INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
IRWIN NATURALS 401(K) PLAN
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Irwin Naturals 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IRWIN NATURALS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Irwin Naturals 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering employees of Irwin Naturals and Hana Organics, LLC FKA Infinity Resources LLC, and Irwin Naturals Emergence, Inc., related entities under common control, (collectively, the "Employer" or the "Company"). The Plan covers all full-time employees who are age twenty-one or older and have completed three months of service, and part-time employees who are age twenty-one or older, and have completed 1,000 hours of service. The Plan does not cover employees who are residents of Puerto Rico.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On April 1, 2022, the Plan was amended to reflect statutory changes pursuant to the Bipartisan Budget Act of 2018 regarding Final Hardship Regulations and related guidance.

On June 9, 2022, the Plan was amended to automatically rollover vested plan balances of terminated participants in excess of \$1,000 but less than the Code Section 411(a)(11)(A) threshold (\$5,000 as of January 1, 2013) to an individual retirement plan designated by the Plan Administrator.

Effective July 7, 2022, the Plan was amended to add Irwin Naturals Emergence, Inc. as a participating employer.

During 2022, the Plan enacted several provisions from the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act"), which among other things, included provisions that allow participants to withdraw funds penalty-free for emergency expenses and expand catch-up contributions. The various provisions of the SECURE Act that were adopted by the Plan are effective on various dates subsequent to December 31, 2022.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Contributions

The Plan allows participants to make pre-tax and/or Roth contributions, up to 100% of eligible pay or "maximum contribution" of \$20,500 (plus a \$6,500 catch-up for participants that have attained age 50 before the end of the Plan year), in accordance with the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, which are reported as rollovers.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trust funds as investment options for participants.

Participants who meet the eligibility requirements and make eligible contributions are entitled to receive discretionary matching employer contributions equal to the percentage declared for the contribution period, if any, by management. Currently, the Company matches 50% of a participant's deferral, including catch up contributions. The Company match is capped at the lower of 4% of compensation or \$1,500. In order to qualify for the discretionary contributions, a participant must be employed on the last day of the year.

The Plan also provides the Company an option of making discretionary non-elective contributions. No such contributions were made by the Company during 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan, if applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest 20% per year beginning the first year of credited service and become fully vested after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their participant accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at one percent above the prime rate. Loans must be repaid over a maximum five year period, unless it is for the purchase of a principal residence, in which case the loan repayment may extend beyond five years as approved by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to (a) receive a lump sum distribution equal to the value of his/her account, (b) request a direct rollover, (c) receive a combination of both non-rollover and rollover distributions, or (d) may leave the funds in the Plan as deferred vested benefits until required by law to receive minimum distributions. All distributions are made subject to the applicable provisions of the Plan document.

Vested account balances payable that are less than or equal to \$1,000 will be distributed as a lump sum distribution as directed by the Plan administrator. Vested account balances payable that are between \$1,000 and \$5,000 will be rolled over to an individual retirement plan designated by the Plan administrator.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,556 and \$2,650, respectively. Forfeitures of terminated participants' nonvested accounts may be used to pay administrative expenses of the Plan or to reduce employer contributions. In 2022, \$2,615 from forfeited nonvested accounts was used to offset plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Fidelity Investments Institutional ("Fidelity") is the custodian, and recordkeeper of the Plan, and therefore is a party-in-interest to the Plan. Payments to Fidelity for record keeping services totaled \$32,858 for the year ended December 31, 2022.

NFP Retirement, Inc., ("NFP") is the Plan's advisor, and also a party-in-interest to the Plan. Payments to NFP totaled \$29,892 for the year ended December 31, 2022.

Notes receivable from Plan participants and the related interest income are also considered party-in-interest transactions.

NOTE 5 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplementary schedule is complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

NOTE 6 - TAX STATUS OF THE PLAN

The Internal Revenue Service has informed the Company by an opinion letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan is therefore exempt from federal income taxes under the provisions of Section 501(a) of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan's tax counsel believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

IRWIN NATURALS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and valued using level 1 inputs.

IRWIN NATURALS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

Common collective trust funds: Consist of investments in various pooled funds, of which underlying investments may consist of mutual funds, bonds, stocks, index funds. The investment strategies are designed to maximize assets for retirement consistent with the risk level and projected retirement date associated to each fund, or by seeking replication of an indexing strategy, as applicable. The Plan's interests in the collective trust funds are valued based on the net asset value ("NAV"), as provided by the trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no significant redemption restrictions or unfunded commitments on these investments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

¹ Investments are valued using NAV, consequently they are not included in the fair value table.

NOTE 9 - OTHER EMPLOYER CONTRIBUTIONS

During the year ended December 31, 2022, the Company determined there was an error in the deferral percentage of a single participant. Due to the error, the Company failed to defer the appropriate percentage as elected by the participant from October 2017 through September 2022. The Company calculated the total qualified nonelective contribution to be \$8,865 for the period ended December 31, 2021. Additionally, the Company calculated the qualified nonelective contribution related to 2022 to be \$1,721. The Company remitted the qualified nonelective contribution and lost earnings for the entire period (October 2017 through September 2022) in December 2022.

Subsequent to December 31, 2022, the Plan discovered an error from 2022 in which the payroll processor incorrectly calculated employee deferrals for a single participant over two pay periods. As a result of the error, eligible wages were improperly excluded from employee deferrals. The Company calculated the total qualified nonelective contribution to be \$524 for the year ended December 31, 2022. The Company remitted the qualified nonelective contribution and lost earnings in October 2022.

NOTE 10 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 11, 2023, the date at which the financial statements were available to be issued. The Plan is not aware of any significant events that occurred subsequent to the date of the statement of net assets available for benefits, but prior to October 11, 2023, that would have a material impact on its financial statements.
