INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants
Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan
Birmingham, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the financial statements referred to above related to assets held by and certified by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Carr, Allison, Oliver, & Sisson, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statement, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for the purpose of additional analysis but is supplementary information required by the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CARR, ALLISON, OLIVER & SISSON, P.C.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note A - Description of Plan

The following description of the Carr, Allison, Oliver & Sisson, P.C. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Carr, Allison, Oliver & Sisson, P.C. who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Consolidated Appropriations Act of 2023 was signed into law on December 29, 2022, which includes the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") 2.0. SECURE Act 2.0 contains over 90 new provisions related to retirement, with varying effective dates through 2027. As these provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there was no material impact on the Plan for these financial statements.

Eligibility

The Plan is open to all full-time employees age 21 and over, after one year of service. Once the age and service requirements are met, the employee may enroll on the next January 1 or July 1.

Contributions

Eligible employees may elect to contribute a maximum of 100% of compensation to the Plan, subject to annual deferral limits imposed by the tax code. Participants age 50 and over may make an additional deferral classified as a "catch up contribution". The employer's contribution (which qualifies as a Safe Harbor Non-elective Contribution under the Internal Revenue Code) is 3% of each participant's compensation. The Company may also contribute an additional discretionary profit-sharing amount.

Participant Accounts

The Company remits contributions to the Plan custodian, Fidelity Management Trust Company (Fidelity), who holds the plan assets and executes investment transactions as directed. Fidelity maintains the records of participant data and activity. Participants direct the investment of their account through a choice of mutual funds.

Note A - Description of Plan - Continued

Each participant's account is credited with the participant's contributions, employer contributions, an allocation of the Plan's earnings and a pro-rata charge for administrative expenses. Earnings are allocated daily based on a participant's account balances. The plan document provides for allocation provisions and the disposition of forfeitures.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested balance. Loans are secured by the vested balance of the participant's account, bearing interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. The interest rates on loans outstanding at December 31, 2022 and 2021 ranged from 4.25% to 7.25%. Principal and interest are paid ratably through payroll deductions within five years. There may only be two outstanding loans at a time, and no loan may be refinanced.

Vesting

Vesting is based on years of service, as defined by the Plan. Company discretionary profit-sharing contributions to a participant's account do not fully vest until the completion of six years of service. Participants are immediately vested in their employee deferral contributions and the Safe Harbor Non-elective contributions. Amounts not vested at the time a covered employee ceases to participate in the Plan are forfeited and used to reduce the amount of employer contributions. Forfeiture amounts available to apply to employer contributions as of December 31, 2022, and 2021 were \$12,296 and \$39,246, respectively. Forfeitures of \$42,496 were applied to 2022 contributions.

Payment of Benefits

A participant's account becomes fully vested upon the participant's death, disability or attaining normal retirement age. Upon the participant's termination, death, disability or retirement, the vested benefits allocated to the participant's account may be paid in a lump sum or installments.

Note B - Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued, and there were no events or transactions during that period requiring recognition or disclosure in the financial statements.

Basis of Accounting

The financial statements of Carr, Allison, Oliver & Sisson, P.C. 401(k) Profit Sharing Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Note B - Summary of Significant Accounting Policies (continued)

Financial Statement Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Company or the Plan may pay expenses of the Plan. Plan expenses paid directly by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses is considered necessary as of December 31, 2022, and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Employer and employee contributions are reported in the year services are rendered to the company by Plan participants.

Benefits

Benefits are reported in the year paid.

Note C - Information Prepared and Certified by Custodian (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, Fidelity Management Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments as of December 31, 2022, and 2021 and for the year ended December 31, 2022.

- Investments, at fair value
- Notes receivable from participants
- Dividends and interest
- Net appreciation/depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note D - Fair Value Measurements

FASB ASC Section 820 - *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three broad levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

Note D-Fair Value-Continued

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Valued at the daily closing price which represent the net asset value (NAV) of the shares held reported on the active market on which the individual securities are traded.

Collective trust – Valued using NAV per share practical expedient where the NAV of units held by the Plan are based on the fair value of the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

<u>2022</u>	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
Mutual Funds	\$ 61,868,594	<u>\$ 61,868,594</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV:				
Collective Trust (a)	<u>6,045,417</u>			
Total investments at fair value	<u>\$ 67,914,011</u>			

<u>2021</u>	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
Mutual Funds	\$ 72,616,469	<u>\$ 72,616,469</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV				
Collective Trust (a)	<u>5,624,732</u>			
Total investments at fair value	<u>\$ 78,241,201</u>			

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. There are no unfunded commitments for these investments, they are valued daily, and there are no redemption restrictions.

Note E - Related Party and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the record-keeper of the Plan, and therefore, these transactions qualify as party-in-interest.

Note F - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

Note G - Plan Tax Status

The Plan is exempt from federal income taxes under Section 401(a) of the Internal Revenue Code. The Plan uses a volume submitter plan document that was pre-approved by the IRS on March 31, 2014. The Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS audits for any tax periods in progress. Net assets available for benefits presented in these financial statements agree to net assets as reported on IRS Forms 5500 for 2022 and 2021.

Note H – Reconciliation of Financial Statements to Form 5500

	2022	2021
Net assets per Form 5500	\$ 68,212,871	\$ 78,581,828
Accrued contributions receivable	<u>2,200,026</u>	<u>2,133,342</u>
Net assets per financial statements	<u>70,412,897</u>	<u>\$ 80,715,170</u>
Net decrease in assets per 5500	(10,368,957)	
Accrued contributions	<u>66,684</u>	
Net decrease in assets per financial statements	<u>\$ (10,302,273)</u>	

Note I - Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
