Intermountain Healthcare Savings Plus 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of the Intermountain Healthcare Savings Plus 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

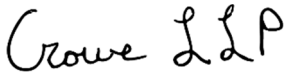

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Intermountain Healthcare Savings Plus 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by qualified institutions. Their report dated September 29, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
(Dollars in Thousands)

1. Description of the Plan

The following description of the Intermountain Healthcare Savings Plus 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Intermountain Health Care, Inc. (Intermountain) under the provisions of Section 401(a) of the Internal Revenue Code (the Code), which includes a qualified cash or deferred arrangement for the benefit of eligible employees of Intermountain. The Benefits Administration Committee and Benefits Finance Committee are responsible for oversight of the Plan in accordance with each committees' charter and report to the Finance Committee of the Board of Trustees of Intermountain. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Administration

Intermountain is the administrator and sponsor of the Plan and T. Rowe Price Trust Company (TRP) serves as the Plan's trustee and recordkeeper. The Northern Trust Company (NTC) serves as custodian of certain assets within the Principal Stability Fund.

Eligibility

Employees of participating Intermountain subsidiaries who are at least 18 years of age are eligible to participate in the Plan upon hire.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants. Participants' accounts are valued daily based on quoted market prices and contract values. Allocations of expenses and investment earnings (losses) are based on the proportion that each participant's account balance has to the total of all participants' account balances.

Investment Options

Participants may direct their account balances into the investment options allowed under the Plan in 1% increments. Participants can also elect to direct their account balances to investment options using predefined diversified portfolio allocations that are designed to match certain risk-based investment objectives. Investment options include shares of a money market fund, common/collective trust funds, the Principal Stability Fund, registered investment company funds and separately managed accounts. Participants may also invest in any publicly traded security through self-directed accounts. Participants may change their investment elections and make transfers among investment options daily.

1. Description of the Plan (continued)

Investment Options (continued)
The Plan provides participants the option to invest in various funds, which in turn invest in a combination of stocks, bonds and other investments. Investments, in general, are exposed to various risks such as interest rate, market, credit risks and global events. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could significantly affect the amounts reported in the statements of net assets available for benefits.

Plan Termination
Although it has not expressed any intent to do so, Intermountain has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, participants become fully vested in their accounts.

Contributions
Participants may voluntarily elect to make pre-tax (traditional) and post-tax (Roth) contributions, subject to certain limitations under the Code. Newly eligible employees are automatically enrolled in the Plan at a deferral rate of 1% of eligible compensation. In addition, participants may rollover amounts representing distributions from other qualified defined benefit or contribution plans. Highly compensated employees are limited in their contributions to 5% of eligible compensation subject to the annual limits allowed, as defined by the Code.

Participant contributions are matched on a quarterly basis by Intermountain. Participants are eligible to receive Intermountain's matching contributions beginning on January or July 1 following their one-year anniversary. Matching contribution rates are as follows:

Percentage of participant's compensation contributed	Matching contribution
1.0%	1.0%
2.0	2.0
3.0	3.0
4.0	3.5
5.0% and greater	4.0

1. Description of the Plan (continued)

In addition, for participants hired or rehired, Intermountain makes a fixed contribution of 2% of the participant's eligible compensation provided the participant is employed by Intermountain on the last day of the Plan year. For the 2022 plan year Intermountain made the fixed contribution, however, Intermountain has the right under the Plan to discontinue its contribution at any time.

Vesting

Participants are fully vested in their voluntary contributions plus actual earnings thereon; however, vesting in Intermountain's fixed contribution and matching portion of their accounts and earnings thereon is based on years of vesting service using the elapsed time method. Prior service hours are considered when employees are rehired. Participants subject to vesting provisions vest in Intermountain's matching contributions and earnings thereon as follows:

Years of service	Vesting percentage
Less than 2	0%
Between 2 and 3	20
Between 3 and 4	40
Between 4 and 5	60
Between 5 and 6	80
6 or more	100

Vesting in Intermountain's fixed contributions and earnings thereon is based on years of vesting service as follows:

Years of service	Vesting percentage
Less than 3	0%
3 or more	100

1. Description of the Plan (continued)

Forfeitures

Upon termination of employment, participants' nonvested balances are forfeited. Such forfeitures can be used to reduce Intermountain's contributions or pay for the Plan's administrative expenses. Forfeitures used to reduce Intermountain's contributions or pay for the Plan's administrative expenses were $1,696 in 2022. Unallocated forfeitures as of December 31, 2022 and 2021 were not significant.

Notes Receivable from Participants

A participant may borrow from a minimum of five hundred dollars up to a maximum equal to 50% of the participant's account balance or fifty thousand dollars minus the highest aggregate outstanding loan balance during the preceding 12 months, whichever is less. These loan parameters apply to the Plan and the Intermountain Healthcare Tax Deferred Savings 403(b) Plan on a combined basis. Loan terms range from 1 to 5 years, or up to 10 years for the purchase of a primary residence. Loans bear interest at a fixed rate of prime plus 1% as of the time the loan is secured. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2022, the interest rates on loans ranged from 4.25% to 8.50% with maturities through October 2032.

Hardship Withdrawals

Under certain circumstances, a participant, while still employed by Intermountain, is permitted to withdraw, in a single lump-sum, the participant's contributions exclusive of any earnings thereon. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of funeral costs of immediate family members, the payment of natural disaster cleanup on the participant's principal residence and preventing eviction or foreclosure from the participant's principal residence.

Payment of Benefits

Upon termination of service, retirement, death or disability, a participant or beneficiary may elect to receive an amount equal to the value of his or her account in a lump-sum or installment payments over time, as defined in the Plan or the Code.

1. Description of the Plan (continued)

Administrative Expenses

Administrative expenses for recordkeeping, advisor and brokerage services, investment manager services, consulting, legal and audit are paid by the Plan. Administrative expenses for services performed by Intermountain are paid by Intermountain.

Plan Transfers – Classic Aviation

On July 1, 2022, the Classic Aviation Holdings, LLC 401(k) Profit Sharing Plan (Classic Aviation Plan) merged with the Plan, which added approximately 350 participants and $6,056 to the Plan. The Classic Aviation Plan was previously offered to employees of Classic Aviation Holdings, LLC and subsidiaries, which was acquired by IHC Health Services, Inc. (Health Services), a subsidiary of Intermountain, in July 2021.

On September 16, 2022, the Ataraxis, Inc. Retirement Savings Plan (Saltzer Plan) merged with the Plan, which added approximately 500 participants and $20,366 to the Plan. The Saltzer Plan was previously offered to employees of Saltzer Medical Group, Inc. and subsidiaries, which was acquired by Health Services in September 2020.

2. Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting. Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and those differences could be significant.

2. Significant Accounting Policies (continued)

Participant-directed Investments and Investment Income

The Plan's investments in shares of a money market fund, registered investment company funds, publicly traded securities offered under the self-directed and separately managed accounts are stated at fair value as determined by quoted market prices in the accompanying statements of net assets available for benefits. Common/collective trust funds, including the Plan's International Fund, which is comprised of multiple common/collective trust funds, are stated at fair value using the net asset value (NAV) per share provided by fund administrators.

The Principal Stability Fund is a proprietary fund of the Plan that consists of fully benefit-responsive synthetic guaranteed investment contracts (Synthetic GICs). The Principal Stability Fund is stated at contract value in the accompanying statements of net assets available for benefits. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Synthetic GICs simulate the performance of traditional guaranteed investment contracts through the use of commingled trust funds, short-term investment funds and benefit-responsive wrapper contracts issued by insurance companies to provide market and cash flow protection at stated interest rates. The Synthetic GICs do not permit the insurance companies to terminate the agreements prior to the scheduled maturity dates. There are no reserves against contract value for credit or other risks of the contract issuers.

The crediting interest rate of the contract is based upon an agreed-upon formula with the issuer, as defined in the contract agreement, but cannot be less than zero. The interest rate is reviewed monthly for resetting per the contract.

Certain events may limit the ability of the Plan to transact at the contract value of Synthetic GICs with the issuer. Such events include the following: (a) amendments to the plan document including complete or partial plan termination or merger with another plan; (b) changes to the Plan's prohibition on competing investment options or the deletion of equity wash provisions; (c) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (d) the failure of the trust to qualify for exemption from federal income taxes or any prohibited transaction exemption under ERISA. Management does not believe that the occurrence of such events is probable.

Net depreciation in fair value of investments represents the unrealized change in fair value of investments and realized gains and losses on the sales of investments during the year. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of investments are recorded on the trade date.

2. Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are reported at the unpaid principal balance plus any accrued interest with no allowance for credit losses, as repayment of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred.

3. Fair Value Measurements

The methods used to determine the fair value of financial instruments reflect market participant objectives and are based on the application of a valuation hierarchy that prioritizes observable market inputs over unobservable inputs. The hierarchy is based on the reliability of inputs as follows:

- Level 1 – Valuation is based on quoted prices for identical financial instruments in active markets. The Plan does not adjust the quoted price for Level 1 financial instruments.
- Level 2 – Valuation is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and independent pricing models or other model-based valuation techniques using observable inputs.
- Level 3 – Certain types of financial instruments are classified as Level 3 within the valuation hierarchy because these financial instruments trade infrequently and, therefore, have little or no price transparency. As of December 31, 2022 and 2021, the Plan did not have any financial instruments classified as Level 3.

The following table presents a categorization, based on the foregoing valuation hierarchy, of the Plan's financial instruments measured at fair value as of December 31, 2022:

	Level 1	Level 2	Fair Value
Money market fund	$ 70,403	$ –	$ 70,403
Common/collective trust funds	1,505,375	–	1,505,375
Registered investment company funds	1,188,243	–	1,188,243
Self-directed accounts	225,252	1,267	226,519
Separately managed accounts	236,519	–	236,519
Total investments at fair value	$ 3,225,792	$ 1,267	$ 3,227,059

3. Fair Value Measurements (continued)

The following table presents a categorization, based on the foregoing valuation hierarchy, of the Plan's financial instruments measured at fair value as of December 31, 2021:

	Level 1	Level 2	Fair Value
Money market fund	$ 64,394	$ –	$ 64,394
Common/collective trust funds	1,628,305	–	1,628,305
Registered investment company funds	1,506,152	–	1,506,152
Self-directed accounts	250,135	448	250,583
Separately managed accounts	382,368	–	382,368
Total investments at fair value	$ 3,831,354	$ 448	$ 3,831,802

4. Information Certified by the Trustee and Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan) and The Northern Trust Company (the custodian of the Plan).

5. Party-in-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Certain plan investments include cash or securities managed by TRP (trustee) or NTC (custodian). Therefore, purchases and sales of these securities qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Notes receivable from participants also reflect party-in-interest transactions.

6. Reconciliation of Financial Statements to Form 5500

The following reconciles the net decrease in net assets available for benefits reported in the financial statements for the year ended December 31, 2022 to Form 5500:

Net decrease reported in the financial statements	$	(607,040)
Less current year deemed distributions to participants of notes receivable		(370)
Net loss plus assets transferred into plan reported in Form 5500	$	(607,410)

The following reconciles net assets available for benefits reported in the financial statements as of December 31, 2022 to Form 5500:

Net assets available for benefits reported in the financial statements	$	3,594,375
Less current year deemed distributions to participants of notes receivable		(370)
Less prior years cumulative deemed distributions to participants of notes receivable		(428)
Net assets available for benefits reported in Form 5500	$	3,593,577

7. Income Tax Status

The Plan has received a favorable determination letter from the Internal Revenue Service dated March 24, 2014 stating that the Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter. Management believes the Plan is being operated in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is exempt from taxation.

U.S. generally accepted accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. Subsequent Events

On April 1, 2023, the SCL Health 401(k) Profit Sharing Plan (SCL Health Plan) merged with the Plan, which added approximately 500 participants and $1,445,794 (unaudited) to the Plan. The SCL Health Plan was previously offered to employees of Sisters of Charity of Leavenworth Health and subsidiaries prior to becoming affiliated with Intermountain in April 2022.

Management evaluated subsequent events through October 6, 2023, the date the financial statements were available to be issued, and determined that no additional disclosures were necessary.
