INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Special-Lite, Inc. Retirement and Savings Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Special-Lite, Inc. Retirement and Savings Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on 2021 Financial Statements

The financial statements of the Plan as of December 31, 2021, were audited by Jansen Valk Thompson Reahm P.C., who merged with UHY LLP as of October 25, 2022, and whose report dated July 27, 2022, expressed an unmodified opinion on those financial statements. In our opinion, the comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

SPECIAL-LITE, INC. RETIREMENT AND SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Special-Lite, Inc. Retirement and Savings Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan available to qualifying employees of Special-Lite, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan when they attain age 18 and complete one month of service, provided they are not a union employee, nonresident alien, or temporary employee. In order to be eligible for employer matching and nonelective contributions, an employee must complete one year of service, equal to 1,000 hours worked during the year, and be employed on the last day of the Plan year. Effective January 1, 2023, employees must complete six months of service to be eligible for the safe harbor contribution.

Contributions

Participants may contribute up to the maximum amount allowable by law. The Plan includes an auto enrollment feature of 3% of pre-tax eligible compensation. This feature may be waived by the participant. Participants may contribute amounts representing rollovers from other qualified plans and make Roth contributions on an after-tax basis. The Plan also allows for catch-up contributions for those age 50 and over during the Plan year, subject to certain limitations.

The Company may make matching contributions to the Plan as determined by management. In 2022 and 2021, the Company elected to match 30% of participant deferrals, up to 9% of eligible compensation. Matching contributions were \$190,582 for 2022 and \$187,232 for 2021. In addition, the Plan is a safe harbor plan and utilizes safe harbor provisions in its compliance testing. The Company provides a non-elective safe harbor contribution of 3% of annual eligible compensation. Safe harbor contributions were \$391,534 for 2022 and \$326,250 for 2021. The Plan also provides for discretionary profit-sharing contributions. The Company made discretionary profit-sharing contributions of 7% of annual eligible compensation for 2022 and 2021. Profit-sharing contributions were \$634,470 for 2022 and \$626,846 for 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, the Company’s safe harbor contribution, allocation of the Company discretionary profit-sharing contribution (when made) and Plan earnings or losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SPECIAL-LITE, INC. RETIREMENT AND SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are fully vested immediately with respect to the Company's non-discretionary safe harbor matching contributions, employee contributions, rollovers and earnings thereon. The Plan provides that participants have no vested interest in the Company's discretionary profit-sharing contributions until they have completed two years of service, at which time they become 20% vested. Vesting increases by 20% each year up to 100% after six years of plan participation and service.

Payment of Benefits

Participants are eligible for Plan distributions upon reaching the age of 65, termination of employment, retirement, total or permanent disability, or death. Participants may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account, equal installments, or partial withdrawals, provided the minimum withdrawal is \$1,000. If a participant's account balance is less than \$1,000, the Plan reserves the right to immediately make a lump-sum distribution. Participants who have reached age 59½ may take in-service withdrawals. Hardship withdrawals are also available to participants with certain types of immediate and heavy financial need from the participant's elective deferral account.

Forfeitures

Forfeitures that resulted from the nonvested portions of accounts of participants who terminate employment prior to being fully vested may be used to reduce the Company's future contributions, except safe harbor contributions, or pay plan expenses. Forfeited nonvested account balances totaled \$1,313 and \$8,537 at December 31, 2022 and 2021, respectively. Forfeitures used to reduce employer contributions and/or plan administrative expenses were \$32,312 and \$31,349 during the plan years ended December 31, 2022 and 2021, respectively.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company paid expenses totaling \$84,996 in 2022 and \$94,793 in 2021 on behalf of the Plan. Fees related to the administration of the Plan, including distribution fees that are charged directly to participants accounts, are included in administrative expenses. Total administrative expenses paid by the Plan for the years ended December 31, 2022 and 2021 were \$59,276 and \$56,895, respectively. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset (an exit price) or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated by management through October 11, 2023, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS

Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset. The Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Money market fund: Valued at the net asset value (NAV) of shares held by the Plan at year-end and determined based on the value of the underlying investments of the fund. The money market fund seeks to maintain a \$1.00 NAV.

Mutual funds: Valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Underlying investments consisting of mutual funds, money market funds, corporate bonds and government securities; see the valuation methodology for money market and mutual funds above. Corporate bonds and government securities are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing values on yields currently available on comparable securities of issuers with similar credit ratings.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although plan management believes the valuation methods are appropriate and consistent with those participating in the market, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Plan investment assets at fair value set forth by level within the fair value hierarchy are as follows:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 563,140	\$ -	\$ -	\$ 563,140

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Greenleaf Trust, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, as shown in the accompanying statements of net assets available for benefits as of December 31, 2022.
- Investment income, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022.
- Investment information included in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Greenleaf Trust is the trustee as defined by the Plan and, therefore, fees paid to Greenleaf Trust qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investments. The Plan made direct payments to the trustee of \$59,276 and \$56,895 for the years ended December 31, 2022 and 2021, respectively. The Company pays directly any other fees related to the Plan's operations. A member of the Board of Directors of Special-Lite, Inc. is the Chairman of the Board of Greenleaf Trust, trustee of the Plan. In addition, another member of the Board of Directors of Special-Lite, Inc. is also a member of the Board of Directors of Greenleaf Trust.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in employer matching and discretionary profit-sharing contributions, plus actual earnings thereon.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed Greenleaf Trust, the trustee of the Plan, by an opinion dated June 30, 2020, that the Prototype Standardized Profit-Sharing Plan with a cash or deferred arrangement (the prototype plan upon which the Plan is based) is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax-exempt.
