## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee  
ENT and Allergy Associates, LLP 401(k) Profit Sharing Plan I

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of ENT and Allergy Associates, LLP 401(k) Profit Sharing Plan I (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Information Required by ERISA**

The supplemental schedule H, line 4a - delinquent participant contributions and schedule H, line 4i - assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**1. DESCRIPTION OF PLAN**

The following description of the ENT and Allergy Associates, LLP 401(k) Profit Sharing Plan I (the "Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the "Plan Document").

General

The Plan, as amended and restated effective January 1, 2019, is a defined contribution plan covering all eligible employees of ENT and Allergy Associates, LLP (the "Plan Sponsor" or the "Partnership"). Effective January 1, 2020, an affiliate of the Plan Sponsor, QMMS USA, LLC, elected to become a participating employer of the Plan.

Principal Life Insurance Company or Principal Trust Company (the "Custodian" or "Principal") serve as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC"). The Administrative Committee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Administrative Committee.

Eligibility

The Plan covers all partners and C-Suite employees of the Plan Sponsor, regardless of their Social Security number, along with full-time employees of the Plan Sponsor, whose respective nine-digit Social Security number ends in a 0, 1, 2, 3, or 4. A C-Suite employee holds the title of Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Chief Legal Officer, or Chief Strategy Officer. Prior to July 1, 2022, such employees became eligible to participate in the Plan to make elective deferrals and receive employer contributions after completing one year of service including at least 1,000 hours, and attaining the age of 21. Effective from July 1, 2022, employees who have attained the age of 21 are immediately eligible to make elective deferrals, but must still meet the one year of service requirement to receive employer contributions. An employee's entry date into the Plan will be on the first day of the Plan year quarter coinciding with or next following the date satisfaction of eligibility is met. The Plan excludes employees who are covered under a collective bargaining agreement, certain nonresident aliens, leased employees, independent contractors and interns.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to Plan and IRC limits. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participating employees are eligible to make catch-up contributions under the Plan provided the participating employees have attained or will attain the age of 50 before the close of the year. The amount of catch-up contributions allowed by the Internal Revenue Service ("IRS") was \$6,500 for both 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Prior to January 1, 2022, the Plan automatically enrolled newly eligible participants into the Plan using a pre-tax 4% deferral rate. Effective January 1, 2022, the initial pre-tax deferral rate was increased to 5%. The deferral rate will be automatically increased by 1% up to a maximum automatic elective deferral of 8% as of each anniversary of the participant's date of hire. Participants can elect to opt out of automatic enrollment. Effective January 1, 2023, the maximum automatic elective deferral rate was increased to 15%.

**1. DESCRIPTION OF PLAN (CONTINUED)**

Contributions (Continued)

The Partnership is required to make a qualified non-elective contribution ("QNEC") of at least 3% of each eligible participant's compensation for the full year. Contributions made under the QNEC are exempt from the Plan's vesting schedule.

The Partnership may also make a discretionary profit-sharing contribution to eligible participants equal to a uniform percentage of the participant's salary deferral. The uniform percentage may vary based on employee classification. The Partnership determines the amount of the discretionary percentage on an annual basis.

The Partnership, at its sole discretion, may also make a matching contribution to participant accounts. No matching contribution was made for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon, as well as all QNEC contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and profit-sharing contributions are as follows:

| <u>Description</u> | <u>Vesting Percentage</u> |
|--------------------|---------------------------|
| Less than 3 years  | 0%                        |
| 3 years and above  | 100%                      |

Notes Receivable from Participants

Participants may borrow from their vested account balance up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The funds required to satisfy a borrowing request are withdrawn on a pro-rata basis from various investment funds in the participant's account. The borrowings generally must be fully repaid within five years. Borrowings for a primary residence may be repaid within a reasonable time based on the discretion of the Plan's administrator.

The loans are secured by the vested balance in the participant's account and bear interest at a rate equal to prime plus 2%, set at inception of the loan and fixed for the duration. At December 31, 2022, interest on participant notes receivable ranged from 4.25% to 9.00%. Principal and interest repayments are credited directly to the borrower's respective account and are generally repaid via payroll deductions.

Participant Distributions

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or annual installments over a period of not more than their assumed life expectancy as determined at the time of distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**1. DESCRIPTION OF PLAN (CONTINUED)**

Forfeited Accounts

Forfeitures of the Plan Sponsor's discretionary contributions are used first to pay for the administrative expenses of the Plan and then to reduce employer contributions. At December 31, 2022 and 2021, there were \$6,541 and \$7,881 of unallocated forfeited accounts, respectively. Plan expenses of \$8,209 for the year ended December 31, 2022, were paid from forfeited nonvested accounts.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated accounts are recognized in the year such adjustments are determined.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 3 for a discussion of fair value measurements.

Investment contracts held by a defined-contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to a guaranteed interest account because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Partnership and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Payment of Benefits

Benefits are recorded when paid to Plan participants.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 11, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

**3. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under the standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2022 and 2021:

<sup>(1)</sup> Includes pooled separate accounts which are measured at the net asset value ("NAV") as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

*Mutual funds* are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts* invest in mutual funds and are valued at the NAV per unit as reported by the sponsor of the collective trust funds and are derived from the exchange where the underlying securities are generally traded and redeemable daily. The units of the pooled separate accounts are determined at the close of each business day and are adjusted for dividends or distributions received by the Custodian and the daily equivalent of any fees charged.

**4. NET ASSET VALUE PER SHARE**

**5. FIXED INCOME GUARANTEED OPTION**

The Plan has a fully benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The fixed income guaranteed option is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. As of December 31, 2022 and 2021, the guaranteed crediting rate was 1.75% and 1.55%, respectively.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract was equal to the contract value at December 31, 2022 and 2021. The crediting interest rate is based on a formula agreed upon with the issuer. The interest rate is reviewed periodically for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

**6. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, which was prepared by or derived from information prepared by the Custodian and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Custodian that such information along with the information included in the schedule H, line 4(i) - assets (held at end of year) as of December 31, 2022, excluding notes receivable from participants, is complete and accurate.

**7. RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in combinations of pooled separate accounts, mutual funds and collective trust arrangements. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**8. TAX STATUS**

The Plan uses a prototype plan document sponsored by Principal, which received an opinion letter from the IRS dated March 31, 2014, stating that the prototype document satisfied the applicable provisions of the IRC. Although the Plan has been amended since Principal received the opinion letter, the Plan Sponsor believes that the amended Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of the IRC. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**DECEMBER 31, 2022 AND 2021**

**9. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Additionally, substantially all administrative expenses are paid directly by the Plan Sponsor.

The Plan's investment options include shares in pooled separate accounts and a collective trust fund managed by the Custodian. Accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

**10. PROHIBITED TRANSACTIONS**

The Plan Sponsor did not remit certain participant contributions and loan repayments to the Plan totaling \$3,923 within the time period as defined by ERISA. These contributions are considered nonexempt party-in-interest transactions, which may result in an immaterial imposition of an excise tax on the amount of the transactions. The Plan Sponsor entered into the Department of Labor's Voluntary Fiduciary Correction Program ("VFCP") to determine the amount of lost earnings. For the Plan year 2022, the Plan Sponsor has compensated participants by making restorative payments of potential lost earnings in the aggregate amount of \$20 in April 2022.

**11. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their accounts.
