and matching contributions. Additionally, in-service distributions are always permitted from a participant's rollover account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

1. Description of plan (Continued)

Forfeited accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,168 and \$4,409, respectively. These amounts may be used to restore previously forfeited account balances of participants, reduce future employer contributions, and pay administrative expenses. During the year ended December 31, 2022, forfeitures totaling \$3,062 were utilized to reduce the funding of the year ended December 31, 2021 employer matching contribution and forfeitures totaling \$3,285 were used to pay administrative expenses.

Remittance of contributions

The Company remits employee deferral contributions to the Plan on a payroll by payroll basis. The Company remits employer matching and profit sharing contributions after the close of the plan year.

2. Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies using information provided by the custodian or trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for loan losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Tax status

Effective December 1, 2021, through the adoption of a Non-standardized Pre-Approved Profit Sharing Plan with CODA developed by DST Retirement Solutions, LLC (DST), the Plan was amended and restated (see Note 8). The Internal Revenue Service (IRS) issued an opinion letter dated June 30, 2020 stating that the preapproved defined contribution plan document was designed in accordance with the applicable Internal Revenue Code (IRC) requirements as of that date. Prior to the December 1, 2021 amendment and restatement of the Plan, the Plan had adopted a Prototype Non-standardized Profit Sharing Plan with CODA developed by Professional Pension Planners, Inc. (PPP). The IRS had determined and informed PPP by its IRS opinion letter dated March 31, 2014, that the form of the prototype non-standardized profit sharing plan as then designed was in compliance with applicable provisions of the IRC. Although the Plan had been amended since receiving the opinion letters, management of the Plan believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified and the related trust is tax exempt. Accordingly, there is no provision for income taxes in the accompanying financial statements.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if they have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's policy is to recognize interest and penalties related to unrecognized tax benefits in income tax expense.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for the benefits.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of significant accounting policies (Continued)

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the affected participant's account and are included in administrative expenses. Fees for third-party administration, recordkeeping and investment advisory services are also included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

3. Investments and fair value of financial instruments

ASC Topic 820, *Fair Value Measurement*, provides a framework for measuring, reporting and disclosing fair value under generally accepted accounting principles. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

3. Investments and fair value of financial instruments (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds) and money market funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common investment trust - Valued based on the NAV of units in each account held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying assets comprising the account less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Assets at fair value at December 31, 2022 were as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 9,318			\$ 9,318
Mutual funds	9,269,983			9,269,983
Investments measured at net asset value (a) Common investment trusts				<u>318,313</u>
Total investments at fair value	<u>\$ 9,279,301</u>			<u>\$ 9,597,614</u>

3. Investments and fair value of financial instruments (Continued)

Assets at fair value at December 31, 2021 were as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 12,437			\$ 12,437
Mutual funds	11,402,750			11,402,750
Investments measured at net asset value (a) Common investment trusts				<u>345,839</u>
Total investments at fair value	<u>\$11,415,187</u>			<u>\$11,761,026</u>

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

At December 31, 2022, investments in target allocation and the American Funds American Balanced R6 funds comprised 70% of total value of the investments held in the Plan.

Changes in fair value levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers in or out of Levels 1, 2, or 3 for the years ended December 31, 2022 and 2021.

Investments measured using the net asset value per share practical expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

<u>Investment Type</u>	<u>Fair Value</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>as of December 31, 2022</u>	<u>2021</u>

4. Investment information certified by a qualified institution

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, a qualified institution and the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule. The trustee certified the following as complete and accurate:

- a. The investments, at fair value, at December 31, 2022 and 2021.
- b. Net depreciation in fair value of investments for the year ended December 31, 2022.
- c. Interest and dividend income for the year ended December 31, 2022.
- d. Schedule H, Line 4i-Schedule of Assets (Held at End of Year), except for participant loans.

5. Related party and party-in-interest transactions

Certain plan investments are mutual funds and money market funds of T. Rowe Price (TRP). TRP Retirement Plan Services, Inc. provides recordkeeping and administrative services to the Plan. Investments in TRP target allocation funds comprised 52% of total investments.

The Plan also issues loans to its participants which are secured by the participants' account balances.

Transamerica Life Insurance Company (Transamerica) was the custodian of the Plan through November 30, 2021. Transamerica and the Plan had established an Annual Expense Budget Account (EBA) under which the Plan received a credit of .38% of assets allocated to all investments active under the Plan. The amounts received under the EBA were used to pay the costs of services provided to the Plan by an affiliate of Transamerica. As of December 1, 2021, the unused balance from the EBA was transferred to TRP Retirement Plan Services, Inc. into a plan expense account to pay any fees and expenses. At December 1, 2022 and 2021, respectively, \$8,151 and \$8,028 is available to offset future expenses.

These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules under ERISA.

Certain administrative functions of the Plan are performed by employees of the Company. No such employee receives compensation from the Plan.

6. Operational deficiency

The Plan did not operate in accordance with certain provisions of the Plan document with regard to compensation and participant deferral elections in certain instances during the years ended December 31, 2016 through 2019 and 2021. The Plan has accrued corrective contributions receivable of \$44,900 and \$42,900 at December 31, 2022 and 2021, respectively, for its estimate of deferrals, matching contributions and lost income to be restored to the Plan.

7. Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 9,701,623	\$11,838,343
Corrective contributions receivable	<u>(44,900)</u>	<u>(42,900)</u>
Net assets available for benefits per the Form 5500	<u>\$ 9,656,723</u>	<u>\$11,795,443</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2022 to Form 5500:

Contributions per the financial statements	\$ 1,011,848
Corrective contributions receivable, beginning of year	42,900
Corrective contributions receivable, end of year	<u>(44,900)</u>
Contributions per the Form 5500	<u>\$ 1,009,848</u>

8. Plan amendment

Effective December 1, 2021, the Plan was amended and restated by adopting a non-standardized defined contribution pre-approved plan in order to make general administrative changes including incorporating plan amendments and adopting required amendments pursuant to statutory changes.

On November 21, 2022, the Plan was formally amended to adopt provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) and other law changes.
